Rc 62 D2/48 dated 11-11-49

Sir,

Subject: Grant - Buildings - Secondary Schools - Schemes commenced before approval - condonation of irregularity
Reference G.O. Ms. No. 3258 Education dated 25-10-49

The following words in para 2 of the G.O. cited above "the irregularity will be condoned and the schemes will be admitted to aid" appear as though that Government should be addressed for the condonation of the irregularity. Detailed reports were made in my letters C. No. 699 D.2/48 dated 17.1.49 and Rc. 200 D2/49 dated 6-7-49. I presume that no further letter requesting the condonation is necessary and that orders of Government condoning the irregularity will be issued shortly.

2. With reference to Government Memo No. 36796/B1/49-5 Edn dated 2-8-49, the following two schemes which were started before they were placed on the approved list, were included in the list submitted to Government in my letter Rc 62 D2/48 dated 19-10-49

1. M.N.M. High School Committee, Gudavalle
2. Ramakrishna Mission High School, Attur.

As the two schemes were included in the list referred to above, they were not included in the consolidated list for the quarter ended September '49 submitted in my letterRc. 62 D2/48 dated 27-10-49.

3. It is observed from the G.O. cited above that the above two schemes have not been approved. Hence I request that the schemes may be considered along with other schemes.

Yours faithfully,

for Director of Public Instruction

Memorandum to the Hon'ble Ministe r for Education, Government of Madras.

ASST. SECRETARY TO GOVERNMENT PUBLIC HEALTH DEPARTMENT
11 JUL 1949
SECRETARY, EDN. AND P.H. DEPT.
7 JUL 1949
DISTRICT EDUCATIONAL OFFICE C.No. 603/49
5 AUG 1949
SOUTH MALABAR, CALICUT

52464

On behalf of the Mookuthala Educational Socie ty (Registere d) we we lcome your appointment as Ministe r for Education, one of the key positions in the set up of the Provincial administation. We have confidence that with your wide outlook and deep earnestness, you will be able to give further fillip to the cause of education in this province.

We are approaching you with a begging bow l. The Mookuthala High School, run under the management of the Mookuthala Educational Society (Rgistere d) was started in 1946 and has been now working for the last three years.with increasing succes. We have sent out the first batch of students for the S.S.L.C. Public Examination in the previous year and we are proud to let you know that we could se cure a higher percentage of success than the Pre sidency average . The School is now running in proper lines and according to the conditions laid down in the Madras Educational Rules.

But the School Managing Committee, due to financial difficulties, has not been able to put up a pucca permanent building to house the School. It is not that we are not earnest or that we are not prepared for sacrifices. The Managing Committee has already spent about Rs.15000. for constructing two semi permanent halls where the classes are now conducted. Besides defraying the expenses to meet the day to day needs of the institutions this lump sum of Rs15000.has been a big strain on the Managing Committee. We therefore request that the Government of Madras may please extend their philanthropic hands to our aid. For completing the bildings in view (a eey copy of the plan of which is attached) we have prepared a general estimate of Rs.50000. and the Managing Committee is prepared to meet half that amount.

(IV) 15

It will be a great boon to the people of this area if the Government comes to the aid of this institution by putting it on a permanent footing. Your wide knowledge of the local conditions in Malabar will help you to understand the justice in our request.

Thanking you and assuring you our sincere support in your efforts to progress the cause of education in this province,

R. Chithira Menon

Rc 367 D2/49 dated 21-11-49

Sir,

Subject: Grant Building - Mookkuthala High School, Nannamukku - Construction of building - inclusion of scheme

Reference Government Memo No. 52464 B1/49-1 Edn dated 19-7-49
My letter Rc 367 D2/49 dated 27-9-49

The above school has a strength of 259 pupils distributed in Forms I to VI. The school is held in thatched sheds with no proper partitions separating the classes. The accommodation is inadequate and not quite satisfactory. One of the condition of recognition is that a pucca building on approved plans should be provided for the school at an early date. To satisfy the above departmental requirements, the management of the school have decided to construct extensions to the building at a cost Rs 50,000/-

2. The existing building in which the classes are now running will be used for providing staff room, reading room, retiring room, school museum, games and office room, when the new construction is completed. The new building proposed to be put up will house the regular classes, Special class, laboratory, reading room, Library, retiring room for girls and a staff room.

3. The school is located in an educationally backward area. The management states that it is prepared to meet its share of the cost of the scheme. No building grant was paid to the school in previous years. The present scheme is based upon enrolment and the present accommodation is not adequate. Extension is therefore needed.

In the above circumstances the present scheme may be included in the list of approved works.

Yours faithfully,

for Director of Public Instruction

From the D.P.I. R.C.No 62 D2/48 dated 27-10-1949 and 11-11-49
do. no 367 D2/49 & 27.11.49 p20 of

Order No 86 Education dated 11-1-50
Ms

The Government sanction the inclusion in the list of approved works of the schemes for the construction of buildings for aided secondary schools for boys and girls specified in the annexure to this order. While this approval does not convey any guarantee of grant, it will render the institutions eligible for a grant up to one half of the cost of construction of buildings not exceeding Rs 35,000 under the provisions of the Grant-in-Aid Code if and when funds become available provided all the conditions prescribed in the Grant-in-Aid Code are duly complied with.

2. The action of the management of the M.N.M. High school, Gudavalle (Guntur Dt) and of the Ramakrishna Mission High School, Allur (Nellore Dt) in having started the construction of the buildings before the inclusion of the schemes ~~were included~~ in the list of approved works, was not in order. The irregularity is however condoned as a special case. The grant will be based upon the valuation of the work by the local Public Works Dept

Education and Public Health Dept

Part II scheme for 1950-51-Supplementary Note.

(Subject: Grants for the construction of buildings for secondary schools under private managements) .

Summary

Head of Account	Item of expenditure	Non-recurring Ultimate cost	Non-recurring Cost in 1950-51.
1	2	~~Rs~~ 3	~~Rs~~ 4
37 g Education - Secondary-Direct grants to non-Govt secondary schools A General-3-Buildings-Voted	Building grants to Non-Govt secondary schools	1,51,900	50,000

Explanatory Note.

Grants towards the cost of construction of buildings for secondary schools under private managements are sanctioned and disbursed in accordance with the rules in Chapter VIII of the Grant-in-Aid Code. Under these rules, the D.P.I. maintains a list of schemes approved from a technical point of view and recommends for the consideration of Govt every year such new schemes out of the list for which provision should be made for payment of grant in the next year's budget.

2. This Department have already recommended that a provision of Rs 3 lakhs may be made in the next year's budget for ~~in part~~ payment of grants towards the construction of buildings for 27 secondary schools for boys and 12 secondary schools for girls involving an ultimate non-recurring cost of Rs 9,89,600. Subsequent to the framing of the estimate, sanction has been accorded for the inclusion in the list of approved works of six new schemes for the construction of buildings specified in the Annexure. The payment of grants for these schmes will be limited to onehalf of the cost of contruction subject to a maximum of Rs 35,000 for each scheme. The ultimate cost involved in the payment of grants for these schemes is Rs 1,51,900 and the cost in 1950-51 is Rs 50,000 as shown in the summary at the top. If provision is not now included for these schemes, the question will have to be considered again in a Part II scheme for 1951-52. As two of the schemes are already under execution, it is considered that provision may be made for

GOVERNMENT OF MADRAS.
Education and Public Health Department.
G.O.Ms.No.270 Education dated 2nd February 1950.
-:-
Abstract.

GRANTS - Buildings - Six Non-Government Secondary Schools 1949-50 Sanctioned.

-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-

ORDER:

The Government sanction grants not exceeding one half of the actual cost of construction of buildings for the six secondary schools specified in the annexure to this order, subject to the maximum limits specified, in accordance with the provisions of the Grant-in-Aid Code. The Director of Public Instruction is requested to communicate the orders to the managements concerned immediately and instruct them that, in the case of works which have been executed on which are under execution, they should claim the grant due on the basis of the expenditure actually incurred with the grant before the end of the current year. / necessary certificates so as to enable the disbursement of the

2. The expenditure on the payment of grants now sanctioned should be debited to "37.g. Education - Secondary - Direct grants to non-Government secondary schools - A. General - 3. Buildings " - The Accountant-General is requested to admit the expenditure pending provision of funds in due course. The Director of Public Instruction is requested to suggest the additional allotment to be obtained, if any, taking into account the schemes for which grants have already been sanctioned in G.O.No.2406 Education dated 25-7-1949.

(By order of His Excellency the Governor)

J.M.LOBO PRABHU,
Secretary to Government.

To the Director of Public Instruction.
To the Accountant-General through Finance.
To the Finance B.G. Department for inclusion in the list of New Service.

--True copy--Forwarded-- By order--

K.S. Krishnaswami
Superintendent.
S/C.

Grants - Buildings - Non-Govt Secondary schools - Inclusion of schemes in the list of approved works.

From the D.P.I. R.C.No 62/D/2/48 dated 13-10-19,19-10-49 and 11-11-49
Do R.C.No 367 D2/49 dated 21-11-49

In connection with the proposal of the D.P.I. for the inclusion of certain schemes for the construction of buildings for aided secondary schools for boys and girls, the Director was asked in Memo No 36796 B1/49 -5 Education dated 2-8-49 to furnish certain particulars to enable Govt to make a selection out of them in the order of priority. As the reply was not received in time and as it was necessary to consider whether any provision should be made for those schemes in the Part II estimates for 1950-51, orders were taken in circu tion inregard to the inclusion of the schemes in the list of approved works and for providing funds for the payment of grants in Part II of the budget for 1950-51. Orders were accordingly issued (1) In G.O. No 3258 Education dated 25-10-49 sanctioning the inclusion of 8 schemes which had already been commenced prior to their inclusion in the list of approved works; & (2) in G.O. No 3710 Education dated 2-12-49 sanctioning the inclusion of 27 new schemes out of the 28 schemes which had been recommended by the D.P.I.- The only scheme the inclusion of which was not sanctioned is the one relating to the S.I.Ry High school, Golden Rock, as it is a Central Govt institution.

2. The D.P.I. has submitted a list furnishing the particulars called for . On a scrutiny of the list it is noticed that the D.P.I. has recommended the following two schemes which had already been commenced prior to inclusion in the listof approved works

	Estimated cost Rs	Maximum grant admissible Rs.
(1) M.N.M. High school, Gudavalle, (Guntur Dt)-Construction of a building	1,12,000	35,000

	Estimated cost Rs	Maximum grant admissible Rs
(2.) Ramakrishna Mission High school, Allur - Nellore Dt - Construction of seven rooms and laboratory	46,300	23,150

3. The Director has also recommended for inclusion in the list of approved works the following new schemes to be ~~newly executed~~ taken up for execution

(1.) Taylor High school for boys, Narasapur - West Godavari - ~~Additions and alterations~~ Dt. construction of a first floor.	11,000	5,500
(2.) Mookuthala High school, Nannamookku, Malabar Dt - Extension to the buildings	50,000	25,000
(3.) M.M. High school, Ketti, The Nilgiris Dt - Construction of a new building	56,400	28,200
(4.) St Mary's girls High school, Mangalore - ~~South Kanara~~ Construction of a ~~S~~Storeyed building	70,000	35,000
		1,51,850

4. The Govt have already included in the list of approved works a large number of new schemes in the current year involving an ultimate liability of Rs 9.89 lakhs which will have to be spread over a period of at least three years for making provision in the budget for payment of grants. In the prevailing financial stringency, it is for consideration whether Govt should sanction the inclusion in the list of approved works any further new schemes. If they are now placed in the list of approved works, the question of making provision for sanctioning grants to those schemes will normally have to be considered in connection with the Part II estimates for 1951-52. If however it is considered that provision should be made for all for any of these schemes in 1950-51 itself, H.M.(Edn and Law) will have to press for making some additional provision over and above that specified in the note on the Part II scheme for building grants for non-Govt Secondary schools for 1950-51 when the Part II schemes are taken up for consideration by the S.F.C and Cabinet. An addl provision of Rs 50.000 will be necessary if all the Schemes are to be sanctioned in 1950-51.

The file may be circulated to H.M.(Edn and Law) for orders.

Please see below. 22-12-49

21-12-49

All the six schemes mentioned above, may be included in the approved list. In the case of items (1) and (2) in para 2 above, schemes relating to the schools at Gudavalle and Allur), the action of the managements in having commenced the construction of the buildings prior to the inclusion of the schemes in the approved list, may also be condoned, as has been done

A

in respect of eight schemes specified in GoNs 3258 Edn. dated 25-10-49.

2. As regards the question of provision of funds for payment of grants in respect of these schemes, the alternative procedure mentioned in para 4 on page 2 ante will have to be followed. Fin may see prior to circulation.

22-12-49

S/22/12/Fin

Fin (Exp-A).

Please see the notes on pp 1-3 above. In view of the position stated by the D.P.I in para: 2 of his letter on p. 13 C.F, the proposal of E & P.H at 'A' on pp 2-3 above may be agreed to.

2. As regards the ~~question of~~ provision of funds ~~raised~~ referred to in para: 4 on p. 2 above and para: 2 above, attention is invited to the Finance Dept's note pp 14-15 N.F of G.O. No 3710 Edn. dated 2-12-1949. In accordance with the suggestion of this Dept's, the Govt have agreed that the provision to be included in the next year's budget may be limited to Rs. 1·50 lakhs in respect of 27 schools then proposed to be included in the 'approved list' ~~involving~~ a total liability of Rs. 7 lakhs on payment of grants-in-aid. In the same way, Finance may suggest that the schemes now proposed may also be included in the 'approved list' ~~which~~ involve an additional liability of about Rs. 1·52 lakhs, but the provision of Rs. 1·50 lakhs proposed to be included in Part II of the Budget for 1950-51 need not be increased on that account.

23.12.49. The proposal to include two Schemes which are already in progress and four new schemes in the approved list may be agreed to. It is now too late to consider the provision for these Schemes in connection with the Part II Schemes for 1950-1 as the note on similar schemes received in time for consideration in connection with the Part II Budget for 1950-1 has already been prepared and vetted - Cf. the Copy of the note placed below. In this note, a lump sum provision of Rs. 3 lakhs is

E&P.H.U.O. No. B 3477 B/49-1 Edn B 22.12.49

23.V

G

proposed for all the schemes involving an ultimate liability of Rs. 9.90 lakhs, ~~which~~ roughly 1/3 of the ultimate liability is proposed to be provided for in the Budget for 1950-1. On this basis, the six schemes under consideration, estimated to cost Rs. 1.52 lakhs ultimately, require a provision of Rs. .50 lakh in 1950-1. ~~Sri~~ P.H. proposes that H.M. (Edn.) may press for the provision of this amount in the next year's Budget when Part II Schemes are taken up for consideration by the S.F.C. and the Cabinet. This procedure is generally adopted in respect of emergent, but belated Part II Schemes. In the present case, there seems to be no such emergency. The provision required for the new schemes may be considered in connection with the Part II Schemes for 1951-2. If, however, Sri P.H. considers that provision for these six schemes also should be made in the Budget for 1950-1, they may be requested to take orders in circulation, including H.M. (Finance), and send a supplementary ~~note~~ to Part II Scheme note so as to reach this department not later than the 27th December, 1949.

23/XII/49 — A.S. 1/8 — 23.12.49 — as above

E & P.H.

E & P.H. (B.)

The proposal in the file relates to the question of inclusion in the list of approved works of ~~six~~ four schemes for construction of buildings for Secondary schools for boys and girls and for making provision of funds for sanctioning grants to those schemes. The notes from page 1 ante may be perused. Finance Deptt have agreed to the proposal of this Deptt that all the six schemes specified on pp. 1-2 ante may be included in the list of approved works. As regards the question of provision of funds for sanctioning grants to these schemes, Finance suggest that orders may be taken in circulation to H.M. (E&L) and H.M. (Fin) whether any provision should be made for payment of grants these six schemes in the B.E for 1950-51. ~~It is for consideration~~ whether the suggestion of Finance may be accepted. The ultimate liability involved in this proposal comes to Rs 1.51 lakhs.

This procedure may be followed — 23/12/49 — 27/12/49

ASSISTANT SE 29260 28 DEC 1954 HEALTH, EDUCATION & LCG. I F...

P23+24cf(C)

Sir,

Sub: GRANT - Building - M.M.High School, Ketti - construction of a new building Payment of grant.

REF: G.O.Ms.No.86.Edn. dated 11.1.1950.

P 23+24cf(C) P 24 item no 5 (C)

The scheme for the construction of a new building for the M.M.High School, Ketti, at an estimated cost of Rs.56,400/- rendering the school eligible for a half grant of Rs.28,200/- was approved in the G.O. cited. The Joint Consulting Architect to Government, who scrutinised the plans and estimates approved the scheme for Rs.74,000/- and the scheme was accordingly placed in the list of approved works at an estimated cost of Rs.74,000/- rendering the management eligible for a grant up to one half of the estimated cost not exceeding Rs.35,000/- in my proceedings Rc.405.D2/49, dated 18.9.1950. The management have completed the work and have applied for the payment of grant.

Tenders were invited for the work and the work was entrusted to the tenderer at a cost of Rs.63,678/- as recommended by the Joint Consulting Architect to Government in his note dated 4.8.1951. The construction was completed at a cost of Rs.73,971.13.6.. The difference between the actual expenditure incurred and the tendered amount is Rs.10,294/-. In the completion certificate, the reasons for the excess expenditure over the tendered amount have been furnished by the correspondent and the Consulting Architect to Government, who was consulted, has stated that the payment of grant towards the scheme may be based on the actual amount spent by the management as the tendered amount has been exceeded only because of certain desirable and essential modifications.

In the G.O. sanctioning the inclusion of the scheme in the list of approved works, a grant of Rs.28,200/- only has been sanctioned. In the circumstances explained above I request that the balance of Grant of Rs.6,800/- (i.e.Rs.35,000 Rs.28,200) may be sanctioned for payment during the current year towards the scheme under reference. The amount can be met by appropriation of the amount sanctioned under the head "37.g. Education -Secondary - Direct Grants to Non.Government Secondary Schools -A- General -A3- Buildings -Voted" in the Budget Estimat for 1954-55.

Yours faithfully,

for Director of Public Instructio

Sub:-GRANT - Building - M.M. High School, Ketti - Construction of a new building - Payment of grant.

Ref:- From the D.P.I., Rc.405 D6/49, dt.21-12-54.

In 1950, a subsidy of Rs.28,200/- was promised to the management of the M.M. High School for Boys, Ketti, towards the construction of new building for the school, as the cost of the work was, then estimated at Rs.56,400/-. The D.P.I. now reports that with reference to the plans and estimates as approved by the Joint Consulting Architect, the total cost of the scheme was revised Rs.74,000. The management is eligible for a grant of Rs.35,000/- for the building scheme against Rs.28,200/- already fixed. The Dir. requests that he may be authorised to sanction the balance of the grant of Rs.6,800/- due for the work. For orders whether the maximum grant may be raised and the Dir. authorised to disburse the balance of the grant due. A draft Memo is submitted.
