[DESPATCH ABSTRACT]

Colleges - St. Joseph's College, Tiruchirappalli.
Extension to the college buildings -
Grant from the Central Govt -
Declined

PHONE No. 70

90857

Dear Sir,

We have submitted our application under the grant in aid code for a building grant in respect of the of the proposed extension of the Science Block of the St. Joseph's College, Tiruchirapalli. The Science sections are intended to be housed in the new additions.

We have also applied to the University for the permission to start M.Sc. course in Physics and Chemistry. We expect the same to be granted. Our application for building grant has been approved by the University of Madras and the consulting Architect of Madras. It is now submitted by the Director of Public Instruction to the Government for orders.

We submit that this a case where the usual grant will not meet the ends of justice. The proposed extension should be treated under the head of grants for Scientific developments.

If the Provincial Government for any reason feels that it is not possible to sanction the full grant I request you to be good enough to recommend our application to the Dominion Government for sanction under the Scientific development scheme.

Yours faithfully,

J Kalathil sg
RECTOR

To

The Secretary to the Govt. of India,
Ministry of Education, New Delhi (with *extra*
Copy of letter on p. of margin)

Sir,

Sub: COLLEGES - St. Joseph's College, Tiruchira-
palli - Extension to the College buildings -
Grant.

I am directed to forward for the consideration of the G. of I. and for their order a letter dated 16-11-49 from the management of the St. Joseph's College, Tiruchirappalli which is a I Grade College offering courses upto the Honours Standard and to state that ~~that~~ management have in hand a scheme for the extension of the college buildings at an estimated cost of Rs. 4,27,000/-. I am to state that the Provincial Govt. do not sanction a grant ^{equivalent to} of the entire cost of building scheme in respect of ~~aided~~ ^{non-aided} Colleges ^{in this Province} and that under the orders in force the scheme will be eligible for a grant of one half of the estimated cost of such schemes subject to a maximum grant of Rs. 75,000/-, irrespective of that cost.

2 This Govt. are made to understand that the management will find it difficult to secure the funds necessary to make up the difference between the estimated cost and the actual grant which this Govt. will make towards the scheme. I am to ask that the G. of I. may see their way to treat the case as special and consider sympathetically the management's request for aid from the Central Funds and communicate the orders of the G. of I. ^{in the matter} as early as possible.

E.&P.H.(G.2)

GRANT - Building - St. Joseph's College, Tiruchirapalli -
Extension of the Science Block - Inclusion in the Post-
War Development Programme.

C.No.90887/49. From the Rector, St. Joseph's College, Tiruchirapalli, dated
16.11.1949.

Minutes of H.M.(E.&L) on p.1c.f.
Secy E.P.H. "See whether we can do X below"

The Rector, St. Joseph's College, Tiruchirapalli, states
that he has submitted an application for a grant for the
construction of buildings for the extension of the Science
Block in the College, that he has applied to the University
for permission to start M.Sc. courses in Physics and Chemistry
and that the permission is expected soon. The application
of the management of the college for a ~~grant~~ ^{grant} for
this scheme ~~has been~~ ^{has been} submitted to the P.P.I. and on his
recommendation, the scheme has been included in the list of
approved buildings works for the quarter ending 30-9-49 at
an estimated cost of Rs.4,27,000/- and the management will
be eligible for a grant of ~~one half~~ ^{one half} of the actual expenditure
not exceeding Rs.75,000/-. The Rector now wants that if it
is not possible for the Provincial Govt. to make a full grant
for the scheme, the scheme may be recommended to the Govt. of
India for sanction under the Scientific Development Scheme.
Presumably he means ~~only that~~ ^{only that} by Science Development Scheme
"Post-War Development Programme."

2. Submitted that this Govt. cannot make a grant of more
than Rs.75,000/- for this scheme, as this is the limit
fixed by Govt. in respect of building grant payable to First
Grade Colleges. As regards the request of the management for
addressing the Govt. of India for a ~~full~~ grant for the scheme
under the Post-War Development Programme, it may be pointed out
that the Govt. of India have stated that grants are not likely
to be given for Development schemes in 1950-51 and that ~~they~~
this Govt. have therefore ordered that new schemes involving
large capital expenditure should as far as possible be avoided.
In the circumstances, it is submitted, ~~that~~ with reference to

'X' on p.1 c.f., that ~~the~~ the Govt. of India ~~will~~ ^{may agree to} not sanction a full grant for this scheme under the Post-War Development

Programme. The management of the College may be informed that the Govt. had already included the scheme in the approved list, that the scheme would be eligible for a maximum grant of Rs.75,000/-

if and when funds became available, and that the Govt. of India ~~are not likely to make any grant for this scheme in view of their latest decision to cut down expenditure on Post-War Grants~~

The file may be circulated to H.M.(E.&L) for orders.

Dev (P&D) and Fin. may see. prior to circulation.

Fin (Exp A)

(Previous Finance note on p. 2 above).

Please see the notes and orders in On in p. 3 above.
It is respectfully subd. that in view of the decision of the Govt. of India not to ^{give} grants to Provinces for D.A. and other Post-war Schemes for 1950-51, it seems that no useful purpose will be served by recommending the inclusion in the list of P.W.D. schemes, as the scheme by ~~inclusion of new schemes~~, as they will not qualify for any grant from the Centre. In any case the Govt. will not give a full grant under the P.W.D. scheme as they bear only 50% of the cost in respect of schemes approved by them, the other 50% being borne by the Govt. 50% of the estimated cost in the present case is R. 2,13,500 and the maximum grant that can be given by us under the existing policy is only R. 75,000.

4/12/49
2142700
213500

In view of the decision of the Govt. of India not to give any P.W.D. grant in 50-51 we may be compelled to go slow even with schemes which have already been commenced. Nothing is gained by addressing the Govt. of India for approving this as a P.W.D. scheme as no grant will in any case be available in 50-51.

Orders in circulation on p. 3 ante and the notes of this Department on p. 3 ante and the Finance department note above may be perused. Attention is solicited specially to the Finance Secretary's remarks at 'K' above. In the circumstances, it is no useful purpose may be served by addressing the Govt. of India for including ~~this~~ the scheme relating to the construction of ~~extension~~ buildings for the extension of the Science Block, St. Joseph's College, Tiruchirappalli, in the Post-War Development Programme. In view of the importance, which Govt. of India is attaching to scientific courses, we may remit the letter to the Govt. of India, so that it may take its own chance. The Loyala College received, in similar circumstances a grant from the Govt. of India, and only recently the Prime Minister has asked us to consider the case of Radio Technological Institute.

H. N. (E & L) I agree. The College Authorities feel that they can work up at Belthi & get R. of D. Agree. We need not stand in the way. If they fulfil so far so good. And if they are prepared to grant, this is a case where we should give our share also. In any case we may recommend to forward the letter.

8 JAN 1950
GOVERNMENT OF INDIA

Loyola was a post-graduate and this is a new proposition. Very unlikely India could agree to give. Better we don't forward it.

May be re-circulated to HM (Edn.) with reference
