Roc.No.33 A4/50 dated 1-3-1950.

Sir,

Sub: Government Servants Conduct Rules - Sri Marimuthu,
Physics attender, Rajah's College, Pudukkottai -
Permission to attend to the motor pump in the
hostel and to accept the remuneration of Rs.5/-
per mensem.

In submitting herewith copies of the letters No.A77/50
dated 23-1-1950 and 17-2-1950 from the Principal, Rajah's
College, Pudukkottai, I have the honour to recommend that the
attender Sri Marimuthu may be permitted to undertake the work
and accept the remuneration of Rs.5/- p.m. to be paid from
the hostel funds.

Yours faithfully,

KHR.2.3.

Copy of letter A77/50 dated 23-1-1950 from the
Principal, Rajah's College, Pudukkottai to the Director of
Public Instruction, Madras.

Quasi public funds - Payment of remuneration.

I have the honour to state that a motor pump is being
used in the College hostel to pump out water from the well. A
mechanic from the P.W.D. Workshop was attending to it free of
charge. Now his services have been stopped. Hence the Physics
attender Marimuthu has been asked to attend to it, from 21-11-49.
A remuneration of Rs.5/- per mensem has been fixed by me for
this extra work. This will be met by the boarders in the hostel.
I request approval of my action and that Mr.Marimuthu be per-
mitted to receive the remuneration as the work is being done
without prejudice to his usual duties in the College.

Copy of letter A77/50 dated 17-2-1950 from the Principal,
H.H. the Rajah's College, Pudukkottai to the Director of
Public Instruction, Madras.

I have the honour to submit that a large number of motor
pumps are installed in the State buildings (College, Hostel,
Administrator's Bungalow etc.) A public works department
mechanic was specially posted to handle them and his salary
was debited to the P.W.D. Perhaps it was thought a qualified
mechanic would be able to handle them carefully and keep
down wear and tear and thus save in the long run. The P.W.D.
stopped the mechanic from 21-11-1949. I therefore requested the
laboratory attender to do this work from that date.

2. The attender has experience of 25 years of Physics
laboratory work. He knows some-thing about machines and I hope
that if he handles it the wear and tear will be less.

P.T.O.

3. The attender lives in a suburb of Pudukkottai ~~and~~ at about a distance of 3 miles from the College and hostel. He goes to the hostel early in the morning for pumping water for bath. He then returns home for breakfast and then attends office. He pumps water again in the evening at about 5.30 P.M. Besides this he pumps water to the College tank about 3 times a week for supplying water to the laboratories, lavatories etc.

4. All this ~~work~~ cannot be considered to be part of his official duties. Hence I have recommended a remuneration of Rs.5/- per mensem to be paid by the hostel boarders.
