Resubmitted with a copy of the reply R.C. B6-24005/49 dated 18-2-1950 of the President District Board, Tirunelveli.

The District Board should not have purchased the articles of furniture without obtaining the prior permission of the Government therefor. However in the circumstances explained by the President, District Board, the purchase made by the District Board in respect of the school, viz. Board High School, Tenkasi during 1948-49 may be approved as a special case and the Accountant-General may be informed that this expenditure also may be admitted for the purpose of payment of subsidy during the current year (1949-50) subject however to the condition that the subsidy payable to the District Board in respect of this school from provincial funds is restricted to Rs.3533/- sanctioned in G.O. No. 1970 Edn. dated 17-6-1949.

The President District Board may also be informed that such irregularities should not be allowed to recur.

Copy of reply No. B.6. 24005/49 dated 18th February 1950 from the President, District Board, Tirunelveli to the Director of Public Instruction, Madras.

Sub:- Education- Secondary- Subsidy- equipment 1949-50- Drawal of.

Ref:- Your letter No. R.C. 978-G.2/48 dated 7-2-1950.

As per District Educational Officer's instruction, application for sanction of equipment subsidy were called for from the Headmaster, Board High Schools. The indent for Rs.5,000/ received the Headmaster, Board High School, Tenkasi was forwarded to the District Educational Officer, Tirunelveli West for sanction. The Divisional Inspector of schools, Mathurai in his letter R.C. 431.B/48 dated 18-9-1948 stated that the indent had been approved and that sanction of subsidy would be considered and orders passed by Government after provision has been made in the budget for 1949-50. In 1948-49 two new secondary schools, Pudur and Valliyur were opened by this District Board. An indent for the articles of furniture required for the two new schools and also for the articles required for the other secondary schools including the Board High School, Tenkasi was prepared and tenders were called for, for the supply of the articles on 31-8-1948. As the secondary schools were badly in need of furniture, the articles were supplied, it was thought that the articles could be supplied in 1948-49 and that the subsidy would be drawn in 1949-50. The omission to get prior sanction of the Government for the purchase of furniture in 1948-49, which was occurred by oversight is regretted.

In G.O. No. 1970 Edn. dated 17-6-1949 the Government sanctioned subsidy for the following items and ordered that the amount of grant to be drawn should be restricted to one half of the actual cost of the articles purchased in 1949-50.

Total Cost. Maximum subsidy.

Board High School, Kadayanallu,
Science Articles. Rs.715-0-0. Rs.358-0-0.

Board High School, Tenkasi,
Furniture, Science articles
and books. Rs. 7066-0-0. Rs.3533-0-0.

On receipt of the G.O. action was taken for the purchase of science articles and books, since the supply of articles of furniture had been completed then. It is an omission that the request contained in this office letter No. B.6. 24005/49 dated 18-1-1950 was not made immediately on receipt of G.O. No. 1970 Edn., dated 17-6-1949.

The articles of furniture purchased during 1948-49 for the Board High School, Tenkasi to the value of Rs.4788-4-0 find a place in the indent approved by the Divisional Inspector of schools, Mathurai. The required certificate is also enclosed.

CERTIFICATE.

Certified that the following articles of furnitures, purchased during 1948-49 for the Board High School, Tenkasi to the value of Rs.4,788-4-0 find a place in the indent approved by the Divisional Inspector of Schools, Mathurai Division.
