EDUCATION AND PUBLIC HEALTH DEPARTMENT

STATIONERY - Stores - Additional coolies - employment

p-249 (K) A FL

In G.O.No.Ms. 2132 Education dated 27-9-1939, the number of coolies in the Stationery Stores on daily wages was fixed at 12. In G.O.No.Ms. 743 Education dated 27-4-1940 the Superintendent of Stationery was empowered to increase or decrease temporarily the number of coolies according to exigencies of work. In exercise of the power so vested, a number of temporary additional coolies were employed on the shifting of the Stationery Office and Stores from First Line Beach to Guindy as more coolies were required to handle the stock in the absence of mechanical devices provided in the building at First Line Beach. They continue to be employed as additional coolies and they would be required as long as the store remains at Guindy. (The auditors point out that as the employment of additional labour has been more or less of a permanent feature at Guindy the sanction of the Government for such employment is necessary.) I, therefore, request that the Government may be pleased to empower the Superintendent of Stationery to employ additional labour according to necessity and to ratify the employment of additional labour so far made.
