- Read:- 1) From the Superintending Engineer (Food Production) Reference No. 48C/49.S.E.(FP) dated 3-12-49.
2) From the Superintending Engineer (Food Production) Reference No. 97C/50.S.E.(FP) dated 1-2-50.

The Executive Engineer (Food Production) Nellore reports that the foolscap size typewriter supplied to his office with reference to the sanction accorded in G.O. Ms. No. 3205, Education, dated 19-10-49 is not useful for typing statements of size bigger than foolscap size and has requested the supply of a brief size typewriter in its place. The Executive Engineer, Mathurai and Visakhapatnam have also experienced the same difficulty and have accordingly made similar request. The Superintending Engineer (Food Production) has recommended the request of the three Executive Engineers.

2. The Board of Revenue (Food Production) accepts the recommendation of the Superintending Engineer (Food Production) and requests that the Government may be pleased to authorise the Superintendent of Stationery, Guindy, Madras to supply a brief size typewriter to each of the Executive Engineers (Food Production) Nellore, Mathurai and Visakhapatnam in replacement of the existing foolscap size machines.

3. The Board of Revenue invites the attention of the Government to paragraph 3 of its Reference No. 9173.FP.V(A)-1 dated 17-11-49 and requests that the two typewriters to be supplied to the new Divisions may also be of the brief size instead of the standard size as originally recommended.
