(G.O.3422 [illegible])

The Superintendent, Government Museum, Madras has expressed his views that in regard to the proposals for the deputation of mofussil teachers for training at the Government Museum, Madras, it will not be possible to give training to the large number of teachers in the Government museum and has also suggested in the alternative that Permanent teachers from training Institutions where museum technique can be made a regular feature, may be deputed. These training school teachers after completion of their training in the Government Museum, Madras are expected to be in a position to train batches of teachers in the Mofussil.

X

2) In view of the above suggestions of the Superintendent, Government Museum, Madras and in modification of the composition of the trainees from Madras City schools as approved in para 1 of the G.O. cited I have issued necessary instructions to the Divisional Inspectors of Schools and the Inspectresses of Girls Schools that one suitable teacher from one training school in each of the divisions of the Divisional Inspectors of Schools and the Circles of the Inspectresses of Girls Schools (except Madras circle) may be nominated for being trained at the Government Museum along with the teachers selected from Madras city schools during the current financial year (1949-50)

M/12g

3) Thus 9 teachers from mofussil training schools will be deputed for training ~~schools will be deputed for training~~ at the Government Museum, Madras during the current year along with the teachers selected for training from Madras City Schools. I therefore request that Government may be pleased to sanction the incurring of expenditure by these 9 teachers to be deputed

Ref: Government's Memorandum No. 196-B1/50-1 Edn. dated 7-1-1950.

With reference to the proposals for the deputation of nine teachers from training schools for training at the Government Museum Madras during the current official year along with the teachers from Madras city schools, the approximate estimate of cost to Government on account of payment of the Travelling Allowance, daily allowance and cost of equipment to teachers of Government Training Schools and in admitting the cost of teachers of non-Government Training Schools for purposes of teaching grant comes to Rs. 520-0-0. In this connection it has been assumed that 6 teachers from Government Training Schools and 3 teachers from Aided Training Schools will be deputed for training at the Government Museum.

A1

2. On account of the revised proposals the provision already suggested in connection with the part II schemes for 1950-51 in my letter R.C. No. 1903 B1/48 dated 3-9-1949 will be slightly reduced by an amount of Rs. 520/- shown above and by about 1/10th of the expenditure on travelling expenses (Railway fares to and fro Madras) on account of the decentralisation of the training centres at the respective regions of the trainees. The exact details can be worked out only in due course after the training centres in the different areas in the mofussil are fixed for organising the courses for training of the mofussil teachers by the 9 training schools teachers who are proposed for training at the Government Museum during the current year.

At the time of submitting my proposals with my letter Rc.No.1903 B1/48 dated 28th December 1949 it was expected that one of the teachers in the Madras City Training Schools under the control of the Inspectress of Girls Schools, III circle, Madras would join the training course at the Government Museum, Madras and that only 9 teachers from the mofussil training schools would have to be deputed for training. But none of the teachers from the City Training Schools under the control of the Inspectress of Girls Schools, III circle, Madras joined the course. One teacher from a Government Training School in the mofussil under her jurisdiction has been selected for training at the Government Museum, Madras besides nine teachers from mofussil training schools under the jurisdiction of the remaining Inspectresses of Girls Schools and the Divisional Inspectors of schools. So the number of teachers from training schools in the mofussil to be trained at the Government Museum is 10.

Government in their orders cited above have accorded sanction to the deputation of undermentioned teachers to the Government Museum, Madras for training for a period of nine days in the formation of school Museums.

(i) Two teachers from two corporation Secondary Schools.

(P) 13 g

(ii) Twenty Two teachers from aided Secondary Schools in the City of Madras.

(iii) Ten teachers from Government Training Schools in the mofussil. The above orders were based on my proposals, Rc.No.1903B1/48 dated 29-11-1948 and on the details furnished by the Superintendent, Government Museum, Madras in his T.M. No.2158/48 dated 10-11-1948 (copy enclosed). As per the above orders, ~~tow~~ two batches of teachers were trained in February and March 1950. The training course for the 1st Batch lasted for 10 days i.e. from 1-2-50 to 11-2-50 including one intervening Sunday and the 2nd Batch from 3-3-1950 to 14-3-1950 including the two intervening sundays. The Superintendent, Government Museum in his letter No.2263/A/49-24 dated 30-5-1950 observed that if the course was to be confined to 9 days, as ordered by Government, it was found that training in two of the most important subjects have to be left out i.e. Numismatics and Archaeology. Hence when the programme was drawn up, the course was extended for one day for each batch to include these two subjects also in the syllabus. According to him even these ten days are found too short a period to give a satisfactory training in Museum Technique. In the circumstances explained I request that the action of the Superintendent,

2 Government, in G.O.Ms.No.1139 Education dated 11th April 1950 have also accorded sanction for the organisation during the school year 1950-51 of training courses in the Museum Technique for a period of 9 days for the teachers employed in the Secondary Schools in the **mofussil**. The Superintendent, Government Museum, is being requested to suggest a revised time table with regard to the training to be given to teachers in the mofussil and it will be submitted to Government for approval in due course.

(P) 13-14g

3 Government in para (3) of G.O.Ms.No.895 Education dated 18th March 1950 have accorded sanction for the payment of travelling and daily allowances to the teachers selected from the Government Training Schools according to the rates admissible to them, under the Madras Travelling Allowance Rules. The four teachers selected from the Government Training Schools in the mofussil underwent training from 3-3-1950 to 14-3-1950 including the two intervening sundays. With reference to rule 38(1) of the Madras Travelling Allowance Rules, the drawal of D.A. at the full rates is admissible only if the halt does not exceed ten days. As the training commenced on the 3rd March 1950 and ended on the 14th March 1950 and as the entire course lasted for 12 days including the two intervening Sundays, exceeding the ten days limit, I request that Government may be pleased to permit the four teachers belonging to the Government Training Schools in the mofussil to draw daily allowance at the full rates as a special case. The drawal of D.A. for the days of journey (to and fro) at the full rates is also admissible as the teachers are entitled to one third class fare plus one D.A. each way.

dated the 22nd Jan. 1950.

ORDER MS.NO. EDUCATION, dated 1950.

The Government sanction the deputation, during the current year, of nine ~~suitable~~ teachers from training schools, from the mofussal ~~one from each of the divisions of the Divisional Inspectors of Schools and Circles of Inspectresses of Girls' Schools (except the Madras City Circle)~~ to the Government Museum, Madras, for undergoing training in the organisation of school museums, along with the teachers selected from the secondary schools in the City of Madras. The action of the D.P.I. in having instructed the Divisional Inspectors of Schools and Inspectresses of Girls' Schools to nominate the teachers in anticipation of the sanction of Government, is approved.

p.1 c.f.

2. Sanction is accorded to the incurring of expenditure on the purchase of the equipment required for the training and on the payment of travelling and daily allowances to the teachers selected from Government Training Schools. The expenditure in respect of the ~~teache~~ teachers from non-Govt. schools will be taken into account next year for purposes of assessment of teaching grant.

pp1-2 c.f.

3. The expenditure in respect of Govt. servants should be met from the appropriation under '37. Education' in the current year's budget.

NOTE:- The letters from the DPI on pages 1-2 and 5 c.f. may be perused. In the circumstances stated therein, the deputation of the nine teachers from training schools mofussil to the Govt. Museum, Madras, for training in the organisation of school museums, may be approved.

2. With reference to para 2 of the Dir's letter on p. 5 c.f., the provision (Rs.27,100) suggested in the next year's budget for the training will have to be reduced by about Rs.800/- . As it is now too late to make alterations to the budget and as the amount involved is small, the provision already suggested may stand. The Director will surrender the surplus, ~~in due course~~ next year.

3. The draft order on page 1 ante is for approval. It may be sent to Finance U.O. for acceptance.

Fin (Exp A).

In G.O. No.2277 Education dt. 14-7-49, the Govt. approved the proposal of the D.P.I. to depute during the current school year one teacher from each of the Secondary Schools in Madras City for undergoing training at the Govt. Museum, Madras, for a period of nine days in the formation of School Museums at an estimated cost not exceeding Rs.473/-. The D.P.I. was also requested in that G.O. to submit proposals for giving training to the teachers in the Secondary Schools in the mufassal for consideration as a Part II Scheme for 1950-51. The D.P.I. accordingly submitted proposals for giving a similar training to the teachers in the Secondary Schools in the mufassal at the rate of one teacher for each school. The total number of teachers to be trained under the Scheme is 1015 (84 from Govt. Secondary Schools, 447 from schools under local bodies and 484 from schools under private managements) In that connection, the D.P.I. proposed payment of single railway fare III class to and fro and daily allowance for the days of halt at Madras (for 9 days) at the rates admissible under the T.A. Rules and

Rs.10/- for purchase of equipment, per teacher. The D.P.I's proposals in this regard have been accepted as a Part II Scheme and necessary provision has been included in ~~Part II of~~ the Budget Estimates for 1950-51.

2. The proposal of the D.P.I. in his letter on pp. 1-2-c.f. involves a modification of the Part II Scheme mentioned in para 1 above which has been approved by the Govt. Before issuing instructions as stated in para 2 on p. 1 c.f., the D.P.I. ought to have obtained the previous sanction of the Govt., especially as the proposal to give training for teachers in the mufassal ~~is still under consideration~~ has been proposed as a Part II Scheme for 1950-51) and has to be eventually voted by the Legislature. E. & P.H., however, propose to approve the action of the D.P.I. Apparently, they are satisfied that the arrangement for giving training to the teachers in the mufassal at 'X' on p. 1. c.f. would be sufficient and some saving is also anticipated on account of the decentralisation of the training centres in the respective regions of the trainees. No doubt, it would be convenient for the Museum authorities to conduct the training course in one batch for teachers to be selected from City Schools as well as the 9 teachers selected from the Training Institutions. In the circumstances, Finance need not object to the revised arrangement ~~proposed~~ already given effect to by the D.P.I. being approved. ~~subject to orders being taken in circulation including H.M. (Fin.).~~ The omission to obtain the previous sanction may, however, be pointed out to him and he may be asked to avoid it in future. JDS (Fin) may, however, see.

3. ~~As regards~~ The proposals contained in para 3 on pp. 1-2- c.f. may be agreed to in Finance subject to the ~~remark~~ that the expenditure ~~on the purchase of equipment required for the training should be limited to the scale approved in G.O.No. 2277 Education dt. 14-7-49.~~ being restricted to Rs. 520 as shown in para. 1 on page 5 CF and its being specified in the draft order on page 1 above which may otherwise be accepted.
