Enclosures: Roc. E5- No. 29861 - 49 dated 5th October 1949.

Sir,

ESTABLISHMENT - Appointment of Elementary school Teachers
Men and women - adoption of new communal rotation order-
maintenance of single communal rotation register-orders-
requested.

Ref; 1. G.O.No.2650-L.A. dated 5-7-1939
2. G.O.No.291 - L.A. dated 16-2-49
3. Government Memo No.22263-2G-dated 17-6-49.

As per rule 1(1) of G.O.No.2650 L.A. dated 5-7-1939
subsequently amended, separate communal rotation has to be observed for
the appointment of teachers in Elementary schools for men and women.
Now as per instructions in Government memorandum No. 64431-B2-Edn.
dated 10-9-48 a single seniority list for men and women is maintained.
Besides, the question of amalgamating the boys' and girls' schools is
also receiving attention in view of circular G.No.1397-B1-48 dated
1-7-48 of the Director of Public Instruction, Madras and D.O. letter
dated 13-8-48 of the Hon'ble Minister for Education.

In these circumstances, I request to be informed whether
separate communal rotation order is still to be maintained for the
appointment of men and women teachers in Elementary schools or one
communal rotation order is enough for both the appointments, as they
do not appear to form separate categories of posts in District Board
Service in the existing circumstances.

Read: Government Memorandum No.78314-B2/49-1 Ldn dated 24-10-49.

In their Memorandum No.34431-B2 Education dated 10-9-48
the Government have ordered that only one seniority list should
be maintained for all teachers including women teachers in elementary
schools. As such there is no necessity for the local bodies to
draw up two separate communal rotation registers for Men and Women.
Moreover, the Government have also abolished the distinction hitherto
maintained between elementary schools for boys and girls and the
women teachers in elementary schools have been adequately protected
from discharge from service. Hence it is suggested that the word
"Men" in item No.(7) and also the whole item No.(8) in Annexure
I to G.O.No.2650 Local Administration dated 5-7-1939 may be deleted.

SUB: E.L.E. EDN. - Local Bodies - Teachers - Maintenance of single communal rotation register.

Read: From the President, Dt.Bd., Salem No. E5229861/ dated 5-10-49.

From the D.P.I., No. 2367-B2/49 dated 24-11-49.

Under the rules, relating to representation of communities in the services under Dt.Bds., published w G.O. No. 2650, L.A., dated 5-7-39, each Dt.Bd., should observe ^{separate} communal rotation for the appointment of teachers in elementary schools for men and women. Recently, instructions were issued to local bodies, that a single seniority list for both men and women teachers in elementary schools, should be maintained. The Pdt., Dt.Bd., Salem now enquires whether in view of these instructions and of the reason at 'M' on p.1 c.f., the system of observing separate communal rotation order for the appointment of men and women teachers in ele.schools should still be continued. The Director suggests that the system may be discontinued and has proposed amendments to the rules, framed in G.O. No. 2650, L.A., dated 5-7-39. ~~For orders whether his suggestion may be accepted.~~ In view of the fact that the policy of maintaining separate girls schools has been given up, the need for observing ^{separate} communal rotation may be dispensed with.
