FROM THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to Government,
Education and Public Health Dept.,
Madras.

C.2246 G3/49 dated 15-9-49

Sir,

Sub:--Education--Secondary--Hill allowance--Admissibility
of --for the purposes of assessment of teaching
grant--orders--requested.

Under the powers delegated to him in G.O.No.5093 LA.
dated 20-12-38, the Inspector of Municipal Councils and Local
Boards in his proceedings No.D.Dis.5941/40 dated 23-4-40 (copy
enclosed) sanctioned the payment to all the Officers and
servants of the Municipal Councils, Ootacamund, Kodaikanal and
Coonoor of the Hill allowance admissible to Government servants
under the Madras Manual of special pay and allowances.
Accordingly claim for sanction of grant towards expenditure on
payment of Hill allowances have now made by local bodies in
respect of the teaching and non-teaching staff in Secondary
Schools under their managements. Under the discretionary powers
vested in him, under the Grant-in-aid Code the Director
admits the expenditure on hill allowance in respect of the Sec-
ondary and special schools under private managements for the pur-
poses of assessment of teaching grant.

In view of the above, I request to be informed
whether on the same analogy the Director can admit
the expenditure incurred by local bodies on payment of hill
allowance to teaching staff in Secondary Schools under their manage-
ments for purposes of assessment of teaching grant.

Yours faithfully,

M. S. Srinivasan

Grant - Teaching - Secondary schools Under local bodies
 Expenditure on payment of hill allowance to the teaching
 and non-teaching staff to be treated as an approved item
 of expenditure for assessment of grant

From the D.P.I. No 2246 G.1/49 dated 15-9-49 and 3-12-49

The D.P.I. has raised the question whether the
 expenditure incurred by the municipal councils Ootacamund,
 Kodaikanal and Coonoor on payment of hill allowance to
 the teaching and non-teaching staff in the secondary
 schools under their control may be treated as an approved
 item of expenditure for purposes of assessment of teaching
 grants to those institutions on the basis of half the
 net cost under the revised system of aid. The Director
 reports that under the discretionary powers under the
 Grant-in-aid Code he is admitting the expenditure incurred
 by private managements on payment of the allowance for
 purposes of assessment of teaching grants to those schools.

2. Secondary schools under local bodies have been
 brought into a line with secondary schools under private
 managements and the assessment of teaching grants to the
 former is also made according to the procedure prescribed
 under ^{rule 32 in} the Grant-in-Aid Code and there is therefore no
 strong case to treat the three municipal secondary schools
 differently in the matter. The extra cost to Govt involved
 in taking the expenditure into account in assessing the
 teaching grant is estimated at Rs 2846 in respect of two
 schools while in the case of the Municipal High school,
 Ootacamund, it is reported that the minimum teaching grant
 payable is not exceeded even if the expenditure on
 payment of the allowance is taken into account. There is
 therefore no immediate extra cost on account of this
 institution although ultimately there may be some extra cost.

The ultimate extra cost in respect of the three schools may be roughly estimated at Rs 4,000.

2. In view of the present financial stringency, the Finance Dept having been pointing out that no extra liability should be undertaken at present. The question whether the expenditure on payment of house rent allowance to teachers employed in secondary schools in large towns, should be taken into account for purposes of assessment of teaching grant is under separate consideration as a part II scheme for 1950-51. It is now too late to consider the present proposal also as a Part II scheme for 1950-51. As this is a recurring liability and as it is not advisable to under ^{take} new recurring liability in the present difficult financial position, it is for consideration whether the D.P.I. may be asked to renew the proposal

consideration whether the D.P.I. may be asked to renew the proposal for consideration as a Part II scheme for 1951-52 and till then not to take the expenditure incurred on payment of hill allowance to the staff in the municipal secondary schools for purposes of assessment of teaching grants to those institutions. *It is too late to consider the proposal as a Part II scheme for 1950-51*

The D. P. J's action appears to be consequential to that of the Inspector Local Boards. The amount involved also is small and the proposal may be accepted.

Finance (Exp. A.)

Please see the letters from the D.P.I. on pp.1 and 2
4 c.f. and the note of E & P.H. on pp. 1-2 above. The proposal
is that the expenditure incurred by the Municipal Councils of
Ootacamund, Kodakkanal and Coonoor on payment of hill allowance
to the teaching and non-teaching staff in the secondary schools
under their control may be treated as an approved item of
expenditure for purposes of assessment of teaching grants to

those institutions on the basis of half net cost under the revised system of aid. The extra cost involved is estimated at Rs 2,846/- per annum recurring for the present and roughly at Rs 4,000/- per annum ultimately.

In view of the remarks of the Secretary, E & P.H. E.P.H.
E.P.H.
