Sir,

Subject: Legislative Assembly Question No. 167 - Schools -
Secondary - Number of Schools following the
S.S.L.C. Scheme of 1929.

Reference Govt. Memo No. 74039 B1/49-1 Edn dated 28-9-49

I furnish below the information required to
answer the question

90179
p. 5m/vra
Question (a): In my proceedings Re No. 2737 E1/47 dated 21-7-49. (copy enclosed) heads of schools were permitted to choose between the 1929 S.S.L.C. Scheme and the re-organised Scheme of Secondary Education in respect of languages during the transitory period. Subsequently, it was represented to me that as the choice permitted was in respect of the entire strength of the school, it causes hardship to some pupils. I have therefore issued instructions, in my proceedings Re No. 2737 E1/47 dated 24-10-49 (copy submitted), leaving the choice of selection to the discretion of the pupils. With reference to these Proceedings it may happen that there will be two sets of pupils in a school, one set following the languages as per the 1929 S.S.L.C. scheme and the other set ~~following~~ as per the Re-organised scheme of Secondary Education. Since these proceedings were issued very recently it will take some time before pupils make their choice and heads of schools arrange the courses according to the requirements of the pupils with reference to the scheme they have chosen. I may point out here that heads of schools were required to intimate to the Secretary to the Board of Secondary Education by 31st July each year, the number of pupils under each of the schemes, that will appear for the S.S.L.C. Public Examination 1951 and in succeeding years. Statistics wanted will be obtained and submitted to Government in due course, if necessary.

Question (b):- With reference to my recent orders referred to in question (a), pupils are given the option to elect the scheme they want. Before that, it was ordered that heads of schools should make their choice. A few Special Officers of District Boards ordered the adoption of one particular scheme, but the District Educational Officers were requested to inform the Special Officers that the heads of schools are the authority competent to make the choice.

Yours faithfully,

Shrinivasan

SUBJECT:- EDUCATION -- Secondary -- Reorganisation -- Study
of languages.

(ii) Replies from the Inspecting Officers on (i)

From the replies received from the Inspecting Officers it is observed that a majority of the schools are strongly in favour of following the 1929 scheme in respect of languages. At the same time some schools who followed the Reorganised Scheme of Secondary Education during 1948-49 desire to continue to follow the Reorganised Scheme.

In supersession of all previous orders on the subject, the undermentioned officers are now informed that the permission of the Director is not necessary for following the 1929 Scheme in respect of languages during the transitional period i.e. in Forms III to V during 1949-50, IV to VI during 1950-51 and in the next higher Forms in the succeeding years. It is left to the discretion of schools to choose between the 1929 scheme and the Reorganised Scheme of Secondary Education in respect of languages and to arrange the courses accordingly.

Heads of schools should make their choice immediately and intimate their choice to the Director through the District Educational Officers or Inspectresses of Girls Schools on or before 5-8-1949. Once a choice is made, schools will not be permitted to go back on it.

The undermentioned officers are requested to submit to the Director on or before 10-8-1949 a consolidated list of schools following the languages under the two different schemes. The list should be complete.

SRI S. PARAMANANDA RAYAR:—“Is it not interference, pure and simple, by the management in matters of the educational setup?”

THE HON. SRI K. MADHAVA MENON:—“That is what I said, Sir, that the management has no business to interfere in this matter.”

Honoured Sir,

Re: Half Fee Concession to Viswakarma Students.

We have received several complaints from different parts of our province that half fee concession is refused to our members for the simple reason that the name of this community is written as VISWAKARMA and not as KAMMALA or Viswabrahmin.

Government are aware that "Viswabrahmin", "Viswakarma", "Kammala" etc are synonymous names of one and the same community and as such fee concession should not be refused for not writing the name as Kammala or Viswabrahmin.

The majority of the members prefer VISWAKARMA and do not wish to call themselves as VISWABRAHMIN.

Hence, we request that Government will be pleased to pass orders instructing the Educational authorities to include the name of "VISWAKARMA" also in the list of educationally backward communities other than the scheduled classes, along with the name "VISWABRAHMIN" ^{delete the word}

Hope this will receive the early attention of the Government.
