C.No. 81 D.8/50 dated 3.3.50

Sir,

Subject: Grants - Buildings - Aided Arts Colleges -
Payment in 1949-50

There is provision in the current year's budget for the payment of grants towards the building schemes relating to the first three aided Arts Colleges mentioned below :-

Name of College.	Grant admissible	Grant payable in 1949-50
------------------	------------------	--------------------------

1 St. Aloysius College, Mangalore	Rs 75,000	Rs 10,500
2 S.V. College, Tirupati	75,000	65,000
3 Lady Doak College, Madura	50,000	50,000
4 Sarah Tucker College, Palayamcottai	75,000	40,000

In their order No. MS 3784 Edn dated 10.12.49 Government have permitted the payment of the grant to the Sarah Tucker College pending provision of funds. Necessary additional funds have been asked for in respect of this scheme.

2. In respect of all the four schemes referred to above the title deeds are under the scrutiny of the Government Solicitor, Madras who has not yet offered his final opinion. In all cases the matter is under correspondence either with the Government Solicitor or the management. It does not, therefore, seem likely that the Government Solicitor will complete the scrutiny of the title deeds in good time to enable the payment of the grants by the middle of this month. In the circumstances I request that Government may kindly permit me to pay the grants for the four schemes pending completion of scrutiny of title deeds by the Government Solicitor, on obtaining an undertaking from the managements concerned that they will refund the amounts if the title deeds are found to be defective.

3. Of the four schemes Nos 1 and 4 are to be paid only advance grants. Information regarding the value of the work so far carried out is being called for from the management of the St. Aloysius College, Mangalore. The building scheme of the Sarah Tucker College is reported to have been completed at a cost of about Rs 2,23,500 and the required documents for paying the grant have been received from the correspondent. Pending scrutiny of the title deeds, the advance grants for the two colleges may be paid based on the value of the work as estimated by the Engineer in charge of the construction.

4. The other two schemes Nos 2 and 3 are put down for final payment this year. The estimated cost of the scheme No. 2 relating to the S.V. College, Tirupati is ten lakhs and the management would have no doubt carried out by now work to the value of not less than 1.5 lakhs. Information in this regard is being called for. The management of the College being a statutory body (T.T.D. Committee), the proposal for final payment in this year of the grant admissible for the scheme may stand even though the construction has not been completed and the Government Solicitor has not yet found the title in order.

The estimated cost of the scheme relating to the Lady Doak College, Mathurai is Rs five lakhs. The value of the work put ~~in-rough~~ through till Jan '50 is reported to be Rs 1,25,600/- I am of opinion that there is no need to pay in full the grant of Rs 50,000 for this scheme till after the scrutiny of the title deeds is completed and the building operations have progressed farther than at present. In the present circumstances an advance grant for the scheme ~~should~~ suffice and accordingly I recommend that a sum of Rs 30,000/- only need be paid to the management as advance grant. The balance of Rs 20,000/- may be paid next year after the title is found in order.

5. The proposal to pay only ~~one~~ advance grant of Rs 30,000 instead of the full grant of Rs 50,000/- to the Lady Doak College, Mathurai, if approved, would ~~leave~~ a provision of Rs 20,000 unutilised in the current year's budget. I recommend that Government may kindly sanction the payment of this sum of Rs 20,000/- to the West Godavari Bhimavaram College, Bhimavaram as advance grant in this year for the scheme approved in G.O. MS. 3607 Edn dated 23.11.49. The estimated cost of the scheme is Rs 83,000 and the management has already carried out work to the value of Rs 63,000/- As this institution has suffered considerable damage in the recent cyclone, the payment of an advance grant of Rs 20,000/- for the scheme referred to above may be allowed as a special case pending scrutiny of the title deeds. ~~the~~ question of payment of the balance grant due to this college and to the Lady Doak College may be considered next year.

6. I request the urgent ^{orders} of the Government on this letter. In this connection I invite their attention to my Rc. 342 D.9/49 dated 10.2.50 regarding the condonation of irregularities committed by the West Godavari Bhimavaram College and request ~~urgent~~ orders thereon also.

Yours faithfully,

C.No. 610/50.

GRANTS - Buildings - Aided Arts Colleges - Disbursement in 1949-50.

From the D.P.I. C.No. 81 D.8/50 dated 3-3-50.

Please see the D.P.I.'s letter on pp. 1 and 3 c.f. In respect of the following building schemes, the grants payable during the current year are as follows:-

- | | |
|---|--------------|
| (1) St. Aloysius College, Mangalore. | Rs. 10,500/- |
| (2) Sri Venkateswara College, Tirupati | Rs. 65,000/- |
| (3) Lady Doak College, Mathurai. | Rs. 50,000/- |
| (4) Sarah Tucker College, Palayamcottai | Rs. 40,000/- |

As the scrutiny of the title deeds of the above building schemes by the Govt. Solicitor is not yet over, ^{D.P.I.}he recommends the disbursement of the grants due to the institutions during the current year, pending scrutiny of the title deeds by the Govt. Solicitor and subject to an undertaking being taken from the managements to the effect that the amounts paid will be refunded to Govt., ^{if} the title deeds are found to be defective.

For the reasons mentioned by the D.P.I. in para 2 of his letter, his recommendation may be accepted.

2. Regarding items Nos. (1) and (4) above, viz., grants to the St. Aloysius College, Mangalore, and the Sarah Tucker College, Palayamcottai, he recommends that the amounts may be paid as advance grants, on the basis of the valuation of the work done by the management as estimated by the Engineer-in-charge of the construction. His recommendation may be accepted.

3. He estimates the cost of work done by the management of the Sri Venkateswara College, Tirupati, so far, at not less than Rs. 1.5 lakhs. Though the buildings are not completed and the title deeds have not been scrutinised by the Govt. Solicitor, the D.P.I. recommends that the sum of Rs. 65,000/- due to the College, mentioned above, being the final payment of grant, may be paid during the current year itself, in view of the fact that the management of the College is a statutory body (T.T.D. Committee). For a scheme of Rs. 10 lakhs, an expenditure of Rs. 1.5 lakhs does ^{not} represent much progress. A grant of Rs. 25,000/- will probably suffice.

payment of an advance grant of Rs. 30,000/- for this scheme during the current year, the balance of Rs. 20,000/- being paid next year, as there is no need to pay the entire amount of grant of Rs. 50,000/- in full this year. His recommendation may be accepted.

5. He points out that the balance of Rs. 20,000/- referred to in para 4 above may be utilised for payment of an advance grant to the West Godavari Bhimavaram College, Bhimavaram, for the construction of a laboratory and lecture hall, which has been already included in the list of approved building schemes. This question has been raised separately by the D.P.I. and is separately under consideration..

In the file relating to the payment of building grants to two Secondary schools, Finance have suggested that pending the scrutiny of the title deeds by the Govt. Solicitor, the advance grants need not be paid. It may be pointed in this connection that it has been usual to pay advance grants to managements with a view to enable them to proceed with building schemes. Further, under the provisions of the Madras Aided Institutions (Prohibition of Transfers of Property) Act 1948, the Government have hold over institutions which receive building grants. The payment of grant to the 5 institutions as proposed by the D.P.I. may be approved.

May be sent to Finance.
