From

The Secretary to Government,
Education and Public Health Department.

Rc 365 D6/49 dated 23.2.50

Sir,

Subject: Grant - Play ground - Aided Secondary Schools -
Provision of adequate play ground - acquisition
or purchase - allotment in 1949--1950 - grant
sanction

Reference: G.O. Ms. No. 3264 Edn dated 26.10.49

With reference to para 3 of the G.O. cited, I submit herewith a list of schemes with necessary details, which ~~require~~ require the sanction of Government, as the amount of grant payable on account of each scheme exceeds Rs 2500/- the limit fixed by Government in para 1 of the same G.O.

2. The managements (1 to 4 in the list) are willing to restrict their claim of grant with reference to the limit regarding the cost of land fixed by Government. (Para 1 (ii) of the G.O. cited above)

3. The grant will be limited to one half of the actual cost or half the valuation of the land by the Revenue Department whichever is less subject to the maximum price per acre fixed by Government. In anticipation of Government approval, the managements concerned are being requested to take steps to purchase the sites under consideration and submit the valuation statement of the sites from the Revenue Department.

4. As the grant involved in each case is less than Rs 4,000/- the examination of title may be dispensed with, subject to an undertaking being taken from the managements to use the sites as play grounds for not less than thirty years. (Permitted in Government Memo No. 78354/47-12 CL Edn dated 2.12.48). This undertaking is also being called for.

5. Hindu High School, Triplicane

The scheme is for the acquisition of the ~~slip~~ dilapidated houses on plot 2724/1 for the extension of the school play ground for use as school drill ground. The property after acquisition was given possession in February 1949. The actual cost of acquisition already paid is Rs 5028-10-7.

But the owner filed a suit for higher valuation. The Chief Judge is reported to have fixed the valuation at Rs 10,627-12-5 plus 15% solatium i.e. 1221.12.5. The management propose to prefer an appeal against this decision.

As the management has incurred the expenditure and is in possession of the property, this scheme may also be considered and a half grant on the cost of acquisition incurred already i.e. Rs 5028/2 = Rs 2514/- sanctioned.

6. Muslim High School, Melapalayam:

The management acquired 4.59 acres of land for use as play ground at a cost of Rs 5078/- The acquisition award has been passed for Rs 5078/- It is observed from the award that the amount comprises the following :
