EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

107 FEB 1950

Sir, Roc.No.927-K2/49 dated 12-2-1950.

Sub: Colleges - Presidency college, Madras - Geology
students - Field Training - Grant of Scholarships.
Ref: G.O.No.1842-Education dated 27-11-1941.

In enclosing herewith a copy of the letter Rc.No.701/49 dated 3-2-1950 from the Principal, Presidency College, Madras, together with a copy of the letter from the Director of Geological Survey of India No.16036/398(11) dated 24-11-1949, I have the honour to state that the provision sanctioned in the G.O. referred to above has not been utilised in the circumstances stated by the Principal and it is desirable that the Post Graduate students and the Junior members of the staff of the Presidency College should be benefited by the scheme of field training referred to by the Director, Geological Survey of India. I recommend that Government may be pleased to approve the proposal now made by the Principal and sanction an annual grant of Rs.600/- to cover two scholarships of Rs.150/- each per mensem for a period of 2 months.

Yours faithfully,

W. S. Srinivasan
for Director of Public Instruction.

BR, 13.2. 1950

Copy of Letter Rc.No.701/49 dated 3-2-1950 of the Principal, Presidency College, Madras to the Director of Public Instruction, Madras.

Ref: Proceedings of the Director of Public Instruction, Madras Rc.No. 927-K2/49 dated 28-1-1950.
Sub: Presidency College, Madras - Field Training in Geology.

The provision made in G.O.No.1842, Education, dated 27-11-1941 giving stipends for the Final year Honours students could not be utilised due to the Geological Survey of India having discontinued giving Field Training in the Southern Circle from 1943. However, the Government of India have introduced from 1948, the scheme of giving practical training in a different manner for selected candidates who have taken at least an Honours Degree in Geology and for Junior members of staff; the candidates are selected from all Universities, not exceeding two for each university. It is this arrangement that is referred to in the letter No.16036, dated, 24th November 1949.

Under the changed circumstances, I have to request you to address the Government for the grant of stipends to the selected candidates who will be those taking a post graduate M.Sc. in Geology or Junior members of staff. I recommend that a provision of Rs.600/- may kindly be made for giving training to two candidates from the Presidency College, Madras. Each candidate will receive Rs.150/- per month for two months the duration of the Training Camp.

The stipend proposed is justified on the following grounds:

- (1) The training is given outside the Province.
- (2) The trainee has to pay about Rs.75/- to the Geological Survey towards expenses incurred for tents etc.
- (3) The expenses by way of railway fares.

In view of the training being on an All India Basis, it is requested that the Provincial Government should encourage the scheme with reference to the Presidency College, Madras - the only institution affiliated to the University of Madras where students are trained for post graduate M.Sc. in Geology, for the past five years.

I have also to mention that the Director, Geological Survey of India, has suggested that the University should give more field

3
3
field training to the Geology students of the Presidency College whom he considered to be the best in India" (Vide Proceedings of the Director of Public Instruction Re.No.1314-X2/48 dated 7-4-1949 - Government of Madras, Development Department, Memorandum No.96103-J/48 dated 18-3-1949).

Geological Survey of India, Calcutta to the Registrar, University of Madras.

Sub: Post-Graduate field Training in Geology.

You will be pleased to learn that the Government of India have sanctioned the abolition with effect from the current field season of the fee of Rs. 250/- per student charged from the post-graduates in respect of the field training imparted to them by the Geological Survey of India at its annual training camp, subject to the following conditions:-

- (i) the students pay all their personal expenses,
- (ii) no extra cost is incurred by the Geological Survey of India on their behalf, and
- (iii) the students are made to accept responsibility for any damage to or loss of any departmental instruments resulting from their carelessness.

As it has been decided to start the next training camp at the beginning of January, 1950, would you kindly communicate to me at a very early date the names of two selected post-graduate students of Geology in order of preference, or a junior member of staff of your Geology Department, who are willing to attend this season's training camp on the conditions laid down above. It may not be possible, however, to accept more than one student. The matter may please be treated as very urgent.

Presidency College, Madras -
Certain Scholarships

cf From the D.P.I. No. 927 K₂/49 of 3.7.50

The D.P.I. enquires whether the
K/7 scholarships sanctioned in G.O. No 906 K₂
of 18.3.50 can be held in addition to
the scholarships sanctioned in G.O. No 860
Z/11/4 K₂ of 23.4.46. The two scholarships in
Geology, sanctioned in the G.O. first
mentioned, are of the value of Rs 100 each p.m.
and are for 2 months only each year. Their
purpose is to enable the holders to undergo the
field training at the annual training
Camp of the Geological Survey of India.
Z/11/4 of the ten annual scholarships of the
value of Rs 75 each p.m. sanctioned in the
other G.O., only 1 scholarship is for Geology.
As the former scholarships are tenable
only for 2 months in a yr and are for
a special field training course, for which
the holders are likely to incur extra
costs and above the scholarship amount,
it seems that there need be no objection
to the two scholarships being held together
for orders whether the D.P.I. may be
informed accordingly.
Finance may see.

training with Geological Survey Parties-1949-50-

Ref:-Letter No.T.9 Camp I-1030 dated 10-11-50 from the
Accountant-General, Madras.

In enclosing herewith a copy of the letter from the
Accountant-General, Madras referred to above, I have the
honour to request that in the circumstances stated by the
Accountant-General, Government may be pleased to sanction
the drawal of scholarship amount of Rs.300/-for 1949-50 in
the current year.

Yours faithfully,

M. S. Srinivasan

For Director of Public Instruction.

Pjn 24/11. *(Signature)*

Copy of letter from the Accountant-General, Madras to the
Director of Public Instruction with No.T9.Comp.I.1030 dated 10th
November 1950.

Sub:-Payment of Scholarships-Geology students in Presidency
College-For undergoing field training with Geological
Survey parties.

Ref:-1. G.O.906 Education dated 18-3-50. 2. Your Proceedings
6259/50 dated 31-8-50 communicating Government Memorandum
No.18625-G.50.2 dated 21-8-50.

Sanction has been accorded in G.O.906 Education dated
18th March 1950 for the grant of scholarship of the value of
Rs.150/- each per mensem for two months each year for two
candidates in the Presidency College, Madras. Normally the
claim of the above scholarships for 49-50 should have been
made before 31st March 1950. The Principal, Presidency
College, has now presented a bill claiming scholarship of
Rs.300/- relating to 49-50 stating that he received the
sanction communicated in your proceedings No.6259 dated 31-8-50
only on 5-9-50. The Government memorandum No.18625 dated
21-8-50 states that the Scholarship can be held in conjunction
with another scholarship already sanctioned and does not
specifically authorise payment of scholarship for 1949-50
in the official year 1950-51.

Specific orders of Government permitting the drawal of
Scholarship for 49-50 during the current year may please be
obtained.
