Office of the Director of Public Instruction, Madras dated 29-8-49.

From

The Director of Public Instruction,

Madras.

To

The Secretary to Government,
Education and Public Health Department.
Madras.

Sir,

Sub: Grants--Building--St. Mary's R.C. Training School, Vellore--
Construction of new buildings and Sanitary installations.

I have the honour to state that the building scheme in respect of the above training school was originally approved at an estimated cost of Rs 43,000/- rendering the institution eligible for a building grant of Rs 21,500/- as per the G.O. No. 697 Education dated 1-4-46. Subsequently due to construction of a first floor according to their original plans and for providing sanitary installations etc. the scheme was approved by the J.C.A. at a revised estimated cost of Rs 1,14,000/- and was placed on the approved list rendering the institution eligible for a grant of Rs 57,000/- The building scheme has since been completed by the Correspondent at an actual cost of Rs 1,34,000. A sum of Rs 21,500 has been sanctioned during 1948-49 as provided for in the Budget Estimate for that year, and the balance of Rs 35,500 has been provided for in the current year's budget. The title deeds have been examined by the Government Solicitor, and they have been found to be in order.

In the above circumstances, I request that the maximum grant provided in the G.O. referred to above may be raised to Rs 57,000 and I may be permitted to sanction the balance grant of Rs 35,000 provided for in the Budget estimate for 1949-50 as mentioned above.

I have the honour to be

Sir,

Your obedient Servant,

G. O. Paulanahie

Not available.

A/42-43d
(Item 13)

M 2-3 ante With reference to the post copy of the Telephonic Message referred to above, I have the honour to state that the original scheme submitted by St. Mary's R.C. Training School, Vellore was for the construction of a building with a first floor at an estimated cost of Rs.1,14,000/-. Due to a ban imposed by the Government in G.O.No.9637/B/4-3 Education and Public Health dated 27.4.42 on the construction of terraced buildings for the duration of war, the building scheme was restricted to the erection of the ground floor only at an approved estimated cost of Rs.43,000/- for which the Government sanctioned a grant of Rs. 21,500/- in G.O.No.696 Education dated 1.4.46. As the ban was lifted in the meanwhile, the correspondent at her request was permitted to pursue her original scheme at an approved estimated cost of Rs.1,14,000/- and suitable Budget provision was also made for grant on the enhanced expenditure. On the completion of the scheme, grant was sanctioned to the extent of Rs.21,500/- as p.t.o

covered by the Government sanction which in the circumstances stated is for a part of the building scheme. The correspondent has completed the scheme at a cost of Rs.1,34,000/- but the Joint Consulting Architect has approved the estimate at a cost of Rs.1,14,000/- for which in the normal course a grant of Rs.57,000/- is admissible. As the balance grant of Rs.35,500/- is not covered by Government sanction, although Budget provision has been made, I have solicited the favour of Government orders in this respect in my letter Rc.416 D2/49 dated 4.10.49.

Yours faithfully,

R. S. Hanumanth

for Director of Public Instruction.

Sub: Building St. Mary's R.C. Higher Elementary Training School for women, Vellore - construction of new building and latrines.

Read: Endorsement Rc.No.180 A/46 dated 28-8-46 of the Inspectress of Girls Schools, IV circle.

Under Rule 51 of the Grant-in-aid Code, the scheme for the construction of a school building for St. Mary's R.C. Higher Elementary Training School for women, Vellore at an estimated cost of Rs.1,14,000/- is placed on the list of approved works maintained by the Director with reference to rule 53 A. of the same code. The inclusion of the scheme in the approved list should in no way be regarded as a commitment on the part of Government for giving a grant for this scheme.

2. The management may however be informed that it is not precluded from applying for grant after the completion of the scheme.

3. The instructions issued in Director's Proceedings Roc. No.689 D/41 dated 13-9-45 should be followed.

4. A copy of the remarks of the C.A. (W.O.No.108 dated 9-1-47) together with a copy of the plans and estimates as approved by him is enclosed.

Grant. Building. St Mary's R.C. Training School, Vellore.
Construction of a building with a first floor. Maximum
grant - Raised

Read.

Go. no 696 Education dated 1.4.1946

From the DP 9 RC 416 D2/49 S 29.8.49

Order no 832 Education dated 13-3-50

In. Go. no 696 Education dated 1.4.1946, the Government
sanctioned a grant not exceeding Rs 21,500 towards one-half
of the cost of construction of new buildings for St Mary's
R.C. Training School for women, Vellore, as the work was
then estimated to cost Rs 43,000. Subsequently due to the
provision of a first floor & sanitary installations, the
estimate had to be revised and the revised estimate for
Rs 1,14,000 ~~was~~ ^{was} approved by the Joint Consulting
Architect. Consequently, the maximum grant payable for
the scheme will be raised from Rs 21,500 to Rs 57,000
(Rs fifty seven thousand only).

2. As a grant of Rs 21,500 had already been disbursed
to the management of the St Mary's R.C. Training School,
Vellore, in 1948-9, the DP 9 is requested to ~~san~~
authorise the disbursement of the balance of grant of
Rs 35,500 (Rupees thirty five thousand five hundred) due
to the management, ~~in the same manner~~ as early as possible.

Grants - Building - St. Mary's R.C. Training School, Vellore -
Construction of new buildings and provision of sanitary
installations - Enhancement of grant.

H-42-43 of (A)

Read: G.O. Ms. No. 696 Edn. d/1.4.46
From the S.P.G. Rc. No. 416 D2 /49 d/ 29.8.49 and 1.12.49.

p4 of

p4 of

H-42-43 of (A)

p4 of

p1 of and p5 of

The management of the St. Mary's R.C. Training School, Vellore, submitted plans and estimates for the construction of a storeyed building and for provision of sanitary installations for the school. The scheme was approved by the Joint Consulting Architect at an estimated cost of Rs 1,14,000/- But ^{owing to the non-availability} ~~due to the existence of the ban on the construction~~ ^{only the ground floor was constructed} of terraced buildings, sanction was accorded to the payment of a half grant not exceeding Rs 21,500/- towards the construction of the ground floor alone. The S.P.G. now reports that as the ban on the construction of terraced buildings ~~was~~ ^{has} been lifted, ~~in the meantime~~, the management was permitted to complete the scheme according to the original plans at an approved cost of Rs 1,14,000/-. He therefore recommends that the ^{maximum} grant payable towards the scheme may be enhanced from Rs 21,500 to Rs 57,000.

P

10-12-49
7/12/49

2. The maximum grant admissible for a scheme for the construction of buildings for an aided secondary school under the existing ^(from 1948) orders is Rs 35,000 only, but this limit cannot be applied to schemes for which no such limit was prescribed and grants are payable towards one half of the cost as per approved estimates. The Director's recommendation may therefore be accepted. He has reported that necessary provision has been made in the current year's budget for payment of the balance of grant if the grant payable is raised from Rs 21,500 to Rs 57,000.

3. The remarks of Finance may be invited.

Finance (Exp.A) Department.

Please see the note of E. & P.H. on p. 1 above.

It is not clear from the letters of the D.P.I. on pp. 1 and 4-5 c.f. on what date permission was accorded to the correspondent of the R.C. Training School, Vellore to pursue her original scheme of construction of ^{the} building with a first floor at an estimated cost of Rs.1,14,000 and on what date the scheme was placed on the approved list rendering the institution eligible for a grant of Rs.57,000/-, and why the specific approval of the Government was not obtained for the purpose. E. & P.H. may be requested to obtain information on these points from the D.P.I. and to ask him to furnish copies of the relevant correspondence for reference. E. & P.H. have stated that the maximum limit of grant for the construction of buildings for aided secondary schools viz. Rs.35,000/-, laid down in 1948 cannot be applied to this case. They may be requested to state how they distinguish this case from those disposed of in G.O.No.2141 Edn. dated 5-7-1949 and 3430 Edn. dated 9-11-1949.

With reference to the notes of Finance Dept. above a draft memo to the D.P.G. is submitted for approval.

Ad 28/12/49
K 28/12/49

28-12-49

[Issued as Memo No. 66770 B/49-3 Edn. d/29-12-49]
C.No. 9369 From the D.P.G. Re. 4/6 B2/49 d/3-2-50.

The D.P.G. has reported that the scheme for the construction of a building for the St. Mary's Training School, Vellore at an estimated cost of Rs.1,14,000/- was included in the list of approved works in his proceedings No. Roc. 5543 K/46 d/21-1-47. With ref. to X in Finance note above it is submitted that it was only after the revised procedure for selection of schemes for inclusion in the list of approved works was adopted in October 1947 that the D.P.G. submitted and p27 of 6 schemes for the construction of buildings for girls schools for girls in his consolidated list submitted once a quarter for selection by Govt. for inclusion in the list of approved works. Prior to the revision of the procedure, schemes for construction of

and training

K 16-2-50

16/2/50

buildings for secondary and training schools for girls were selected for inclusion in the list of approved works. With ref. to portion marked Y in the notes of Finance Dept. at p2 ante, it is submitted that at the time when the scheme for the construction of a building for the St. Mary's R.C. Training School for women was placed in the approved list, grants were payable towards one half of the cost of construction without any restriction. It was subsequently decided that grants towards construction of buildings for secondary schools should be limited to half grant subject to a maximum of Rs 30,000/- The limit has since been raised to Rs 35,000/-. In the circumstances stated it is submitted that the grant payable towards the cost of construction of building for the St. Mary's R.C. Training School for women Vellore should not be restricted to the limit which has been prescribed after the scheme was placed on the list of approved works. In view of this it is for consideration whether the maximum grant payable towards the scheme may be enhanced from Rs 21,500 to 57,000/- and the D.P.G. permitted to authorise the disbursement of the balance of grant for which provision has been made in the B.E. for 1949-50.

Finance may see p2 to circulation.

14/2/50
14-2-50

16-2-50

5/16/2/Fin

Fin. (Exp.A.)

(Previous Fin.note on p.2 above).

This case relates to the proposal of the D.P.I. for payment of grant to the management of St. Mary's R.C. Training School, Vellore, towards the construction of a first floor and provision of sanitary installations to the school building. The facts of the case are as follows:--

(1) In the list of Part II schemes for 1946-47

regarding building grants, the D.P.I. proposed among others, a provision of Rs.21,500/- for payment of grant to this institution for construction of new buildings on the site.

estimated cost of Rs. 43,000/- and it was sanctioned in G.O. No. 696 Edn. dated 1-4-1946. This sum of Rs. 21,500/- was paid to the institution in 1948-49.

(11) The D.P.I. now reports that the original scheme submitted by the institution was for the construction of a building with a first floor at an estimated cost of Rs. 1,14,000/-, but due to the ban on construction of terraced buildings for the duration of the war, the building scheme was restricted to ~~the~~ ^{at} the erection of the ground floor only ^{at} an approved estimated cost of Rs. 43,000/- for which the Govt. sanctioned a grant of Rs. 21,500/-. Subsequently when the ban was lifted, in his proceedings dated 21-1-1947, the D.P.I. permitted the management of the school to pursue the original scheme at an estimated cost of Rs. 1,14,000/- see pp. 7-8 c.f. The management has completed the scheme at an estimated cost of Rs. 1,34,000 and claimed a half grant, but the Joint Consulting Architect has approved the scheme at a revised estimated cost of Rs. 1,14,000/-. The D.P.I. states that in the normal course, a grant of Rs. 57,000/- is admissible and, excluding the grant of Rs. 21,500/- already sanctioned by the Govt., ~~he~~ recommends that the balance ~~grant~~ of Rs. 35,500/- may be sanctioned now as an additional grant.

2. The maximum grant admissible for a scheme for the construction of buildings for an aided secondary school under the existing orders is Rs. 35,000/-. Edn. consider that this limit cannot be applied to schemes for which no such limit was prescribed ^{at the time of admission to grant} previously and that the grant payable in this case may be raised from Rs. 21,500/- to Rs. 57,000/-, as recommended by the D.P.I. But, attention is invited to the orders in circulation on p. 5 N.F. of G.O. No. 457 Edn. d. 14-2-50 ^{an analogous case in} in which the Govt. decided to give a half grant to the Hindu Religious Higher Elementary School, Walajabad, only as a very special case, even though no maximum limit for the grant was fixed when the estimate for that school buildings was originally approved. In view of this, it seems that the

and 'K' on p. 3
above.

(W)

In view of the minutes
of 10/1 (7/1) on p. 5 N.F. of
the G.O. at (M), the total grant
has to be restricted to the
existing limit of Rs. 35,000/-
13,500 B
5350

Csk
6350

For no. 10982 Ext A-1
6.3.50

^{now in force} maximum limit has to be applied to the present case also and Finance may advise that the total grant payable may be limited to Rs. 35,000/- and that the D.P.I. may be authorised to disburse the balance of Rs. 13,500/- ^{as an additional grant} to the management of the institution.

H.M. (Fin.) should see.

B
5350
4350

The question of payment of additional grant to the St. Mary's R.C. Training School, Vellore, is being considered by the Government only now. Any grant to be given by the Government will therefore have to be restricted to the maximum limit now in force i.e. Rs. 35,000/-. The fact that the D.P.I. permitted the management of the school to pursue the original scheme at a cost of Rs. 1,14,000/- will only entitle the ^{institution} ~~management~~ to get an additional grant of Rs. 13,500/- (35,000 - 21,500) and not to get half of Rs. 1,14,000/-

H.M. (Finance) may see.

Csk
6350

Edn

Education Department
B.

The Finance Department's note from page 3 ante which sets out the proposal may be perused. The point for decision now is whether a grant should be made to the management of the St. Mary's R.C. Training School, Vellore, ^{one half of} towards the cost of construction of a first floor Rs. 71,000 (Rs. 114,000 - 43,000) or whether it should be limited to Rs. 13,500 the balance of grant due if the maximum grant ~~for the whole scheme~~ is limited to Rs. 35,000 for the whole scheme consisting of a ground
