C.No.46-D1/50 Dated 7--3--1950.

Sir,

Sub: Grant - Teaching - Special Grant on account of dearness allowance - Continuance of the additional Upper Division Clerk, Office of the Director of Public Instruction, Requested.

In G.O.No.1025 dated 7-4-1949, the Government sanctioned the continuance of the post of one additional Upper Division Clerk for work connected with the sanction of special grant on account of Dearness Allowance upto 31-3-1950. It is found necessary to continue the post for one more year beyond 31-3-1950 for the following reasons.

2. The orders notifying the adoption of enhanced rates of dearness allowance in Aided Educational Institutions issued in G.O.No.Ms.1388 Education, dated 29-5-1948 were communicated on 3-6-1948 to the managements through the subordinate officers. When the managements were asked to adopt the payment of enhanced rates from 1-1-1948 several managements came up with objection on the plea that they could not anticipate such additional expenditure and that they were unable to give retrospective effect resulting in the upset of their budget estimates. The arguments of the managements were considered reasonable and a lenient view of the situation was taken and accordingly such of those managements as did not adopt the enhanced rates from 1-1-1948 were asked to adopt it atleast from 1-7-1948. While scrutinising the financial statements for 1948-49 even with this lenient view, a lot of correspondence had to be carried on, with the result a temporary cut in the assessed grant had to be imposed on the managements for 1948-49 as a penalty for not paying Dearness Allowance at the enhanced rates. This had the desired effect and a large number of managements have since paid the balance of dearness allowance due to the adoption of the enhanced Government rates and sent certificates of disbursement.

3. Out of about 570 institutions (second grade colleges and Secondary Schools) about 250 have not paid dearness allowance originally at the enhanced rates from 1-1-48 and hence could not include the extra expenditure thereon in the Financial Statement for 1948-49. The expenditure on payment of the balance of dearness allowance due to the enforcement of the enhanced rate from 1-7-1948 was actually incurred by managements only during 1949-50 after it was brought to their notice by me. Hence the expenditure on such disbursements can be shown only in the financial statements for 1949-50. These will have to be scrutinised in the next financial year i.e., 1950-51 and grant due to those schools adjusted suitably.

4. Compensations for the loss of fee income foregone on account of the grant of concessions to Harijan pupils were paid in previous years along with the teaching grant. With effect from 1948-49, such grants have been ordered to be sanctioned to managements under a different head - Vide in this connection the orders passed by Government in G.O.No.Ms.48 Education dated 7-1-1950. This is an additional work and it will not be possible for the existing staff to attend to this work without assistance as the system has to be continued in subsequent years also.

5. Further, the work of the clerk, who deals with opening and recognition of aided Secondary Schools and who is attached to the Teaching grant section of my Office, has of late increased to such a very large extent, that it is not possible for him to cope without the assistance of an additional clerk.

6. In the circumstances stated above, I request that Government may be pleased to sanction the continuance of the post of Upper Division Clerk for a further period of one year from 31-3-1950.

Yours faithfully,

D. O. Puntanahie
