Madras.

Sir,

Sub: Universities - Grant - drawal - 1949-50.

Ref: Your letter No. 1836 F/50-1 Edn. d.11-3-50.

I submit herewith my application for the disbursement of non-recurring grant due for 1949-50.

1. Construction of Hostels.

The progressive value of work done up to March, 1950 as certified by the Executive Engineer, South Arcot (Original certificate enclosed) is Rs. 2,42,292-2-0. Deducting Rs. 2,28,188/-, the value of work done up to March, 1949 as certified by the Executive Engineer, South Arcot in March last and against which the University has already drawn grants on half-grant basis in instalments beginning from 1946-47, the net value of work done for the year 1949-50 is Rs.14,104-0-0. A sum of Rs.7,052/- on half-grant basis may be sanctioned.

2. Drainage Scheme. In Government's letter Ref: No. 34999/G2/49-7 Edn. d.7-1-50, Government have been pleased to permit the University to call for quotations for the materials necessary for the works connected with the drainage scheme and to make payments within the sanctioned amount of Rs.1.5 lakhs for 1949-50.

Accordingly, quotations for materials like stoneware pipes were called for and orders were placed with the Mysore Stoneware Pipes and Potteries Ltd., Bangalore for supply of pipes at the rates approved by the Syndicate at its meeting held on 10-3-1950. 5,966 R.ft. of pipes have been received and a sum of Rs.14,497-13-0 has been paid. A sum of Rs.266/- has been paid as cartage. One Overseer, a Clerk and two coolies have been appointed to attend to the Drainage work and their pay and Dearness Allowance to the end of March, 1950.

The University has not yet sent its application for the disbursement of grant. A draft telegraphic remittance is sub. for approval. After seeing finance may see, with reference to the Asst. Secy's note on p.3 ante.

Sir,

Sub: G.O. 938 Education dated 21-3--'50 sanctioning non-recurring grants for the Annamalai University - Drainage Scheme etc.

pp 4-5 of (V)

In continuation of my letter Roc 4310/B1/50 dated 18--3--'50, I have to state that in addition to the sum of Rs.15,221--11--0 being the cost incurred on the Drainage Scheme for the year 1949--50 as shown in the statement of expenditure enclosed with the application for sanction of grant, a sum of Rs.5,000/- has been paid as part payment towards the fees for the preparation of estimates for the Drainage Scheme to Rao Bahadur Sri T.R.Srinivasachariar, Consulting Engineer, Madras, who was entrusted with the work by the Syndicate of the University. This claim has been omitted in my previous application.

In the circumstances, I request that Government may be pleased to issue orders for the payment of Rs.2,500/- being the one half of expenditure incurred under this head.

Yours faithfully,

UNIVERSITY - Annamalai - Grant - Construction of hostels -
Drainage Scheme - Disbursement in 1949-50 - Ordered.

C.No.1836/50. From the Registrar, Annamalai University, No.ROC.4310-B1/50 dated 18.3.1950.

The Registrar, Annamalai University, has requested the disbursement of grants ~~due~~ to the University during the current year for the schemes relating to the construction of hostels and the construction of a drainage.

Construction of hostels. - The total sanctioned grant for this scheme is Rs. 4.5 lakhs, based on half the estimated cost to the University. The University had spent up to the end of 1948-49 a sum of Rs. 2,28,188-2-0 and had drawn a grant of Rs. 1,14,094-0-0. The ~~Registrar~~ expenditure incurred on the work up to the ~~end of~~ ^{15-3-50 in} the current year is Rs.2,42,292/2-0. Hence the actual expenditure incurred by the University during 1949-50 is Rs. 14,104-0-0. Half of this amount, viz. Rs. 7,052/- may be paid as grant to the University for this work during the current year.

Construction of Drainage. - The grant sanctioned for this work by Govt. is Rs. 3.5 lakhs, which represents ^{nearly} one-half of the ^{estimated} University's expenditure on this work, viz. Rs. 7.035 lakhs. The expenditure actually incurred by the University up till now is Rs.15,221-11-0. Though the University wants ^{this} ~~the~~ entire amount as grant in the current year, ~~only a half of that amount, viz. Rs.7,611/-~~ the University is eligible ~~only~~ for only Rs.7,611/- (half the expenditure) as grant ~~payable~~ during the current year. This amount may be sanctioned now.

A draft order sanctioning the above grants is submitted for approval. ~~Finance may see to it that~~ Necessary provision exists for these grants in the current year's estimates. Finance may see the draft order before ~~same~~.

NOTE. - Finance may see the draft before issue.

Rule 53(1) of the Grant-in-aid code allows an architect's or engineer's fee being taken into account for purposes of building grants for educational institutions. On this analogy, the Engineer's fee in this case may be admitted for purposes of the grant payable for the Drainage scheme of the University. It is recalled that there was provision for this item in the estimate for Rs 7,035.00 allowed in G.O. 578 Edn. 23/1/50.
