Memo no 93073 B1/49-3 Education dated 11.1.50.

The DPI is informed that a company of 156 cadets has been allotted to the Presidency college and to Govt Arts College Anantapur and the number of cadets allotted to the former is 104 and to the latter is 52. The Officer Commanding the 1st Madras Bn. N.C.C has reported that the University of Madras has agreed to his proposal to raise the strength of the detachment of the Company at Anantapur from 52 to 104 and to reduce the strength of the detachment in the Presidency College Madras from 104 to 52. ~~If~~

this can be given effect to only if it is possible to transfer one of the three trained N.C.C officers in the Presidency College, Madras to the Govt Arts College, Anantapur from the beginning of the next academic year. Otherwise one of the members of the teaching staff in the Govt Arts College Anantapur will have to be trained and the Govt will have to incur additional expenditure on this account. The DPI is therefore requested to report whether it would be possible to transfer one of the three trained N.C.C officers in the Presidency College Madras to Anantapur

2. As regards Government Memo.No.93073 B1/49-3 Education, dated 11-1-1950 I have consulted both the Principal, Government Arts College, Anantapur and the Principal, Presidency College, Madras. The Principal Government Arts College, Anantapur agrees that in view of the great demand the strength of cadets may be increased from 52 to 104. He states that two officers, are enough to command two platoons. If however, it is considered necessary to train an additional officer, one of the younger members of the staff in the college may be sent up for training. The Principal, Presidency College, Madras states that no member of the staff of his college can be spared as they are useful for Honours Classes. I enclose herewith copies of the letters from both the Principals. In the circumstances stated by the Principals I suggest that a member of the staff from the Government

Subject:- NCC SENIOR DIV - IST MADRAS BATTALION - DETACHMENT IN THE GOVT ARTS COLLEGE, ANANTAPUR - RAISING OF THE STRENGTH OF CADETS

Sir,

Reference your letter No93073-B1/49-5 Education dated 22-2-50.

I am directed to state that with the proposed increase in strength of cadets to 104 at Govt Arts College, Anantapur, the College should have three NCC officers. The strength of a platoon (52) is considered quite large to be trained and managed by a NCC officer. In the interests of efficiency and to ensure standard of training, it is felt that this College should have full quota of officers.

2. It is therefore proposed that a member of the staff of Arts College should be selected and trained with a regular Army unit with a view to commission him in the N.C.C.

Subject:- PRE-COMMISSION TRAINING - SENIOR DIVISION NCC

Sir,

I am directed to state that there are, at present, the following deficiencies in the number of Senior Division NCC Officers with the existing Infantry Units in the Province :

1st Madras Bn NCC	-	2 Officers
2nd Madras Bn NCC	-	3 Officers (includes one required in replacement of 2/Lt.V.G.Rangarajan who has been recommended for relinquishment of Commission, vide Govt of Madras E & PH letter No.83473-B1/49/4-Edn of 20 Jan 50).
Annamalai Indep Coy NCC	-	1 Officer (vice 2/Lt.C.Thangayyan who has been recommended to resign his Commission vide this HQ No.99/ZC of 21 Feb 50 - copy attached).
	Total -	6 officers

2. Arrangements are in hand for the training of 10 Senior Div NCC officers for Andhra University and it is intended to train the above 6 officers at the same time. The training is due to start about 15 Apr 50.

3. Will you please make arrangements to select suitable candidates and make them available for training about 15 Apr 50. The civilian military board to be constituted for the selection of 10 Senior Div NCC officers for Andhra University may also select 6 Senior Division officers required for the above mentioned units.

Subject:- PRE-COMMISSION TRAINING FOR ADDITIONAL NCC OFFICERS REQUIRED TO COMPLETE THE DEFICIENCIES IN THE INFANTRY NCC UNITS OF SENIOR DIVISION

Sir,

I am to refer to your letter No.93073/B1/49-10 Education dated 6 Mar 50 and to state that in accordance with para 2 of NCC Directorate letter No.0238/50/NCC dated 22 Feb 50 addressed to you with copy to me, I am responsible for making all necessary arrangements for pre-commission training of Senior Division officer cadets. I have accordingly made necessary arrangements and have communicated to you of the arrangements made, vide my letter of even No. dated 2 Mar 50. NCC Dte have also forwarded your letter No.93073-N/49-7 dated 3 Mar 50 to me for arranging the training of officer cadets required to complete the deficiencies in the existing NCC Infantry Units of the Senior Division.

2. It has been arranged that 69 teachers and 10 professors required to undergo pre-commission training for ultimate appointments in the new units that are being raised, will be attached to Madras Regimental Centre, Willington and 2nd Travancore Infantry, Madras, respectively from 15 April 50. Copies of my letters written in this connection to the Registrar, Andhra University, Waltair and D.P.I. are enclosed for your information.

3. Further action to arrange for the pre-commission training of officer cadets required to complete the deficiencies in the existing infantry NCC units of the Senior Div is in hand. When the place of their training is decided, it will be communicated to you. In the meanwhile arrangements may be made to constitute the Board for the selection of officers and the date and time of its meeting may be communicated to me, as required in HQ Madras Sub Area letter No.24018 A dated 10/11 Mar 50 addressed to you, with copy to me.

4. 2/Lt.Thangayan has submitted his resignation as a result of his having been found unsuitable for further retention in the NCC. It is, therefore, anticipated that his resignation will most probably be accepted by the Director NCC. In view of this and the fact that Annamalai Indep Coy will have to function with one officer short for the whole of the next training year in case no provision is made to train an officer during this summer vacation, you may please reconsider and say whether you agree to a professor from Annamalai University being selected for undergoing pre-commission training during the ensuing summer vacation, to replace 2/Lt.Thangayan.

Yours faithfully,

Sir,

I am directed to refer to my letter No.0238/50/NCC dated 12 Jan 1950, wherein the number of college and school teaching staff members to be detailed for pre-commission training was sent to you.

2. Commanders of N.C.C. Circles will make all necessary arrangements for pre-commission training of Senior Division Infantry unit officer cadets and Junior Division officer cadets. They will arrange this in consultation with your Government.

3. Officer cadets have to be detailed by you for Senior Division units, other than Infantry units. A few of those trained last year, about whom information has already been sent to you, have been recommended to undergo additional training before being granted commissions. The number of gentlemen to be sent for training, the place of training, the period of training and date on which they should report is given below:-

Unit	Numbers to be sent	Place of training	Period of training	Date on which to report	Remarks
Engineers	1	KIRKEE (Bombay Engineer Centre).	4 months	15 April 1950	: from Engineering College, Guindy.
Medical	1	POONA	3 months	15 April 1950	: as replacement for 2/Lt SARATHY.
EME	1	KIRKEE (IEME School)	3 months	15 April 1950	: already selected by Principal, Engineering College, Guindy.

4. These officer cadets must report for training on the dates stated. The difficulties of colleges are fully appreciated but it must also be realised that Army units must have sufficient number of trainees whom they can train economically.

5. The officer cadets will receive daily allowance during the training period and travelling allowance to the Army unit in accordance with para 4 of Schedule II of the N.C.C. Rules. If, however, the trainees are commissioned officers, they will receive pay and travelling fare in accordance with Para 1 of Schedule II of the N.C.C. Rules. The money may be placed at the disposal of the Circle Commander for issue to the officer cadets or officers, for payment prior to their despatch to the Army unit.

COPY OF LETTER R.O.C. No. 2-49-A/47 dated 16th March 1950 from the Principal, College of Engineering, Guindy, to the Director of Public Instruction, MADRAS.

Ref: Your R.C. No.1051-W.4/50 dated 11.3.1950, regarding training of National Cadet Corps, officers required to complete the strength of officers.

40

With reference to your proceedings read above I would like to bring the following points for your kind consideration.

In the selection of officers for the National Cadet Corps it is very desirable that either professors or instructors of this College should be selected as they belong to senior categories and are therefore likely to exercise the necessary control and discipline over the students. The Professors will be automatically barred as they will be above the age rule fixed for National Cadet Corps Officers. The instructors are, therefore, only left for selection. It would not be advisable to select Assistant Instructors or Laboratory Assistants as they are fairly junior in service and most of them have not been regularised and even if regularised it is likely that they may leave the educational department for better prospects in any other departments.

Following this procedure, last year I recommended for the R.I.E. Sri C.G. Swaminathan an oversea scholar and Sri P.E. John, both instructors of this College. Unfortunately Mr. Swaminathan was selected and Mr. John for no apparent reason was rejected. I have, therefore, once again recommended Sri John this year and request that every effort may be made to see that he is selected for training. As I have now been asked by the Director to give additional names I have no other alternative but to suggest Mr. C. Parasuram, Hydraulic Laboratory Assistant for the same. Sri Parasuram has been working in the college for the last one year and two months and will be regularised in his appointment shortly. He is willing to be selected for National Codet Corps training in the event of Mr. John not being selected. The other members of staff of the Civil Engineering Department from whom the selection has to be made are mainly from the Public Works Department on service in this College and are likely to go back to the department at any moment.

I have already suggested the names of Mr.R.G. Janakiraman, Electric Laboratory Assistant and Mr. N.V. Kuduva, Instructor in Telecommunication Engineering as suitable candidates for the E.M.E. Subsequent to my recommendation Mr. Kuduva has expressed his inability to stay on in the College and has requested the Director to consider his release from the educational Department. Further the Government will have to pass orders about the release of Mr. Kuduva and if he is released there would be no point in sending him for training. Every effort may, therefore, be made to select Mr. Janakiraman for training this year as he is an approved probationer and likely to continue in the College.

The only other member of staff who is willing and is likely to make a good officer is Mr. A.S. Davis, Assistant Instructor in Mechanical Engineering. As he has just now undergone an operation it is doubtful whether he would be physically fit to undergo the rigorous military training during this summer vacation. He is now on leave on accojnt of the operation and is expected to return to duty on the 25th instant. The selection of officers for the E.M.E. must either be from the Mechanical Department or from the Electrical Department. The other officers in the two departments are either not willing to undergo military training for the National Cadet Corps or are not suitable to be selected as officers. The two officers now recommended are, one for the R.I.E. and one for the I.E.M.E., as follows:-

Sri C. Parasuman .... R.I.E.
Sri A.S. Davis. .... I.E.M.E.

The Officer Commanding the 2nd Madras Infantry Battalion of the National Cadet Corps has reported that the companies in the Government College, Kumbakonam, and in the National College, Tiruchirapalli, are still short of one and two officers respectively and has requested that three more officers may be trained to complete the full strength ~~in the~~ of officers of his battalion. The total number of Ex-UOTC officers in the battalion who have already been commissioned is seven and the eleven officers trained during the current year have been accepted for commission into the N.C.C. The number of officers yet to be trained is only two; but the O.C. has apparently taken into account one additional officer in the place of one of the eleven officers referred to above, namely, Mr. V.G. Rangarajan (National College, Tiruchirapalli) who has applied for the relinquishment of the NCC commission on account of this commissioned appointment in the Army. From the Director of Public Instruction, Roc.No.1051-W4/450

The Director of Public Instruction has recommended that Sri N.V. Kudva, Junior Instructor in Tele-Communication Engineering and Sri R.G. Janakiram, Electrical Laboratory Asst., College of Engineering, may be deputed for undergoing training with the Regular Army units during the ensuing summer vacation. Presumably, one of the two officers is for the 2nd Madras Electrical and Mechanical Engineer Section and the other for the 3rd Madras Engineer Centre to be trained in the place of Lt. V. 2. In regard to the raising of the strength of the ~~company~~ detachment of the ~~1st Madras~~ N.C.C Infantry ~~Battalion, raised~~ Company in the Govt. Arts College, Anantapur, by reducing the strength of the ~~company~~ detachment in the Presidency College, the Director recommends that in view of the great demand for the increase of the number of cadets in the ~~latter~~ former college, the proposal may be approved. But he considers that two officers will be sufficient to man the detachment of 104 cadets and if, however, it is considered necessary to have three officers, he will ~~be~~ suggest the name of one ~~more~~ officer to be trained during the summer vacation. According to the scale of NCC Officers for the units, each company of the battalion should have five officers and if the strength of the detachment is raised to 104 cadets, it should have three officers. that the strength of a platoon, namely, 52 cadets is quite a large number to be trained and managed by an N.C.C. officer. In the interests of efficiency and to ensure a standard of training, he considers that one more officer should be trained for the detachment in the Govt. Arts College, Anantapur. If the Commander's view is agreed to, the total number of officers to be trained for the Ist and 2nd Madras Battalions will be as follows:-

1st Madras Infantry Battalion. ... Four.

2nd Madras Infantry Battalion. ... Three.

For orders whether the Commander's recommendation may be accepted. [No action is necessary in this file in regard to the training of the N.C.C. officers for the technical units, as action has been taken separately.]

2. After orders are passed, the Dir., N.C.C., may be addressed for making necessary arrangements with the authorities of the Regular Army for the training of officers. The Regr., University of Madras may be requested to select the a sufficient number of officers to appear before the Ist. Civilian Army Selection Board ~~at~~ Hd. Qrs., Madras Area (may be addressed) to nominate ~~an~~ a member of the Regular Army to the board.

for selection by the Joint Civilian Army Selection Board before being sent up for training with the Regular Army unit. The constitution of the Board will be ordered as soon as the replies from the Director, N.C.C., and the H.Q., Madras Area, to the letters on pp. 17-18 and 21-22 c.f. are recd. 2. The Commander has reported that the 2nd Lt. C. Thangayyan of the Annamalai Independent Company, N.C.C., has tendered his resignation of the commission. As the resignation ~~will most~~ is likely be accepted, he recommends that another member of the teaching staff of the Annamalai University may now be selected and sent up for training with the Regular Army unit during the coming summer vacation. According to rules 30(1)(c) (the application of) of the N.C.C. Rules, an officer who is not entitled to the discharge under the rules and who desires to be discharged prior to the expiry of the period for which he was commissioned, should be considered by the Senior Division Advisory Committee and then it should be forwarded together with the recommendations of the Committee to the Director, N.C.C., for necessary action. The Senior Division Advisory Committee will normally meet once in three months. The committee last met in January 1950 and the next meeting may be held in April or May next. It does not seem necessary to take action, at present, for the training of an officer in anticipation that the resignation of 2nd Lt. C. Thangayyan ~~will be~~ having been accepted by the Director, N.C.C. If the officer's resignation is accepted, the unit may continue to function with the remaining four officers and another officer may be trained during the summer vacation in 1951-2. ~~For orders~~ ~~as~~ ~~he is to appear before the Selection Board.~~ There is hardly time to select an officer and get him before the Selection Board this month.

3. In order to enable the cadet officers to purchase the necessary clothing before they proceed to the training centre, the Commander requests that they may be paid an advance of Rs.100/- out of the out-fit allowance of Rs.250/- for which they are eligible on being commissioned into the NCC after the training. It is usual to sanction the payment of this advance

along with the orders sanctioning the ~~cum~~ incurring of expenditure on the payment of the travelling and daily allowances to the trainees for the period of their training. After the selection of the officers is finished by the Joint Civilian Army Selection Board, an estimate of cost on the payment of these allowance to the officers selected has to be called for from the Officers Commanding the units concerned. The Commander may, therefore, be informed that the payment of the out-fit allowance to the cadet officers will be sanctioned after they are selected by the Joint Civilian Army Board and when orders are issued for the payment of the travelling and daily allowances ~~to them~~ for the period of the training.

NATIONAL CADET CORPS - Senior Division - 2nd Madras Electrical & Mechanical Engineer Section, 3rd Madras Engineer Centre and 6th Madras Medical Company - Training of N.C.C. officers required to complete the strength of officers.

14408 A

From the Director, National Cadet Corps, No.0238-50-N.C.C

dated the 22nd February 1950.

Please see the letter from the Director, National Cadet Corps, on page 1 c.f. Three N.C.C. officers, at the rate of one for each of the three Specialist units, namely, 2nd Madras E.M.E. Section, 3rd Madras Engineer Centre and 6th Madras Medical Company, have to be sent up for training with Regular Army units to complete the strength of officers (for the units). The D.P.I. has already suggested the names of two members of the teaching staff of the Engineering College (Sri R.G. Janakiram, Electrical Laboratory Assistant and Sri N.V. Kudva, Junior Instructor in Tele-Communication Engineering) for the purpose. ~~As it~~ In the event of any of these nominees being considered as unfit ~~may be possible that any one of these two members or both~~ ~~may not be selected~~ by the Joint Civilian Army Selection Board for want of the standard of physical fitness prescribed by the Director, N.C.C., ~~the D.P.I. may be asked to select two more officers from the college - one for the selected. As there is hardly time to complete the formalities it is for consideration whether the DPI may be asked to suggest~~ another officer will have the formalities

the names of two more officers one for the Engineer Unit and the other for the E.M.E. unit. The S.G. may also be asked to suggest the names of two members of teaching staff of the medical colleges ~~in~~ at Madras for the 6th Madras Medical Company.

2. Before the officers are sent up for training with the Regular Army units, they should be selected by a Joint Civilian Army Selection Board, consisting of (i) the Vice Chancellor of the University concerned or the D.P.I. as Chairman, (ii) a Regular Army Officer nominated by the H.Qrs. of the Area concerned and (iii) a non-official nominated by the Provincial Government. The H.Qrs., Madras Area may be requested to nominate a Regular Army Officer to the Board.

reported to have resigned his commission in the N.C.C., attention is invited to the notes in para 2 on page 8 ante. In the circumstances stated therein, it is not necessary to reconsider the matter. The Commander may be informed that the Government are still of the view expressed in para 2 of the letter on pages 26-27 c.f.

2. The Headquarters, Madras Sub Area, have nominated the Commander, 2nd Circle, N.C.C., to serve in as a member of the Regular Army of the Joint Civilian Army Selection Board proposed to be constituted for the selection of N.C.C. Officers required to complete the strength of officers of the Senior Division units in the Madras University area. H.M. (E & L) has also approved the nomination of Sri V.S. Thyagaraja Mudaliar as the non-official member of the board. The Commander is making the necessary arrangements for the training of the officers. The Registrar, University of Madras, the Director of Public Instruction and the S.G. have been requested to select a sufficient number of candidates from among the members of the teaching staff of the colleges concerned for appearing before the board for selection. It does not seem necessary to wait for their replies. Orders constituting the board may now be issued and the Director and the S.G. may be asked to report the names of the candidates selected to the Registrar, University of Madras. If so, the draft order below is for approval. A draft letter is also submitted for approval with reference to para 1 above.
