As regards the Advisory Committee for the Presidency College, Madras, several important factors have to be taken into account before appointing a committee. Consequent on the complete abolition of the Intermediate Course in the College, new courses of studies of both pass and Honours standards have been sanctioned. Besides, the proposals for the reorganisation of the college, as a centre for the higher teaching and research, based on the Raman Committee report ~~xxx~~ are under consideration. It would, therefore, be desirable to constitute an Advisory Committee for the College with suitable persons consistent with the further development of the institution. I am asking the Principal, to take the above factors into account and submit a panel of suitable names for selection for membership of the committee soon after the admissions are made in July 1949.

The D.P.I.'s letter d. 4-12-49 ^{orders whether the} names suggested maybe perused. For the membership of the Advisory Committee of the Presidency College, Madras may be approved. The ~~file may be consulted to the D.P.I. (E & L)~~ committee seems to be too small. We must make allowance for the absence of two or three members always and if so the Committee will consist of 3 members. For orders whether the D.P.I. may be asked to suggest the names of 3 or 4 more persons of eminence.
