Sir,

Elementary schools - Plantation areas in the
Nilgiris and Malabar Districts - Orders -passed-
G.O.Ms.No.2198-Edn., dated 8th July 1949.
District Educational Officer, North Malabar, Roc.
No.327-E/49 dated 23rd Jan.1950.

The District Educational Officer, North Malabar
reports (copy attached) that the Estate authorities are quite
reluctant to provide suitable sites and rent buildings to locate
the proposed schools. No private building is also available
within the estate for housing the schools.

He, therefore, approached local gentlemen, two of
whom have generously agreed to place buildings at the disposal
of the board on rent. But the sites are away from the estates.
One is reported to be at 'Uppupara', a few yards away from the
boundary of the Nedumbala division of Kardoora Estate and the
other 6 furlongs off Poothumala Estate.

The District Educational Officer points out the
absolute necessity for educational facilities in the localities.
He recommends the opening of the schools in the building furnished.

In the circumstances explained by the District
Educational Officer, I request that I may kindly be intimated
whether the proposed schools may be opened at the site suggested
by him and if opened, whether subsidy will be granted. Early
orders may be passed.

Copy forwarded to the President, Malabar District Board with reference to his REF.E.1.29890/49 dated 14-10-49.

2. The two persons who have agreed to put up the buildings may be addressed for the matter. Their petitions are enclosed. It is requested that urgent action may kindly be taken so that the schools might be opened at least by the end of February 1950.

Elementary schools - Plantation areas in Malabar District
Opening of new board schools - near Kardoora and Pootha-
malla estates - availability of buildings - report sub-
mitted.

Roc.No.327-E/49 dated 26-10-49 of the D.E.O.North Malabar.

The Estate authorities seem to adopt a very unsympathetic attitude on the matter of provision of rented accommodation for the two proposed schools and they have now informed me that they cannot commit themselves to any expenditure on the provision of school buildings. In such circumstances the opening of schools within the estates themselves is difficult and therefore other persons had to be approached for construction of rented school buildings outside estate levels but near them.

2. Janab T.V. Abdurahiman, merchant and Labour contractor, Meppadi, has agreed to put up a building at Uppupara within a few yards of the boundary of the Nedumbala Division of Kardoora Estate. In his written statement dated 20-12-1949, (enclosed herewith) he states that he is prepared to put a temporary shed for the time being within a fortnight of the receipt of orders from the President Malabar District Board. He also agreed to provide a permanent building within a period of six months.

3. As for provision of building for the proposed school at Poothoomalla, I have to submit that Janab M.P. Kunhimoossa, merchant, Neelikup Post Puthumala, prepared to provide a building. A tiled building owned by him and situated on the road side within 6 furlongs of Poothoomalla estate is available. It was originally intended to serve as cooly lines and therefore it has to be suitably modified before being used as school building. In his written consent dated 20th December 1949 (enclosed herewith) he has agreed to effect necessary alterations to the Northern half of the above building and to render the same suitable for school purposes within a month of receipt of orders from the President, Malabar District Board. The northern half of the building when suitably modified would be sufficient for 56 children.

4. I visited both the sites on 20-12-49 and I find that the labourers and the public living in the two localities are very anxious to see that the schools are opened at a very early date. I am of opinion that no other person would be available to put up a building at Poothoomalla which can be exclusively used for school purposes.

5. In the above circumstances I request that the President, Malabar District Board may kindly be addressed to issue early orders to the persons mentioned above in accordance with the conditions agreed to by them, so as to enable the two schools at Nidumbala and Poothoomalla and to be opened at least by the end of February 1950.
