R.C.No.1264-M/49.

OFFICE OF THE DIRECTOR OF  
PUBLIC INSTRUCTION,  
Madras-6, Dated 8--3--1950.

From

The Director of Public Instruction,  
M A D R A S.

The Secretary to Government,  
Education and Department, Madras.

BASIC EDUCATION - Employment of an Upper division clerk  
under the Basic Education Officer - Continuance of -  
Recommending.

REF: G.O.No.Ms.3689 Education dated 1st December 1949.

Government have in their order referred to above sanctioned  
the employment of an additional upper division clerk in the Basic  
Education section of this office till 31-3-1950. I request that  
Government may be pleased to sanction the continuance of the post  
for a further period of two years in the circumstances explained  
below:-

As reported to Government in my letter R.C.No.1264-M/49 dated  
4-11-1949, proposals are afoot for the opening of new Basic Training  
Schools during 1950-51. Questions relating to the selection of  
sites for new schools, to the construction of buildings for these  
etc. have to be considered expeditiously.

As per G.O.No.Ms.3391 Education dated 5-11-1949, an Advisory  
Board for Basic Education has been created. Meetings of this  
Board will be held periodically. Proposals have to be formulated  
for the consideration of the Board at its meetings and action has  
to be taken on the decisions arrived at.

With a view to improve the craft work done in Basic Schools  
and Basic Training Schools, craft reports which were hitherto  
received once in four months are now being received every month.  
These reports when they are received, have to be scrutinised and  
tabulated. Suggestions have also to be offered for improving  
the craft work in the numerous institutions. This work which in-  
volves a lot of time even now, will increase further with the  
opening of new Basic Schools and Basic Training Schools.

It may also be pointed out that as already mentioned in my  
letter dated 4-11-1949, Basic education work being new, noting and  
drafting are not of a routine nature and much thought and atten-  
tion have to be bestowed in preparing these.

The continuance of the upper division clerk sanctioned in the  
G.O. referred to above is therefore absolutely necessary and I  
request that Government may be pleased to accord sanction for the  
same.

Yours faithfully,

*Thiruvananthapuram*

for DIRECTOR OF PUBLIC INSTRUCTION.

The reference from the Director of Public Instruction in the C.F. and Education Department note on page 1 above may be perused.

When the question of sanctioning the additional Upper Division clerk was under consideration in November, 1949, this Department observed that the average number of currents per clerk per day come to 6.9 during January to June 1949 and that there was no case at all for the post. H.M.(Education), however, suggested that the post might be allowed till 31-3-50 as it was reported that the work relating to Basic Education was new. The minutes of H.M.(Education) contemplated the employment of the Upper Division clerk only upto 31-3-50. This Department may suggest that the post may be abolished on the expiry of the present sanction.

The proposal may be agreed to in Feb
