Sub: Education - Secondary Schools - Pollachi
Municipality - Visual Education - purchase of
equipment.

--:o:--

The Pollachi Municipal Council has in its resolution No.269 dated 11-6-1948 sanctioned the purchase of cinema projector for imparting visual education in both the secondary schools of this Municipality. Accordingly sealed tenders were invited by advertising the matter in the District Gazette and the "Hindu". No sealed tenders were received, but quotations from two firms were received viz. Messrs. A.M.A.Ltd., Madras and Messrs. Evergreen (Bangalore) Ltd. Hence a note to the council was put up (Note dated 7-7-1948 - copy enclosed) and it was decided in its resolution No.353 dated 9-7-48 (copy enclosed) to purchase one 16 M.M.Sound Projector - "VICTOR" from Messrs. Evergreen (Bangalore) Ltd. and the machine has been purchased and the visual education is being imparted now.

The District Inspector of Local Fund Accounts, Coimbatore during his audit on the General Fund Accounts of this Municipality for the year 1948-49 has raised an objection in para 18(a) of the Audit Report for 1948-49 that the lowest quotation was not accepted. It was replied by this office that the lowest rate quoted by the company is for a different make of the machine, that the one purchased by the council. A copy of the objection and the reply furnished is enclosed for favour of information. In this further remarks, the District Inspector of Local Fund Accounts has again stated that the sanction of Government may be obtained. Copy of this objection is also enclosed for favour of information.

Under the circumstances explained above, & I request that the action of the council in having purchased the projector may kindly be approved.

Sub: Purchase of film projector for introducing Visual Education in Secondary schools.

The council has in its resolution No.269 dated 11-6-1948 sanctioned the purchase of a film projector for Visual Education in Secondary Schools. According to the rules, sealed tenders were invited. But not even a single tender has been received. As it has been already proposed to introduce the same from the beginning of this year and fees are being collected from students, the projector has to be purchased without any more delay.

I therefore examined the quotations, received from companies already and recommended that the quotations of (Evergreen) Bangalore Ltd. in respect of VICTOR 16 M.M. Sound projector at the price of Rs.3250/- may be accepted and orders placed.
