ENCLOSURE.

Elementary Education Budget.

N o t e.

Revised Estimate for 1949-50: The budget estimate for 1949-50 which was approved by the Municipal Council in its Resolution No. 899, dated 8th December 1948 was framed to close with a balance of Rs. 3,381. But the budget was altered and passed by Government in their Order No. Ms. 490 Edn., dated 23rd February 1949 as to close with Nil balance. The alterations made in the budget estimate were the following:

(1) The sum of Rs. 5,000 provided under 'receipts ordinary' for transfer to Capital account to meet the cost of capital expenditure was deleted.

(2) The credit taken under "Capital account-receipts" for a grant of Rs. 11,830 from Government towards the cost of constructing a new building at Mullikorai at a cost of Rs. 15,960 and one at Kodappamund at a cost of Rs. 7,700 for a contribution of Rs. 7,130 from General funds and for the transfer of Rs. 5,000 from Ordinary account amounting in all to Rs, 23,960 was deleted.

(3) The amount of Rs. 23,660 provided under Capital expenditure for the works mentioned above and for the purchase of furniture and apparatus at a cost of Rs. 300 was deleted.

(4) The work of constructing a new building at Kodappamund provided for in the budget estimate was advanced to the previous year, 1948-49 and a grant of Rs. 3,000/- sanctioned for the purpose.

Receipts: The receipts under ordinary and capital anticipated in the budget estimate for 1949-50 were a sum of Rs. 53,745 including a contribution of Rs. 22,828 from General funds. Though there is an increase under education tax due to the general revision of assessments conducted during the current year and Government grant under section 37 of the Elementary Education Act for the current year as compared with the figures in the budget estimate for the current year, the total receipts under both ordinary and capital are estimated at Rs. 51,610 only. This is due to the fact that the contribution from General funds towards the Elementary education account is reduced from Rs. 22,828 to Rs. 16,193, as there is a opening balance of Rs. 9,357 instead of Nil balance anticipated in the budget.

The amount of Rs. 51,610 includes a sum of Rs. 2,530 transferred from the ordinary receipts to capital account to meet the award of the Sub Collector, for the acquisition of a site at Fernhill for the construction of a school building.

Expenditure - ordinary: Under 'Salaries and allowances', the provision is reduced to Rs. 42,000, as it is not expected that the management of the C.M.S. elementary school at Old Ooty, with a staff consisting of five teachers will be taken over by the Municipal council till after the end of the current year. For the same reason, the provision made under 'house rent' is reduced to Rs. 2,500. Necessary provision has been made for the payment of dearness allowance as well as local allowance, according to the rates fixed by Government. The provision made for dearness allowance is shown separately.

A sum of Rs. 110 is provided for the contribution made to the Play Festival organised and conducted by the elementary schools within the Municipality.

Expenditure - Capital: Under this head, a sum of Rs. 2,530/- is provided on account of the cost of a site at Fernhill acquired for a school building under the land Acquisition Act.

The revised estimate as thus framed is expected to close with a balance of Rs. 7,357.

Budget estimate for 1950--51.

Receipts - Ordinary: The total receipts anticipated for the year amount to Rs. 55,540 made up of (1) education tax - Rs. 17,300, (2) Govt. grant under Section 37 of the Elementary Education Act, Rs. 17,700, (3) Government grant under proviso to Section 37 of the Elementary Education Act, Rs. 1,517, and (4) Contribution from General funds, Rs. 22,023.

p.t.o.

(4) Contribution from General funds, Rs. 22,023. Out of this amount, a sum of Rs. 500 is provided for refunds and Rs. 2,500 for transfer to the Capital account.

Receipts - Capital: Under 'Government grant', credit is taken for a sum of Rs. 4,000 which is the maximum grant admissible for the lower Elementary school at Mullikorai proposed to be constructed, with reference to letter No. 1614 B1/49, dated 18th October 1949, from the Director of Public Instruction, Madras. Credit is also taken for a contribution of Rs. 9,050 from General funds, in addition to the amount of Rs. 2,500 transferred from the ordinary receipts, to meet the cost of capital expenditure, thus making a total of Rs. 15,550.

Expenditure - Ordinary: Under '1. Staff - Salaries and allowances', provision is made for the appointment of a Teacher for the elementary school at Kullishola proposed to be opened next year and for taking over the staff in the employ of the C.M.S. Elementary school at Old Coty, the management of which the Municipal council has decided to take over.

The opening of a school at Kullishola has been permitted by the Deputy Inspector of Schools, Coimbatore, and the Nilgiris, in his L.Dis.No. 766 E/49, dated 30th April 1949, but the school could not be opened during the current year, for want of a suitable building. The Pyrethrum shed belonging to the Forest department which is in disuse has been selected for the purpose with the approval of the Deputy Inspector of Schools, The Forest department is agreeable to rent the building for the purpose, but the matter is held up pending the sanction of the Chief Conservator of Forests, Madras, for the lease of the building for a nominal rent of Rs. 15 per month.

Necessary provision has been made for payment of dearness allowance as well as Local allowance at the rates sanctioned by Government.

Under contribution to Provident fund, provision for contribution to the Teachers in the employ of C.M.S. school is included.

The provision under '2. Contingencies - i house rent, Rs. 3,500 includes the rent to be paid for the C.M.S. school building at Old Coty, at Rs.25 per month as well as the rent to be paid to the Forest department for their building at Kullishola at Rs. 15 per month. Provision is also included under this head for the payment of a higher rent of Rs. 75 for the building occupied by the Muslim Boys' school in Main Bazaar.

The provision under '2. Contingencies - ii, Other items', Rs. 2,170 includes the contingent charges for the additional 6 teachers provided for in the budget estimate, as well as the increase in the contingent charges of Teachers by 50 per cent.

A sum of Rs. 110 is also provided for payment as contribution to the Play Festival.

Expenditure - Capital: Under this head, provision is made for the following works:

P.T.O.

	Rupees.
1. Construction of a new building for the elementary school at Mullikorai, ...	15,050.
2. Provision of playgrounds for the Municipal Elementary schools, ...	3,000.
3. Construction of a latrine for the Municipal elementary school at Pudumund, ...	1,000.
4. Purchase of furniture and apparatus for the proposed school at Kullishola and for other schools, which require additional furniture,	500.
Total	19,550.

The Municipal Council had taken steps as far back as 1947 to put up a new building for the elementary school at Mullikorai inview of the remarks of the Inspecting Officers of the Education department that the existing building, which is a rented one is unsuitable and inadequate for a school. But this proposal had to be deferred in view of the orders of the Government in their Memorandum No. 76907-47-3, Cl., Edn., dated 12th December 1947. However, having regard to the urgent necessity, to put up the building, the matter was pursued during 1948, with the result that the Director of Public Instruction in his letter R.C.No. 1614 B1/49, dated 7th September 1949, intimated that this scheme would be considered under Part II Schemes for 1950-51, and that the plan and estimates for the work have been finally approved by the Joint Consulting Architect for Rs. 15,050. In his letter R.C.No. 1614 B1/49, dated 18th October 1949, the Director of Public Instruction has intimated that the request of the Council for half grant is inadmissible as the building grant is restricted to half the expenditure subject to a maximum of Rs. 4,000 in the case of Lower Elementary school. In view of these communications, necessary provision is made for the proposed construction work taking credit for the maximum grant of Rs. 4,000 only.

As some of the schools are in need of playgrounds, and some playgrounds require improvement, a sum of Rs. 3,000 is provided for the purpose.

As no latrine is provided at present for the school at Pudumund, which is located in the building owned by the Municipal council, a sum of Rs. 1,000 is provided for the purpose.

The budget estimate is expected to close with a balance of Rs. 857.

The remarks of the District Educational Officer, Coimbatore and the Nilgiris are as follows:

The accommodation in the following schools needs extension:

(1) Higher Elementary school, Kodappamund,
(2) Main Bazaar Muslim Boys' School (requires urgent repairs also),
(3) Elementary school at Fernhil, -do-

Playground, garden space and adequate sanitary arrangements have to be provided in respect of the following schools:

(1) Municipal Girls' school, Kandal.
(2) Municipal Main Bazaar Muslim Boys' and girls' schools,

The following schools require equipments and garden tools:

(1) Municipal Main Bazaar Muslim Boys' and girls' schools,
(2) Elementary school, Fernhill,
(3) Kodappamund.

The Deputy Inspector of schools, Urdu Range, Coimbatore, hasmade similar remarks urging the necessity for the provision of playground, garden space and sanitary arrangements for the Municipal Girls' school

P.T.O.

at Kandal and Ootacamund and the Muslim Boys' School, Ootacamund, besides suggesting that Urdu maps of India and World, skipping ropes, local weights and measures and tools for gardening may be provided for these schools.

These proposals were duly considered in framing the budget and the following remarks are offered:

(1) The Higher Elementary school building at Kodappamund was enlarged during the year 1948-49, and the question of making further additions thereto meet the future needs of this growing school will be taken up separately and plans and estimate placed before the council for sanction.

(2) The Main Bazaar Muslim Boys' School is now located in the upstair portion of a private building. The question of taking up the entire building for the use of the school on a higher rent, i.e. Rs. 75 per month is under correspondence with the owner of the building. It is hoped that the entire building will be rented out by the owner on reasonable terms very soon.

(3) The elementary school at Fernhill is now located in a private building. As there is no other suitable building available in the locality, the Municipal council has acquired a site at a cost of Rs. 2,530. Necessary steps will be taken to prepare plans and estimate for putting up a building on that site. However, the fruition of such schemes as this depends much on the availability of funds and half grant from Government.

(4) A sum of Rs. 3,000 is provided in the budget estimate for the provision of play grounds and for improvement to the existing playgrounds. But it is not practicable either to provide playgrounds or sanitary arrangements to the Municipal Muslim Girls' school, Kandal, and the Girls' School in Main Bazaar so long as they continue to be located in the present buildings, as they are situated in congested localities where no open space is avalable. So far as the Muslim Boys' school in Main Bazaar is concerned steps have already been taken to secure the open space adjoining the school building and make it available for a garden. But this open space is not large enough for a latrine also being put up therein in addition to a garden.

(5) Necessary provision is made in the revised estimate for 1949-50 for the supply of equipments and garden tools to the three schools mentioned in the letter from the District Educational Officer.

(6) Provision is also made for the supply of Urdu Maps of India and World as well as local weights and skipping ropes to the Muslim Girls' schools and maps, charts, globes and materials and tools for gardening to the Main Bazaar Muslim Boys' school, Ootacamund.

Memo No: 101631/49-1-GEM dt. 3-2-50

The Commissioner, Odiyacammund Rcpt is informed that the total amount under the head "Expenditure - Ordinary" in the Elementary Education Fund Budget for 1950-51 of the municipal council should be Rs 43,940 instead of Rs 58,040/-, if the amount of Rs 33,900/- ~~taken credit of towards the payment of~~ Sharing against Salaries and allowances ~~to the municipal staff~~ is correct. He is requested to verify whether the amount ~~taken~~ of Rs 33,900 is correct, and if not, to state the correct amount. The matter should be treated as specially urgent and a report sent at a very early date ~~this Rcpt should be sent through the Director of Public Instruction~~

and Rs 1183/- towards the leave salary Contribution. Moreover, the total amount of Rs 58,040 ~~xxx~~ under the head "Expenditure - ordinary" is wrong. It should be Rs 43,940. It would therefore appear that the amount of Rs 33,900/- ~~taken credit for made towards~~ shown against ~~the payment of~~ 'Salaries and allowances' is wrong and it should definitely be a higher amount. The Commnr may be asked to state the correct figure before proceeding further. The draft overleaf is for approval.

From the office copy of the budget estimate in respect of the Elementary Education Fund of this Municipality for the year 1950--51, it is observed that besides the provision of a sum of Rs. 33,900, under "Salaries and allowances", a sum of Rs. 14,100 is also provided under the same heading to represent the Dearness allowance. Evidently this figure has been omitted in the fair-copy that was submitted to Government. This is regretted.

Roc. A.?. 10289/48, dated 21--2--1950.

Sir,

Tax - Ootacamund Municipal council - Property - vacant lands - fixation of rate of education tax - instructions requested.

In G.O.No. 1778, L.A., dated 24-9-1948, the Government gave direction that this Municipal council should levy tax on vacant lands, which are not exclusively used for agricultural purposes and are not occupied by or adjacent and appurtenant to buildings, at the rates specified below with effect from 1st October 1948.

1. Tax for general purpose at Rs. 2-0-0 per 320 sq. yards or part thereof.
2. Water and Drainage tax, Rs. 2-0-0 --do--
3. Scavenging tax, .. Rs. 0-8-0 --doe-

On representations made by the Council, that the levy of the tax on the basis of extent as aforesaid causes much hardship in the case of lands neither fit for cultivation nor fit for building purpose, the Government in their Order Ms. No. 434, L.A., dated 5-3-1949, directed this council to levy tax on the vacant lands aforesaid on their capital value with effect from 1st April 1949, at the rates given below:-

1. General purpose, 1/4 per cent. of the capital value.
2. Water & Drainage, 1/4 -do- -do-
3. Scavenging 1/16 -do- -do-

As this council is levying education tax on the vacant lands, the Government in the Education and Public Health department were addressed in this office letter A.?. No. 10289/48, dated 7-4-1949 to fix the corresponding rate of education tax to be levied in the vacant lands on the basis of extent from 1-10-1948 and on the basis of capital value from 1-4-1949 and the Government were reminded in this office letters No. A.?. 10289/48, dated 6-7-1949 and 10-8-1949 telegram dated 25-8-1949, D.O. letter dated 27-10-1949, telegram dated 15-12-1949 and D.O. letter dated 20-12-1949. But nothing is heard from the Government in the Education department till-today. I, therefore request that the Government may be pleased to issue instruction before the end of this month whether the special notices and supplemental bills for the period from 1st October 1949 to 31st March 1949 at the revised rates excluding the education tax may be prepared and issued for service. As the difference of tax for the half year ending 31st March 1949 cannot be demanded under rule 4(2) of Schedule IV of the Dt. Municipalities Act, un-less the tax is revised at the new rates and special notices served before 31st of March 1950, I request the favour of immediate reply.

I submit that this letter is addressed to the Government, Local Administration department, since the previous letters and telegrams in the subject addressed to the Government, Education department had no reply so far.

With reference to G.O. No. 1606, Education, dated 22-6-1948, a reply was submitted to Government through the Examiner of Local Fund Accounts, in this office No. 5942/48, dated 10-8-1948, to the effect that no revision of existing rates seemed necessary as this Municipality is already levying Education tax on lands including lands other than agricultural lands. The Examiner has returned the letter with an endorsement that according to the instructions contained in the above Government order the Education tax should be fixed at a certain percentage of the Property tax and that the tax now levied being at a certain percentage of the annual rentals, the proposals are not in conformity with the orders of Government. He has called for revised proposals in the matter. I am placing proposals before the Council and shall submit to Government its ~~decision~~. decision

Chairman, 17/4/50

Copy of my note to the Council, dated 24-3-1950.

The Government in their order No. G.O. 905, dated 18-3-1950 have passed orders on the Elementary Education Fund, in respect of revised estimate for 1949-50 and the budget estimate for the year 1950-51, and the alterations made by Government have been incorporated in the budget estimate as well as in the revised estimate. The following alterations have been contemplated by the Government.

(1) Revised estimate for 1949-50:- (i) The credit taken towards Government Grant under Section 37 of the Elementary Education Act is to be increased from Rs. 16,200 to Rs. 16,236.

(ii) The amount of Rs. 110/- provided for payment of the contribution to the play festival is to be deleted.

(2) Budget estimate for 1950-51:- (i) The credit taken under Govt. grant under section 37 of the Elementary Education Act is limited to Rs. 16,236.

(ii) Under "Expenditure Ordinary", the amount of Rs. 110/- shown against "Contribution to the play festival" to be deleted.

The above alterations have been carried out in the revised estimate for 1949-50 as well as in the budget estimate for 1950-51 and as altered with reference to the above orders, the revised estimate and the budget estimate close with a balance of Rs. 7,502/- and Rs. (-)351 respectively under the Elementary Education fund. The Government have also observed that steps should be taken to avoid the deficit of Rs. 351/- anticipated in the budget estimate for 1950-51, by economising the expenditure.

The remarks of the Government are noted and as far as possible, the deficit will be avoided.

An extract of the remarks of the Director of Public Instruction on the budget estimate has also been communicated by the Government, wherein the following observations are made, which require attention:-

"(1) The Muslim Boys' School, Main Bazaar and the Fernhill School are reported by the Dt. Educational Officer to be in need of urgent repairs and additional accommodation.

(2) Equipment in the Main Bazaar school and the Muslim Schools needs to be supplemented. Gardening tools are reported to be inadequate in schools and specially in the Municipal Higher Elementary school, Kodappamund.

(3) The Municipal council may be advised to open an Adult Literacy Class in the only Municipal Higher Ele. School".

The buildings in which the schools mentioned in para 1 above are located are both private ones. The owners of these buildings will be addressed in the matter. The requirements of equipment will be ascertained and action will be taken to supply the tools, if the financial position admits of such expenditure. As regards the opening of an Adult Literacy class in the Kodappamund Higher Ele. School, proposals willbe put up before the council after consulting the Dy. Inspector of Schools in the matter.

The remarks of the Director of Public Instruction, the Government orders on the budgets and the budget estimate as amended with reference to the Government order, are placed before the council for approval.
