No.F.4-2/47-S.II.
GOVERNMENT OF INDIA
MINISTRY OF EDUCATION

NEW DELHI 3, THE 17 MAY, 1949.

From

Dr. Tara Chand M.A., D. Phil.,
Secretary to the Govt. of India.

To

The First Secretary,
Education, Department,
Indian Embassy,
Washington D.C.

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT.
20 MAY 1

38835

Subject: OVERSEAS SCHOLARSHIP SCHEME - 1947-48 - DEPUTATION OF MADRAS GOVT. SERVANTS UNDER THE - FOR HIGHER TECHNICAL STUDIES.

.....

Sir,

I am directed to forward herewith a copy of letter No. 78785-A/46-35-Education dated the 22nd April, 1949, (together with enclosures as noted therein) from the Government of Madras in connection with the admission of the marginally noted candidates to educational Institutions in the United States of America. The application forms and other relevant documents as submitted by these candidates are also attached.

1. Dr. S. Gopalakrishnamurathi.
2. Shri. A. Parthasarathy.
3. Miss. A.R. Irawathy.
4. Sri K. Umamahesawara Rao.

P/136

Though the applications are not in the form prescribed for American Universities, they are nevertheless being forwarded for information and for such action as may be possible at present. The Madras Government are being asked to send direct to you fresh applications on the forms prescribed, as also copies of credentials as desired by the American Universities.

Receipt of this letter may kindly be acknowledged.

Yours faithfully

Sd/-
(VIKRAM SINGH)
for Secretary.

P. T. O.

3

Copy forwarded to the Secretary to the Government of Madras Education and Public Health Department, Madras with reference to letter No. 78785-A/46-35, Education, dated the 22nd April, 1949.

(P)/136

The American Universities required application for admission to be submitted on a prescribed form. 8 Copies of these forms are attached.

The authorities of the California University have special requirements in regard to the submission of credentials etc., but in discussions with the Indian Embassy they have agreed to make exceptions in the case of Indian Students. ~~Their Their~~ Their present requirements are ~~are~~ set out in the attached extract from d.o. letter No. H.05.01, dated the 15th March, 1949 from the First Secretary, Indian Embassy, Washington to this Ministry. Though these are particular to the University of California, it would be ~~admissible~~ advisable to adopt them in regard to all other universities etc. in the United States of America.

p. 3 infra

It is requested therefore that the 4 candidates in question should be asked to fill in the prescribed application forms (in duplicate) and also arrange to get copies of their credentials etc. as required. The complete papers may then be forwarded by you direct to the Indian Embassy, Washington, under advice to this Ministry.

This may kindly be treated as Immediate.

By order

Vikram Singh 16/5

(VIKRAM SINGH)
for Secretary.

Extract of letter No.H.05.01 dated 15th March'49, from Mr. Ashfaque Husain, First Secretary, Education Department, Embassy of India, Washington, D.C., addressed to Mrs. Johari, New Delhi.

X X 4 X

"I have already written to you several times about the question of documents which have to be produced along with applications for admission. At along last I have been able, during my recent visit to Berkeley and after a very long personal discussion with Dean Stewart, to arrive at an agreement in this matter as far as the University of California is concerned. That agreement is as follows:- "All diplomas, examination certificates, and marks sheets accompanying applications for admission to the Graduate division of the University of California must be either (a) originals, or (b) duplicates of originals, or (c) photostats or photostatic copies, or (d) typed copies certified as true copies by one of the following: (1) a Dean or Registrar of the University concerned; (2) the Minister of Education of the Government of India, or his Deputy (3) The Chief Officer of the Education Department of a Provincial Govt; (4) the Director of Public Instruction (or the Director of Education) of a province or state. In each case, the certified copy must bear the formal seal of office and the signature of the authority concerned." My own advice is that the most practical & safe course will be for students to keep all the originals with them, as otherwise they may get lost in transit, and to attache~~d~~ to their applications either duplicates of originals or photostats or photographic copies. It is true that Dean Stewart has at last agreed to accept typed copies certified as true by, among others, a dean or registrar of the University concerned, but one never knows when a particular officer of a university or of the U.S. Office of Education may turn~~ed~~ round and say, as they have already said to me on certain occasions, that the signatures on the attested copies do not

4/

mean anything to them.

It is essential that marks sheets should always accompany an application."

Very Urgent.

Columbus 10, Ohio

June 7th, 1949

Professor Sreepada Gopal Krishnamurty
Department of Physics,
Presidency College,
Madras, South India

Dear Professor Krishnamurty:

You have been accepted for admission to the Ohio State University. You may enter at the beginning of the autumn quarter which opens on September 27th. If you are not able to arrive at that time, you may enter for the winter quarter which opens on January 3. Application forms may be filled out after you come to the campus. At that time arrangements may also be made for housing. I am enclosing three copies of a letter of acceptance which you may use in securing transportation.

This admission is with the understanding that we will have no financial aid to offer you. You should not come to this country unless you have sufficient financial resources to take care of all university fees and personal expenses during your stay here.

Yours very truly,

Sd. Ronald B. Thompson,
Registrar and University Examiner

10 SEP 1949

Subject: Advanced studies abroad in respect of Mr. Kunapuli Umamaheswara Rao - 1947-48 Madras Government deputationist.

....

Sir,

I am directed p.1 ante to refer to this Ministry endorsement No. F.4-2/47 S.2 dated 17th May, 1949 on the subject mentioned above in so far as it relates to Mr. K. Umamaheswara Rao, and to forward herewith copies of letters No. G.482/47/49 dated 15th June, 1949 with enclosures and 2nd August, 1949 from the Indian Embassy, Washington. In this connection, I am to state that in view of the position explained to the Provincial Government in this Ministry letter No. F.33-46/49 S.I dated 11th August, 1949, the Government of India are not agreeable to the deputation to the U.S.A. of Mr. Kunapuli Ummamaheswara Rao, for advanced studies in 'Experimental Psychology' at the entire cost of the Provincial Government. They have however, no objection to Mr. Rao's being deputed abroad in soft currency areas at the entire cost of the Provincial Government for the desired training. I am, therefore, to request you kindly to intimate to this Ministry immediately alternative institutions in soft currency area where admission may be tried, if the Provincial Government are still willing to depute Mr. Rao for advanced studies overseas.

Subject: Overseas Scholarship Scheme - 1947-8
Madras Goverment servants under the
scheme for Higher Technical Studies.

I am directed to refer to your F.4-2/47 S.II dated 17th May, 1949 insofar as Mr. Kunapuli Umamaheswara Rao is concerned and to say that we have received a reply from Columbia Technical College, I quote from their letter as follows:

"I have now had the opportunity to examine the credentials that were submitted here in support of the application for admission of Mr. Kunapuli Umamaheswara Rao. Although these are not official credentials, it appears that he will be eligible for admission provided he chooses a major area in which he has the proper prerequisites. I am, therefore, enclosing application forms which he should fill out and return to us. He should also submit official records of his work leading towards a Bachelor of Arts Degree, Bachelor of Education Degree and Master of Education Degree. As soon as all the above mentioned information has been received, a final statement can be made regarding his eligibility for admission."

The enclosed application form should be completed by Mr. Rao and returned to this Embassy urgently together with the documents requested by the College.

Copy of letter No. G.482/47/49 dated the 2nd August, 1949 from the Indian Embassy Washington to the Ministry of Education Government of India, New Delhi.

******

I am directed to refer to my letter of even number, dated June 15th concerning the case of Mr. Kunapuli Umamaheswara Rao, 1947-8 Madras Government Servant, and to say that the application form sent to you in our letter under reference should be completed by Mr. Rao and returned to this Embassy urgently for onward transmission to the Columbia Techer's College.

HARVARD UNIVERSITY

GRADUATE SCHOOL OF ENGINEERING

Pierce Hall,
Cambridge 38, Mass.

June 7th, 1949.

Mr. Ashfaque Husain,
First Secretary, Education Dept.,
Embassy of India,
2107 Massachusetts Avenue, N.W.
Washington, D.C.

Dear Mr. Husain:

The application of Mr. Parthasarathy has been referred to this office for consideration. In reply to your letter of May 26, 1949 addressed to Captain Keppler, we have examined Mr. Parthasarathy's application for admission. It was referred to the Graduate School of Engineering, because of his stated interest in engineering geology. The Graduate School of Engineering offers courses in Engineering Geology, and these courses would probably meet the applicant's needs. Courses in the field of petrography can be taken with the Department of Geology.

We have noted that Mr. Parthasarathy obtained a Bachelor of Science degree rather than a Bachelor of Engineering degree. For this reason we do not feel that we could admit him as a candidate for an advanced degree, if he were to stay with us for only one year. If he stayed beyond that time, it might be possible to obtain a Master's degree. Having completed his examination with First Class honors, we would be willing to admit him as a special student, not a candidate for a degree.

In view of these alternatives, we are retaining his application and supporting documents in our files until we hear further from you. In the event that Mr. Parthasarathy wishes to come to Harvard, I am enclosing application forms which should be executed and returned to this office as soon as possible.

pp. 18–24 infra

Very truly yours,

(signed) A. S. Campbell,
Assistant Dean.

HARVARD UNIVERSITY
GRADUATE SCHOOL OF ENGINEERING

In accordance with the vote of the Corporation of Harvard University "that . . . a certificate of successful vaccination satisfactory to the Oliver Professor of Hygiene be required of all new students allowed to register in any Department of the University," it is required that each student submit such a certificate indicating successful vaccination within the last five years, or three failures at vaccination during that period, or that he has had smallpox.

Date .... 19 ....

I hereby certify that

.... (Last name) | .... (First name) | .... (Middle name)

of (Home Address) .... (Street and No.)

.... (City or Town) .... (State)

has been vaccinated by me on the following dates with the following results:

(The only acceptable terms characterizing the reaction are those listed on the back of this sheet. The term "unsuccessful" should not be used, as confusion results whether "immediate" or "failure" is meant.)

DATE	**REACTION**

Physician's signature .... M.D.

.... (Address)

(This vaccination certificate becomes the property of the University and will not be returned to the student)

21

REACTIONS

1. **Primary Take (vaccinia)**

   Seen in those not previously successfully vaccinated or whose immunity from previous vaccination or attack of smallpox has completely disappeared. Papule appears third to fifth day, followed by vesiculation, pustulation and scab formation. Height of reaction reached on eighth to tenth day or later.

2. **Accelerated Reaction (vaccinoid)**

   Seen in those retaining partial immunity from previous vaccination or attack of smallpox. Papule appears on third or fourth day, followed always by vesiculation, frequently by pustulation. Height of reaction usually reached on sixth or seventh day after which it rapidly subsides.

3. **Immune Reaction (immediate reaction)**

   Seen in those having a high degree of immunity from previous vaccination or attack of smallpox. Papule appears within two days and subsides promptly without forming a vesicle.

4. **Failure**

   If none of the above reactions are noted, the vaccination should be considered a failure, and the persons revaccinated. Failures are with rare exceptions due to impotent vaccine or improper technique.

21

Certification of Degree

This Certificate, filled out and signed by the appropriate official of the institution which conferred the degree, is to accompany an application for admission to the Graduate School of Engineering of Harvard University. Following the title of each degree should be a statement concerning the academic standing of the student at the time he received the degree. The academic standing may be indicated in terms of the student's position in class, for example; "first division," or "highest ten per cent of class," or "first out of three hundred graduates," etc.

This is to certify that Mr. ....

13. Studies contemplated:

Field of Engineering (*underscore your field of interest*):

Civil Engineering
  Structures
  Soil Mechanics and Foundations
  Hydraulics

Electrical Engineering
  Power and Electronics

Students wishing to concentrate in the field of Communications (High Frequencies, Electronics, and Acoustics) should apply for admission to the Graduate School of Arts and Sciences.

Mechanical Engineering
  Power and Machinery
  Aeronautical
  Applied Mechanics

Sanitary Engineering
  State and Municipal
  Industrial Hygiene
  Chemistry and Biology

Engineering Administration

Since registration in Engineering Administration is contingent on admission to the Graduate School of Business Administration as well as to the Graduate School of Engineering, an application for admission to the Graduate School of Business Administration will be sent to applicants who are accepted by the Graduate School of Engineering. This application should be returned to the Graduate School of Engineering.

Applicants in Engineering Administration should also underscore the field of engineering in which they are interested.

14. Expected length of study ....

15. Degree sought (*underscore*): Master of Science; Doctor of Science.

If you are not a candidate for a degree, state what special work you wish to undertake.

....

16. Names and addresses of two or more persons, well acquainted with your work, who, at your request, are sending letters about your work to the Dean of the Graduate School of Engineering, Pierce Hall, Cambridge 38, Mass.

No.F.4-2/D.13/47-S.II,
Government of India,
Ministry of Education,

New Delhi 3, Dated the 10/15 September, 1949.

From

The Secretary to the Government of India.

15 SEP 1949

To

The Secretary to the Government of Madras,
Education and Public Health Department,
MADRAS.

SUBJECT:- ADVANCED STUDIES ABROAD IN RESPECT OF MISS A.R. IRAWATHY 1947-48 MADRAS GOVERNMENT DEPUTATIONIST.

Sir,

p.1 ante — pl. see also p.11 ante

7/1257

pp.26 & 28 infra

p.1 (K)

I am directed to refer to this Ministry endorsement No.F.4-2/47-S.II dated 17th May, 1949 on the subject mentioned above in so far as it relates to Miss A. R. Irawathy and to forward herewith copies of letters No.G.481/47/49 dated 6th July, 1949 and G.481/47/49 dated 26th July, 1949 with enclosures from the Indian Embassy Washington. In this connection I am to state that in view of the present policy of the Government of India in regard to the flow of scholars to the U.S.A & other hard currency areas as explained to the Provincial Government in this Ministry circular letter No.F.33-46/49-S.I. dated 11th August, 1949 ~~(copy enclosed)~~, they are not agreeable to the deputation of Miss Irawathy to the United States of America unless circumstances are very special. I am therefore, to suggest that if the Provincial Government are anxious to depute Miss Irawathy for studies abroad, they may kindly intimate to this Ministry urgently, alternative institutions in soft currency areas where efforts may be made to secure her admission. On hearing from you, the Indian Embassy, Washington will be requested to direct the deputationist's papers from the United States of America to the country in the soft currency area that is suggested by the Provincial Government.

Yours faithfully,

Vikram Singh 10/9

(VIKRAM SINGH)
FOR SECRETARY.

Copy of letter No.G.481/47/49 dated the 6th July, 1949 from the Education Secretary, Embassy of India in the U.S.A. to the Secretary to the Government of India, Ministry of Education, New Delhi INDIA.

p.1 ante p.27 ante

I am directed to refer to your letter No.F.4-2/47 S.II, dated May 17th, 1949, in so far as it concerns Miss. A. R. Irawathy and to enclose a copy of a letter which has been received from the Syracuse University. The offer contained in that letter may be accepted unless the Government of Madras are particularly anxious that Miss. Irawathy should obtain a degree or diploma. Moreover, once she is here it will be quite possible for Miss Irawathy to take up a regular course leading to a degree provided she can satisfy the University authorities that she is competent to do so or that it will be of any real benefit to her.

-.-.-.-.-.-.-.-.-.-

COPY

June 30, 1949

Mr. Ashfaque Husain,
Embassy of India,
2107 Massachusetts Avenue, N.W.,
Washington, D.C.

Dear Mr. Husain:

The Committee on Admissions advises that Miss A. R. Irawathy register as a special student. This classification includes, among others, students who do not desire a degree, who wish to be largely independent in the choice of their courses, and students who are matriculated in other universities. Among these students some are of exceptional ability and some whose academic records are less than 1.5 (half way between B and C). Academic averages of less than 1.5 do not warrant regular admission to the Graduate School.

Graduate work is to a very large extent in charge of departments of study. Therefore, it is highly desirable that Miss Irawathy confe with the head of her department in all matters pertaining to graduate work. For instance the exact meaning of this letter in her case could best be explained to her by the head of her department.

It will be necessary for Miss Irawathy to bring with her official transcripts showing the courses she took and the grades she received at the Teachers College, Rangoon, India.

It is only fair to state that Miss Irawathy is admitted to work in the Graduate School with the understanding that she assumes responsibility for her own housing. The Dean of Women will be of such assistance as she can, but the situation is such that the University cannot provide housing in its own dormitories for all of the graduate students.

Sincerely yours,

Sd/- Harry S. Ganders (Sgd.)
Acting Dean.

~~27~~ ~~28~~

Copy of letter No.G.481/47/49 dated the 26th July, 1949 from the Education Secretary, Embassy of India in the United States of America, Washington to the Secretary to the Government of India, Ministry of Education, New Delhi.

p. 26 [illegible]

26

I am directed to refer to my letter of even number dated 6th July, 1949, concerning Miss A. R. Irawathy, 1947 Madras Deputationist and to enclose copy of another letter received from Syracuse University as well as a "room application" blank to be completed by Miss Irawathy and returned to us urgently if this admission is acceptable to the Government of Madras.

below

- -.-.-.-.-.-.-.-.-

SYRACUSE UNIVERSITY

Syracuse 10, New York.

July 11th, 1949,

Mr. Ashfaque Husain
Embassy of India,
2107 Massachusetts A e., N.W.,
Washington, D.C.

Dear Mr. Husain:

Thank you for your letter of July 6th concerning Miss A. R. Irawathy. One reason for her classification as a special student is the fact that we do not have official transcripts showing the marks she obtained.

After special students complete at least 15 hours of graduate work, their records are reviewed. If they show ability to do graduate work at that time, they are then classified as regular degree students. While they are classified as special students they may take the usual courses and examinations.

If we may be of further help, please let me know.

Sincerely yours,

Sd. Harry S. Ganders
Acting Dean.

GRADUATE HOUSING

All undergraduate women students under 25 years of age live in University Women's living centers. Any graduate student or any woman 25 years of age or over may make her own housing arrangements, subject to the approval of the Office of the Dean of Women and in accordance with the regulations that women students may not live in a residence where there are men students.

It is recommended that graduate women either live in the dormitories reserved for graduate women or find accommodations off campus so that they need not be subject to undergraduate rules.

Contracts for room only will be made at the rate of $6 per week for a double room and $7 per week for a single. There are several restaurants within a few blocks of campus and there is also a cafeteria in Slocum Hall where you may get your meals if you desire to eat out. You may, however, have a room and board contract with the University. Arrangments may be made for board after you arrive on campus in the Dean of Women's Office.

Each student in the women's living centers is furnished a single bed, dresser, desk, study lamp, and straight chair. Each room has a comfortable chair also. The University furnishes bed linen and one blanket. Students are responsible for the cleaning of their own rooms. Students furnish their own towels and dresser scarfs. If you desire curtains or drapes and rugs, you should bring them.

All communications regarding women's housing should be addressed to Miss Marjorie C. Smith, Assistant Dean of Women Syracuse University, Syracuse, New York.

ROOM APPLICATION BLANK FOR GRADUATE WOMEN

Sir,

I am directed to refer to your letter No. G.482/47/49, dated 25th August, 1949, on the subject mentioned above, and to refer you to this Ministry endorsement on letter of even No., dated 8th September, 1949, addressed to the Government of Madras. It will be noted therefrom that the Provincial Government have been requested to intimate to this Ministry immediately alternative institutions in a soft currency country where admission for the deputationist may be tried. This decision was taken since the Government of India keeping in view the present economic condition of the country, and the necessity of conserving foreign exchange especially hard currency have decided to restrict the flow of scholars abroad to the United States of America and other hard currency areas. Only in cases where adequate facilities for a particular course of training are not available elsewhere, scholars may be sent to the United States of America or other hard currency countries. As soon as this Ministry receives a reply from the Government of Madras, you will be advised∠to divert the application papers of the deputationist to the authorities in the soft currency country where they may desire that his admission be tried, if they are still keen to depute him for studies abroad.

Presidency College

Sir,

Ref. the enclosed Proceedings.

I am willing to get admitted as a POST GRADUATE STUDENT, doing research in Molecular Spectra for a Ph. D. of London. I request that you will kindly recommend to Govt to agree to my doing Post Graduate Research work for Ph. D, instead of studying a course in Electronics.

I may add, a two years' stay at Imperial College will help me to take the D. Sc of London afterwards by submitting published work, as Dr Patnaik and Dr Bhashyakarla rao of our College could.

I make this request as I have already taken a D. Sc of the Madras university and a Ph. D and then a D. Sc. of London would be in keeping with the training I have had here.

I may be permitted to enclose herewith a letter from the Registrar, Imperial College, in reply to an (S.O.S) letter to Dr Pearse, lecturer in Physics, Imperial College, London, which I sent to Dr Pearse after learning about the devaluation.

I request that Govt kindly fix up a passage for me urgently as I have to reach before 30th ~~October~~ in order to have term days.

Yours faithfully

S. GopalaKrishnaMurty

Dear Mr. Krishna Murty,

With reference to your letter dated the 22nd September to Dr. Pearse, I am glad to inform you that you have been accepted for admission as a postgraduate student in the Physics Department of this College from October, 1949, subject to the satisfactory completion by you of the College application form on your arrival in London. You should bring with you a testimonial from the Professor under whom you work, your original Degree certificates and two copies of a photograph of yourself, passport size.

The admission of all students from overseas is subject to a satisfactory medical examination in this country. You should, therefore, arrange to be examined on arrival in England and let me have the doctor's certificate.

I enclose an extract from the College Prospectus concerning the admission of postgraduate students.

Yours sincerely,

Sd/-

Cf. 46

Commd. to the D.P.I.

2. As it will not be possible for Dr.S.Gopalakrishnamurti to reach London before the 30th October, the travel agents have not been requested to arrange for his passage to U.K. now. The D.P.I. is requested to ask Dr.Gopalakrishnamurti to ascertain from the authorities of the Imperial College of Science and Techy. whether the admission offered to him for the term commencing from October would be kept open for the next term also. The H.C. for India in London and the travel agents will be addressed by this Govt. after the reply from the college is recd.

To the D.P.I. (with copy of C.F.46).

26.10.49 26/10/49

26/10/49

NOTE:- The correspondence at pp.14 and 40-46 C.F. may be seen. The officer has to reach London ~~before the 30th~~ and join the Imperial College of Science and Techy. (there before the 30th inst.) if he is to have the necessary term days. This is impossible. The question of sending him by air cannot be considered in view of the prohibitive cost that that course would involve. Draft above is for approval.

Dear Sir,

Dr. S. Gopalakrishnamurthy. p.57 ack

Your letter No.38833-A/48-15 Edn. of 22/11/49. p.59 ack

Further to our letter of the 23rd inst. we have been advised by the above that he will be in a position to sail anytime after the 15th December. The next possible sailing will be P. & O. Commercial SS. "MALOJA" 17th December from Bombay to London. We have already written to our Bombay Office of his requirements, but we are not now in a position to guarantee that the accommodation will be available. Under the circumstances, please write to the Civil Passage Controller, Ministry of Home Affairs to issue priority for this particular departure.

Yours faithfully,
For THOS.COOK & SON (C&O) LTD.,

Dear Sir,

Dr. S. Gopalakrishnamurthy
Madras Govt. Deputationist - passage to the U.K.

We thank you for your letter No.38833-A.16 p.60 ante Education of the 28th November enclosing copy of your letter No.44074-C2/47-4 Edn. of 7/8/47.

We are also pleased to advise you that we have today confirmed *a tourist class passage for the above by the P. & O. S.S. "MALOJA" 17/12/49 Bombay/UK at £52/- rate.

Yours faithfully,
For THOS. COOK & SON (C&O) LTD.,

16 DEC 1949

Dear Sir,

Dr. S. Gopalakrishnamurthy - Passage to U.K.

We thank you for your letter No.38833-A-17 Education dated 9th December.

p. 64 ante

We confirm that Dr. Gopalakrishnamurthy is booked definitely on P. & O. S.S. "MALOJA" sailing from Bombay on the 17th December for London. The Ministry of Home Affairs need not be approached in this connection since his passage has been obtained out of cancellations.

Passage secured is at £52/- tourist class. P. & O. vessels from Bombay to U.K. carry first and tourist class accommodation only and the rate at which passage is secured for the above is the minimum tourist class on the above steamer. It is also confirmed that the rate of £52/- is not costlier than second class.

Our bill in respect of the arrangements will be sent to you in the course of the next few days for favour of settlement.

Letter above & pp. 66-67 infra: E.P.H. (A)

May be added to file.

Yours faithfully,
For THOS. COOK & SON,

GOVERNMENT OF MADRAS.
Education and Public Health Department.
Letter No. 46483 A/49-3.I.Education.
...

From
Sri J. M. Lobo Prabhu, I.C.S.,
Secretary to the Government of Madras.

To
The Secretary to the Government of India,
Ministry of Education,
New Delhi 3.

95484

Dated Fort St. George, the 3rd December 1949.

Sir,

Sub: Advanced Studies Overseas - 1949-50.
...

I am directed to invite attention to your letter No.F.4-2/D-18/47 S2 dated 5-10-1949 and to the subsequent correspondence relating to the deputation of Mr. M. Muhammad Ghani, an officer of the Madras Government, Education Department, for higher studies in 'English' in the United Kingdom. The Officer was selected for deputation under the old scheme for Overseas studies and it was thought that his deputation would be pursued under that scheme. It was not therefore included in the requirements of this Government submitted in connection with the modified Overseas Scholarships Scheme proposed to be implemented from 1949-50, which was considered to be independent of the old Scheme.

This Government are aware that facilities for the study of English are available in India but they are of the view that it is necessary to send an officer to the United Kingdom for higher studies in that subject for the following reasons. With the ~~retrem~~ retirement of two Professors in 1951 and '52 respectively, there will be no suitable Professor to handle English Honours Classes in the Presidency College, Madras. Though this subject may be one of diminishing importance, yet so long as it is taught upto the Honours standard, it is desirable to keep up atleast the existing standard, for which purpose a Professor trained in an English University is necessary. The facilities available in this Country for the study of this subject are not comparable with those ~~with~~ in the English Universities.

As the Government of India have objected to the deputation of the Officer under the old scheme, I am directed to request that his deputation may be approved under the modified scheme, for which, purpose this Government suggest that the subject 'English' may be substitued for 'Mathematics - Pure' included under 'Edn.-D.Science', in the list of subjects specified in Appendix II to my letter No.13785 E2/49-19 Edn., dated 17-7-1949.

2. I am also directed to invite your attention to my letter No.68796 A-4 Edn., dated 22-11-'49 in which the selection of Sri V.P. Kannan Nair for higher studies in 'Geography' was cancelled. As the necessity for a foreign trained person to handle the teaching of ~~dated~~ Geography continues and has become more imperative with the opening of the Honours Course in Geography in the Presidency College, Madras, I am directed to request that the Government of ~~Madras~~ India may be so good as to approve the deputation of a candidate by this Government for the study of that subject under the modified Scheme. For this purpose, this Government suggest that out of the 3 Scholarships required by this Government for studies in 'Psychology' included under Edn.-D.Science, in the Appendix to my letter dated 17-7-49 referred to above, one may be awarded for 'Geography'. If the Government of India approve of this suggestion, this Government will select a suitable person

P.t.o..

67

- 2 -

for deputation.

...

I am to request the favour of an early reply.

Yours faithfully,

J.M.Lobo Prabhu,

Secretary to Government.

-

54

Sir,

I am directed to refer to your letter No.G.479/47/49, dated the 1st December, 1949, on the subject mentioned above and to state that Mr. S. Gopalakrishnamurthy has since secured admission in the Imperial College of Science and Technology, London for the term beginning from January, 1950. In this connection your attention is invited to this Ministry endorsement of even number dated the 25th October, 1949, which explains the position.

Sir,

Sub:- Advanced studies overseas -Dr.S. Gopalakrishnamurthy, Professor of Physics, Presidency College, Madras Study leave -

Ref:- Government letter No. 38833 A/48-15 Education dated 22-11-49 addressed to M/s Thos. Cook & Son, Ltd., Bombay

p.5 ante

Dr. S. Gopalakrishnamurthy, Professor of Physics Presidency College, Madras, who has been selected for advanced studies overseas in "Physics" was relieved on the afternoon of 6-12-1949 to enable him to prepare for his journey to the United Kingdom. He was due to sail from Bombay on 17-12-1949 by "S.S.Maloja".

p. 7 ante

2. I submit herewith a copy of his letter dated 15-12-4 requesting the payment of his leave salary in the United Kingdom To enable the Accountant General, Madras, to issue the necessary authorisation in this regard, I request that Government may kindly grant to Dr. S. Gopalakrishnamurthy study leave for a period of two years from 7-12-1949.

3. In this connection I may state that the scholar, being governed by the Madras Leave Rules, is normally eligible only for half average pay for the period of study leave without the benefit of the minimum leave-salary prescribed in Fundamental Rule 90. I request that Government may be pleased to extend the benefit of the provisions of F.R. 90 to Dr. S. Gopalakrishnamurthy as was done in respect of certain other officers--vide Government Memo. No. 3510 A.5 Education dated 6-6-1949.

FINANCE DEPARTMENT

E.&P.H. Dept. (A)

Sri S. Velayudham, Asst. Prof. of Economics, Presy. College, Madras, is one of the ~~Govt~~ Edn. Dept. officers selected by Govt. for advanced studies overseas. With the help of the G. of I., admission in the London School of Economics & Political Science has been secured for him for the term beginning from October next. If he has to travel by steamer, he shd. leave India immediately. But the G. of I. have telegraphed that sea passage priority for the officer for sailing in this month is not available and that this Govt. may send him by air at this Govt. cost so as to enable him to reach U.K. early in October. As it is likely that if the officer does not join the School in time the admission may be cancelled, this dept. may suggest the adoption of the course at B above. Fin. may see for remarks.

Finance (C.S.R.) Dept.

Please see the ~~kixg~~ telegram on page 3 above and E.& P.H. notes following.

With reference to the proposal of E.& P.H. at 'B' on p.3 above, it is submitted that Sri S. Velayudham is only an Assistant Professor of Economics. His deputation ex-India for higher studies cannot materially improve technical or industrial knowledge in this Provin Even in the case of deputation of technical officers suc as Engineers, H.M.(Finance) and the then Hon'ble Premier had occasion to observe that beyond committing the Govt. to extra cost and affording an opportunity to the candidates to tour foreign countries at Government expense~~s~~, the deputation did not ~~will~~ serve ~~no~~ useful purpose. In view of these remarks, ~~a~~ the Government are now chary of sanction deputation of officers for higher studies abroa In this case as already mentioned the officer is a non-technical officer ~~as alrea~~ ~~pointed out~~. In the circumstances, there seems to be no imperative neces ~~the case~~ for allowin him to travel by air ~~does not seem justifiable~~ at a heavy cost. It seems sufficient, if at all necessary, to allow him take the sea-passage as originally ordered.

A

All this is not relevant here at this stage. He must have been selected by the Govt for sufficient & satisfactory reasons

14/9/49

3/9/49

I don't think much will be lost if he reaches U.K. a ~~(xx)~~ few weeks after term commences. Fin may advise against an air passage

under para 1 B
JS.

E. & H. Dept.

[A above:

Sri Velayudham has not been offered the "deputation terms". He will avail himself of the "study leave" terms. His selection is not to enable him to tour in foreign countries. He has to undergo a specific course of study in the subject "Commerce" in U.K. That subject was fixed by Govt. w.r.t. the future requirements of staff in Govt. Colleges, and, of the persons who applied, the Govt. selected ~~for~~ Sri Velayudham.]

B above: G. of I. may perhaps be

88 ~~6~~ CSR 4411

B. on page 5 ante.

The candidate is expected to reach the U.K. at he beginning of October 1949 when the term commences. The dmission is subject to satisfactory interview on his arrival n the U.K. It was with ~~sum~~ some difficulty that he got the dmission. It is not known when the steamer will be available n October. It is also not known whether 2nd class, usually allowed to deputationists, will be available in October or whether he will have to go by 1st class. If the candidate ~~is to~~ reaches the U.K. a few weeks after the commencement of the term, the chances are that the admission may be lost, due to the rush for admissions. The Government of India will have to consult the High Commissioner whether admission will be kept waiting for the candidate. It will take some time before a final reply can be got because the High Commissioner himself will have to consult the ~~University~~ School authorities. The difference between steamer fare and air passages is about Rs.200. In similar cases this Govt. have on previous occasions granted air passages both to Govt. servants going abroad on study leave terms and to private scholars. In all such cases ~~on~~ this Government met the entire cost. As the extra cost is not large, as the time to join the school is very short and as the Govt. have granted air passages in similar circumstances, Finance may be requested to agree to air passage being sanctioned for this candidate.

Fort St. George, Madras.

Sir,

Roc.No.11786-C1/46 dated 11-11-1949.

Sub: Advanced studies Overseas - Sri S. Velayutham, Assistant Professor of Economics, Presidency College, Madras - Study leave.

***

Read: Government letter No.38833-A-10 Education, dated 26-9-49 to Messrs. Thomas Cook & Sons, Ltd., Madras.

p. 11 ante

88883

-oOo-

Sri S. Velayutham, Assistant Professor of Economics Presidency College, Madras who has been selected for higher studies in "Commerce", was relieved on 27-9-1949 after noon. He sailed for the United Kingdom from Bombay by "Jal Jawahar" on 30-9-49.

2. He has expressed his desire to draw his leave salary in the United Kingdom. To enable the Accountant-General to issue the necessary authorisation in this regard, I request that Government may kindly grant Sri S. Velayutham, study leave for a period of two years from 28-9-49.

3. Sri S. Velayutham, being governed by the Madras Leave Rules, is normally eligible only for half average pay for the period of study leave, unless the provisions of the Fundamental Rules 90 are made specially applicable to him. In this connection I invite the attention of Government to their Memorandum No.3510-A5-Edn, dated 6-6-49 extending the provisions of Fundamental Rule 90 to certain officers governed by the Madras Leave Rules and request that the same concession may be given to Sri S. Velayutham also.

	Name of the officer.	Subject.
1	Dr. S. Gopalakrishnamurthi, Professor of Physics, Presidency College, Madras.	Applied Physics (Electronics)
2	Sri A. Parthasarathy, Asst. Professor of Geology, Presidency College, Madras	(Engineering) Geology
3	Sri V.P. Kannan Nair, Officiating Lecturer in Physics, Government Arts College, Anantapur.	Geography
4	Miss A.R. Irawathy, Lecturer in Geography, Queen Mary's College, Madras.	"
5	Sri K. Mmamaheswara Rao, Assistant Lecturer in Mathematics, Engineering College, Anantapur.	Experimental Psychology
6	Sri S. Velayudham, Assistant Professor of Economics, Presidency College, Madras	Commerce.

Selection cancelled

2. He/She is requested to report urgently whether he/she is willing to be sent abroad for studies on the terms indicated below:--

His/her absence for purposes of the advanced studies will be treated as on study leave for the entire period and given the leave allowance and study allowance at the rates mentioned in subsidiary rules 7,8 and 12 to Fundamental Rule 84. In addition he/she will also be given such amount as is necessary to bring the total payment to the level of the aggregate payment which will be made to a stipendiary student as indicated in paras 5,6 and 8 of the Government of India's brochure entitled. "Information for students desiring to proceed overseas for advanced studies in 1947--48" extracts from which are given below:--

"5 stipends: The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur, including expenses during vacations. The stipend will be payable from the date of a student's arrival in the country where he is to receive instructions upto the date of his departure from that country on the return journey, and it will be paid in advance in Quarterly or monthly instalments. Any tuition fees or other charges in connection with the course of study will be paid by the Govt. of India. Apart from the stipend and allowances referred to specifically in this paragraph and in paragraphs 6 and 8 below, no other claims or requests for any other allowance will be entertained.

6. Travelling expenses: Students will be allowed a II Class fare (or where there is no II class the fare next below I class) from their normal place of residence to their place of instruction and back, together a sum of £ 5 or its equivalent in Indian or other currency, to cover incidental journey expenses each day. The sum of £ 5 will not be paid to those who are in Government employ and are in receipt of their pay during the voyage.

7. x x x

8. Equipment allowance: Each selected student will be given before his departure from India an equipment allowance of Rs 500/- to enable him to provide himself with such clothes and other necessary articles as he is likely to need on the journey or immediately on his arrival in the country in which he is being sent.

-2-

116

~~34~~

100

It shall however be understood that this allowance is intended merely to supplement the student's own resources and no claims will be entertained beyond this amount for any expenditure which a student may incur on his equipment or clothing etc"

3. This reference should be treated as specially urgent and the officers reply submitted immediately through the proper channel.

C.38883-33 D/4

Education Department (A)

31
16/3

Sub:- TECHNICAL EDUCATION OVERSEAS - Dr.S.Gopalakrishnamurti, Professor, and Sri S.Velayudham, Asst. Professor, sent to U.K. - Study leave - Granted.

Ref:- From the D.P.I., No.11786-C1/46, dated 11-1-1949 cf. 29 of this file
and No.3155-C1/49, dated 27-12-1949. cf. 69 of f.f.

Order (Ms.) No. 874 Edn., dated 16-3-50

The Govt. sanction the grant to the following officers who have been sent to the U.K. for higher studies, of study leave for a period of two years from the dates noted against them:-

1) Dr.S.Gopalakrishnamurti, Professor, Presidency College, Madras — 7-12-1949

2) Sri S.Velayudham, Assistant Professor, Presidency College, Madras — 28-9-1949

The officers will be paid, as a special case, leave salary (leave allowance) in accordance with rule 12 of the rules under F.R.84 read with F.R.90 although they are governed by the Madras Leave Rules, 1933. In addition to leave salary, they will be eligible, during the period of the study leave, for the other allowances authorised in para 1-B of G.O. No.1301-Edn., dated 23-6-47, as amended by G.O. No.2165-Edn., dated 2-9-1948.

P.58 of BK.154

2. The D.P.I. is informed in this connection that the limits in respect of study leave salary prescribed in F.Rs. 89 and 90 will not be extended to any ~~of the~~ officers that may be hereafter selected, under any scheme, for studies in foreign countries if they are governed by the Madras Leave Rules.

28 DEC 1949
FINANCE DEPARTMENT

With reference to the proposal of Director of Public Instruction to allow leave salary as per F.R.90 to Sri S. Velayutham during the periods of his study leave attention is invited to the Finance note on pages 22 and 25 of E.& P.H. memo 3510.A5. Edn. dated 6-6-49. Sri Velayutham is governed by the Madras Leave Rules and although such men

~~terms~~ then are eligible to study leave it has specifically been ordered that the maximum and minimum limits of leave salary laid down in F.R. 89 and 90 do not apply to them. It is no doubt true that certain officers of the Education department were allowed leave salary during study leave in accordance with F.R. 89 and 90, but it was done as a special case as it was reported that they were specifically given to understand that they would get either full average salary or £.25 whichever was less before they were sanctioned study leave. No such understanding appears to have been given in the case of Velayutham and the comparison made by E.& P.H. is not therefore relevant. In fact, certain ~~other~~ Assistant Engineers ~~officers~~ of the P.W.D. of Electrical Dept governed by Madras Leave Rules who were undergoing higher studies in U.S.A. on study leave terms applied for a similar concession but it was rejected on the advice of this department for ~~xx~~ exactly the same reason mentioned at M above, and in the circumstances there is hardly ~~very~~ any justification to make a distinction in the case of Velayutham and allow him the benefit of ~~R.~~ F.R.90. Finance may strongly advise that this part of the proposal be negatived and the draft amended suitably.

Summarising Note.

Dr. S. Gopalakrishnamurti, Professor of Physics, and Sri S.Velayudham, Asst.Professor of Economics, Presy. College, Madras, are two of the officers who have been sent by this Govt.(in the Edn. Dept.) ~~farxx~~ to U.K. for higher studies. Their subjects are 'Physics' and 'Commerce' respectively. The question of granting them study leave has now been put up by the D.P.I. 2.// The officers are governed by the Madras Leave Rules. ~~and ordinarily~~ Therefore, they are eligible, during study leave, for salary only at half their average pay.x But at the time of their selection for being sent abroad, they were specifically told that the benefit of the special limits prescribed in F.Rs. 98 90 would be given to them; that is, they would get full average pay or £25, whichever was less, during the study leave. The D.P.I. recommends that the F.Rs. may therefore be allowed to govern them, as a special case. This dept. support the recommendation. ~~Fin.~~ After verifying to their satisfaction that the officers were made to understand as at M above, Finance also agree. Officers to be selected in future for study leave under any scheme will not however be granted the concession ~~of F.R.90~~ if they are governed by the M.L.Rs. Revised draft below ~~Draft at p.1 ante~~ embodies the proposals. May be circd. to H.M.(E.&.L.) for approval.

===

pp. 2-3

In submitting herewith copies of the letters dated 17-4-1950 and 23-5-1950 from Dr. S. Gopalakrishnamurthi, Professor of Physics (now on study leave in the United Kingdom), I have to state as follows:-

2. Dr.S.Gopalakrishnamurthi is undergoing studies in 'Molecular Spectra' under Dr. W.R.B. Pearse, Assistant Professor of Physics, Imperial College of Science and Technology, London. He says that he would be gathering enough material to answer for a Ph.D (London) by the end of September 1950. In the circumstances explained by him he requests that instead of sticking to one laboratory and doing research in one line for the entire period of 2 years to obtain a Ph.D. degree, he may be permitted to work in the laboratories of Dr. Finch, F.R.S. for about 8 months from October 1950 and in the laboratories of Dr. Bernal, F.R.S., for the remaining period of six months of his study leave. He says that to take the Ph.D. degree of the University of London he has to put in two years' research work in one line and in one laboratory. Since he already possesses the D.Sc. degree of the Madras University, which is claimed to be superior to the Ph.D. of London, he feels it is not worth while spending two years just for the Ph.D. Degree. He cannot also take D.Sc. degree of the London University straightaway without taking Ph.D. of that University.

pp. 2-3

3. It has since been ascertained from the University of Madras, that the standard of the D.Sc. Degree of the Madras University is on a par with the D.Sc. Degree of the London University. Thus, comparatively speaking, the Ph.D. degree for which Dr. Gopalakrishnamurthi is now working is of a lower standard than the D.Sc. degree of the University of Madras which he already possesses. In the circumstances, having regard to the fact that the primary object of sending Officers of this Department overseas is not so much for acquisition of degrees but for gaining first-hand knowledge and experience of organising, guiding and doing research on modern lines, I request that the proposal contained in Dr. Gopalakrishnamurthi's letters may be approved by Government and the High Commissioner for India in London addressed to seek and obtain the necessary permission of the University authorities in London.

4. Dr.Gopalakrishnamurthi may also be required to visit the large and uptodate laboratories, research centres and other places of interest to students of Physics in the U.K.

Yours faithfully,

...blic Instruction.

13/7/50

Copy of letter from Dr. S. Gopalakrishnamurthi dated 17-4-50.

...

I have made some headway in Molecular Spectra here in the Laboratory of Dr. W.R.B. Pearse, D.Sc., Assistant Professor of Physics, Imperial College. The regulations of the LONDON University do not permit one to take a D.Sc. straight without his having taken a Ph.D. of this University. This latter Degree requires a minimum of two years' research work in one line and in one laboratory.

Having taken a D.Sc. of the Madras University, which is undoubtedly superior to the Ph.D. of London, I do not think it is worth while spending two years, just for the Ph.D. Degree.

On the other hand I strongly feel that in the interests of the institution from which I come, I should equip myself with experimental experience in a few latest trends of research by working in two or three first rate laboratories in LONDON. This would help me to do my teaching work more efficiently and also to START and direct research in fresh lines of work.

By the end of September 1950, I would have picked up the techniques of investigation of Molecular Spectra in this laboratory. If I am permitted by Government I would like to work on Electron Diffraction in the labaratories of Dr. Finch, F.R.S., Professor of Chemical Technology in this College for about eight months from October 1950. I have met him to-day with a request and he agreed to take me.

For the remaining six months or more of my leave period, I shall work in X-rays and crystal structure in the research laboratories of Dr.Bernel, F.R.S. in Birbeck College, LONDON.

I request that the above scheme, which is quite relevent to the courses done in Madras, of work be kindly approved as early as possible. Should I however be required to take a Ph.D. confining myself to one line of work in one laboratory, kindly let me know.

Copy of letter from Dr.S.Gopalakrishnamurthi dated 23-5-1950.

...

I am grateful for the chance of sending this application which you so kindly made possible. I am working in Molecular Spectra and shall be gathering enough material to answer for a Ph.D.(London) by the end of September. But regulations require two years stay. That is why I asked for permission on 13-4-1950 to change over in October to Electron Diffraction under Prof. Fineh, F.R.S. Electron Diffraction camaras are being made and set up in his laboratory and I can pick up the technical as well as the interpretative aspects of this new line of work in eight months. Thereafter, I like to work on X-ray applications (or Infra red Spectra) according as Dr. Finch would help me to obtain facilities.

If I am advised to take a Ph.D., shall confine myself to this laboratory only and continue to pile up papers which might help me to get a D.Sc. after 5 years.

If however I am permitted to change over, it will greatly

help

help my slipping out without stirring up a reaction here if I am told that I "may change over to a training in Electron Diffraction from October 1950".

I beg your pardon Sir, If I am embarrasing you. I have laid my cards bare and shall too gladly follow either course when I am given a directive.

Copy of the letter Ref.E.B.7612 dated 11-7-1950 from the Higher Commissioner for India, Education Department, India House, Aldwych, London, W.C.2, addressed to the Director of Public Instruction, MADRAS

I am directed to forward herewith copy of a letter received from Mr. S. Gopalakrishna Murty, which is self-explanatory and to request that you will send us your decision urgently.

(True Copy)

Copy of letter received from Mr. S. Gopalakrishna Murty, Prof. of Physics, Presidency College, Madras. 46, Kensington Gardens Sq. London, WC2.

I have worked in the Spectroscopy Laboratory of the Imperial College of Science and Technology from 7-1-1950 to 25-6-1950. when the session closed down. I am continuing to work here right thro' their summer vacation till october 1st.

As I have already taken the D.Sc. Degree of the Madras University, I do not intend working for the Ph.D. of London. (This latter requires confining to one laboratory and one line of work allthrough the two years); on the other hand I wish to do some "Higher studies" by acquainting myself with two more lines of research work in Modern Physics.

M

From 1.10.50, I wish to work in the laboratory of Prof. Finch F.R.S. (Prof. of Chemical Technology, Imperial College of Science and Technology) on Electron Diffraction, a line of work not yet started in India. As the making and working of Electron Diffraction cameras is going on in that laboratory, I hope to pick up a useful knowledge in that new field of research if I work for two terms or a session for Prof. Finch.

N

The remaining six or nine months of my study leave, (1.7.51 to December) I would like to work in another laboratory, either in Prof. Bernal's in x-rays or Prof. Sutherland's in Infrared.

p. 2 ante

I have written to the D.P.I. Madras for permission but I had no reply as yet. Prof. Finch has consented to take me. May I request you to kindly obtain permission for me for changing over to Prof. Finch's Laboratory to "take training in Electron Diffraction from 1-10-50 and communicate the information to me and also to Prof. W.R.B. Pearse,. D.Sc. Reader in Spectroscopy, Imperial College, so that, I may slip out without prejudicing any one.

Thanking you,

already possesses. Draft overleaf
for approval.

8.0
Cca
8.8.50

We cannot leave it to Mr. Gopalakrishnamurthi
to change his courses as he pleases. There must be
eminent Professors in the London University greater
than Mr. Gopalakrishnamurthi and we must consult
them before we permit him to chalk out his
programme. It seems that a copy of the
correspondence may be forwarded to the
High Commissioner for India and he may
be requested to advise in the matter in
consultation with the Professor or Professors
concerned. For orders.

10/8/50

Mr. Gopalakrishnamurthi is himself a
DSc of Madras University and he should
be in a position to say what type of
courses of higher studies in physics
would benefit him as professor of
physics. The draft may issue.

To
The Secretary to Government, Education Department, Madras.

Copy of the letter Ref. E.B. 7612 dated 1-8-1950 from Sri L.R. Sethi, To the Director of Public Instruction, Madras.

My dear Reddy,

I am to refer to this office letter of the 11th July, Mr. S. Gopalakrishna Murty has been seeing me very often and he very much desires that he should not be asked to proceed to the Degree of Ph. D. of the London University, in view of the fact that he holds the D.Sc. Degree from Madras. He is very keen to join the laboratory of Professor Finch, F.R.S. to learn the assembling and working of the Electron Diffraction Camera and Electron Microscope. He informs me that these two apparatuses have not yet been installed in South India and further that he will be able to ~~not~~ set the two at minimum expense at Madras. I also understood from him that if he pursued this course he would be doing the work of a higher order by acquainting himself with modern lines and methods. His college reopens on October 2nd and he would like to join Professor Finch's laboratory by that date.

I shall be therefore obliged if you will kindly let me have your decision whether you approve of his change over or not. If it is really more beneficial, then in my ~~opini~~ opinion he should change over otherwise we should not disturb his present studies, but it is entirely for the Madras Government to decide.

SUBJECT:- Technical Education Overseas-Dr. S. Gopalakrishnamurthi, Professor, ~~and Sri S. Velayudham, Assistant Professor,~~ sent to the United Kingdom,-grant of Study Leave.

Sir,

Ⓙ/117

I am directed to refer to your Abstract G.O.Ms. No.874/Education dated the 16th March, 1950, on the above noted subject and to the Director of Public Instruction Proceedings, ROC.11786-C1/46, dated the 26th November, 1948.

(ref. read here)

In this connection I am to enclose herewith a copy of a letter dated the 22nd September, 1950, received from The Imperial College of Science and Technology, regarding a certain chemical required by Dr. S. Gopalakrishnamurthi in the course of his training, costing £30/-.

p.11 infra

As this expense does not appear to come under "tuition fees" the sum of £30/- is being refunded by this office as "other charges" in connection with his studies subject to production of a receipted account by Dr. Gopalakrishnamurthi.

(vii) of para 1-A of Ⓚ

As the circumstances of this payment ~~is~~ are so exceptional the matter is reported to you for your formal sanction of the action taken.

Yours faithfully,

N N Banerjee

(N.N.Banerjee),
for Secretary,
General Department.

L.R.Sethi, Esq.,
Secretary, Education Dept,
India House, Aldwych, W.C.2.

Dear Mr. Sethi,

I thank you for your letter of 1950 Sept. 15, written on behalf of Dr. S. Gopalakrishnamurthi. Of course, I shall place no obstacle in the way of his acquiring training in electron diffraction. I am only sorry that he will be unable to complete his work for Ph.D. as he has made a very good start.

He is making good progress with the analysis of the spectrum of Thorium oxide. It would be valuable at the same time to compare the spectrum of Haenium Oxide. As the latter substance is rather expensive I do not feel justified in using department funds. However, if it is possible that this material can/purchased for him by the Education Dept. I recommend this strongly.

(Sgd) R.M.B.Pearce.
Asst. Professor & Reader in Spectroscopy.

1 gm. would be sufficient
preferably 99.5% at £30.

R.C.3155 Cl/49 dated 19--4--51

Sir,

SUB: OVERSEAS - Deputation - Dr. S. Gopalakrishnamurti - Professor of Physics, Presidency College, Madras - course of studies.

REF: Letter G.289-1-497/51 dated 3-4-1951 from the High Commissioner of India, London.

---

p.6 ante

Dr. S. Gopalakrishnamurthi, Professor of Physics, Presidency College, Madras, has been deputed for advanced studies overseas in Physics. In their letter Ref.No.19998. A.1 Education dated 11-8-1950, Government have approved the proposal of Dr. S. Gopalakrishnamoorthi not to continue to work for the Ph.D degree of the London University but to work for about 8 months from 1-10-50 in the Laboratories of Professor Finch, F.R.S., on Electron Diffraction and for the remaining period in the Laboratories of Prof. Bernel, F.R.S or Prof. Sutherland in X-Rays and Crystal structure or Infra-Red. The Professor was also asked to visit large and up-to-date laboratories, research centres and other places of interest to students of Physics in the United Kingdom.

pp. 18-19 infra

2. In his letter dated 2-4-1951 to the Director through the High Commissioner for India (copy enclosed), Dr. S. Gopalakrishnamurti has stated that he will be completing his eight months' training in Electron Diffraction by 31-5-1951. and from June to December he intends to work in X-rays or Infra-red spectra. As the summer vacation from July to September 1951 intervenes, he wants to proceed to Aberdeen to work in Spectro-Chemical Analysis of Minerals and plants and work in that laboratory for 1 month in June. He wants to see and work in Zeeman Laboratory at Amsterdam during July, August, September 1951 and in the Astro-physics Laboratory of the Vatican Observatory in Rome during October and November 1951 and requests permission to go to Amsterdam and Rome to work.

3. In the circumstances explained by Sri Gopalakrishnamurti, I request that the officer may be permitted to visit Amsterdam (Holland) and Rome and incur necessary extra expenditure i.e. upto £.40 towards travelling allowances and upto £.36 towards study allowances. The High Commissioner may also be requested to arrange for Dr. Gopalakrishnamurti's visits to Amsterdam and Rome on his way back to India, if this is possible and convenient, instead of arranging for his visiting these places, going back to London and then returning to India from London.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

Copy of letter G.289.1.497/51 dated 3-4-51 from the High Commissioner, India House, Aldwych, London, W.C.2 to the Director of Public Instruction, Madras

---

Sub: Dr. S. Gopalakrishnamurti, Deputationist, undergoing studies in the United Kingdom.

---

below

I am directed to forward herewith a copy of an application dated 2nd April, 1951 received from the above-named officer, for your consideration.

2. I am to say that an early reply would be appreciated.

Yours faithfully,
Sd/- B.D. Muthu,
for Secretary,
General Department.

Copy:

To:- The Director of Public Instruction,
Madras.

Thro:- The High Commissioner,
India House,
Aldwych, London, W.C.2.

Sir,

I will be completing my eight months' training in Electron Diffraction under Prof: G.I. Finch, F.R.S. by May 31st 1951.

From June to December I intended to work in X-rays or Infrared Spectra, but as the Summer Vacation of three months (July, August, September) intervenes, I would not be able to do any good work in those lines. Instead, therefore, I am proceeding to Aberdeen to work in Spectrochemical Analysis of Minerals and Plants, in purusance of the "Madras Government Education Department No.19998.A.6 of 11-8-50" to see up-to-date Laboratories. I would work in that Laboratory (not merely visit) for one month, i.e., June.

(1) I request that you will kindly obtain sanction of my travelling allowance for this journey (Below £.12)

Regarding my work from July to November 15th (when I have to start back to join duty on 7th December 1951) I beg to suggest that it is advantageous for my training to see and work in Zeeman Laboratory of Amsterdam during July, August, September and in the Astrophysics Laboratory of the Vatican Observatory in Rome during October and November. These two are the foremost laboratories in their countries and I am in a favourable position to learn most from them in the matter of equipment as well as interpretation along fresh lines in the field of my study (in India). I do not believe in going on a mere pilgrimage to the different institutions in England, as that would not help me to add to my knowledge nor to the equipment of my Laboratory in any substantial manner. These mere visits are dazzling more than informative.

So I request you to kindly obtain for me Govt. permission to go to Amsterdam (Holland) and Rome to do work. Amsterdam will help me to improve and work our Electromagnet

P.T.O

146

~~19~~

119

of the Presidency College; and Vatican to gather useful material on the (very expensive) rare earth oxidespectra for Research.

The travelling expenses from London to Amsterdam and London to Rome are for return journeys, £.11 and £.27 respectively and the study allowances on the Continent £.1 a day instead of 16s. a day here in England.

I am now confident of improving the spectrographs I made for the Physics Lab. of Presidency College and build up an Electron Diffraction camera and carry on Research work. If I could go to Amsterdam and Vatican, I would have done my full to completely use this study to the advantage of my students and laboratory.

If my going to Holland and Rome are not approved, I would like to return to this Laboratory of Prof: Finch again after June to work with an Electron Microscope till November 15th.

Yours faithfully,
Sd/- S. Gopalakrishnamurti,
Prof: of Phxysics. Presidency
College) C/o High Commissioner,
India House, Aldwych, London.

(True Copy)

Please Sir, let me know before the end of June so that I can act. I was waiting for replies from Amsterdam and Prof: Bakker "would be happy to have me work in Zeeman Lab."

Dr.S.Gopalakrishnamurti, Professor, Presidency College, Madras - Course of studies in U.K.

124

J/117

Dr.S.Gopalakrishnamurti, Professor, Presidency College, Madras, was sent to the U.K. by this Govt. in Decr. 1949 on two years' study leave for higher training in Physics. In August 1950, the Govt., in consultation with the D.P.I., decided that he need not study in the U.K for a degree but might work for 8 months on 'Electron Diffraction' in the laboratory of Prof. Finch, and for the remaining period on 'X rays and Crystal structure', or 'Infra red' in other laboratories. He was also asked to visit other large and up-to-date laboratories, research centres and places of interest to students of Physics in the U.K.

The Prof. is now due to finish his work on 'Electron Diffraction' by 31-5-1951. During June, he proposes to go to the Laboratory at Aberdeen. July to Sept. are vacation months in the U.K. But during these months he wants to go to Holland and work in the Zeeman Laboratory of Amsterdam there and then to ~~go~~ proceed to Rome to work in the Astrophysics Laboratory of the Vatican Observatory during October and November. At pp.18-19 C.F. he has explained how these visits will be to his advantage and will also facilitate and improve his future work in the Presidency College. The D.P.I. recommends the approval of the programme. The recommendation may be accepted.

cf 17

The extra cost as estimated by Dr.Gopalakrishn murti will be £ 68 (£38 on T.A. and £30 on study allowa The Director wants a limit of £76 (£40 on T.A. and £36 on study allowance) to be fixed. This may be done.

cf 19

cf 17

As further recommended by the Director, the High Commissioner, London, may be asked to arrange for officer's visit to Amsterdam and Rome on his way from U.K. to India, avoiding his going back to London aft finishes his stay in Holland and Italy.

Sir,

Sub:- Madras Educational Service--Sri S. Velayudham--
Lecturer in Economics, Government Arts College, Madras
un-expired portion of the leave--Cancellation requested.

---

(5)/117

In G.O.Ms.No.874 Education, dated 16-3-1950 Sri S. Velayudham, former Assistant Professor, Presidency College, Madras was granted study leave for a period of two years from 28-9-1949 to proceed abroad for higher studies in the United Kingdom and he returned to India on 1-9-1951 (the date of disembarkation at Bombay being 1-9-51) and joined duty as Lecturer in Economics, in the Government Arts College, Madras on the forenoon of 12-9-1951. Ordinarily, the study leave granted to him should expire on 27-9-51 but he had joined duty earlier on 12-9-1951. In the circumstances, I request that the unexpired portion of the leave from 12-9-1951 to 27-9-1951 may kindly be formall cancelled. The period from 1-9-1951 to 11-9-1951 will be treated as joining time with reference to Subsidiary Rule 6 under Fundamental Rule 106.
