7. Transfer to other accounts - E.E. Acct.

The usual contribution is Rs.3,600. Provision is made for a contribution of Rs.12,000/- in the R.E. for 1949-50 as well as in the B.E. for 1950-51. With these contributions the R.E. and the B.E. close with deficits of Rs.1101 and Rs.69/- respectively. E.&P.H. will no doubt consider the question of avoiding the deficit. Pending examination of the E.E. budget the proposed contributions may stand.

The lighting, the Elementary Education and the water and drainage accounts are self-supporting. The general financial position of the municipal council may be considered as satisfactory. The council levies property tax at 25 percent per annum. Para 7. Transfer to E.E. Acct.-

This department may agree with L.A. The question of avoiding the deficits will be considered in connection with the E.E. budget for 1950-51.
