The College Foot Bridge Across the river Cauvery is maintain-
ed by the College with a watchman attached for preventing tresspass-
ers. Hitherto a sum of Rs. 2/- was collected from each student and
staff for the purposes of keeping the watchman and to carry out the
annual painting and repairs to the piers and the temporary wooden
decking, which always require attention. The Director of Public
Instruction, Madras has in his proceedings Roc No. 13 Audit /48
dated 11-11-1949 ordered to collect an annual subscription of
Re. 1/-(one only) from students and staff. The balance after meet-
ing the recurring annual expenditure will be reserved for use for
the replacement of this temporary decking by Reinforced concrete
decking.

2. The College Bridge Fund account was maintained by the
Secretary himself upto the end of the academic year 1948+49.
Since he represented to me to have the account maintained by the
office I have entrusted the work to one of the clerks in the
office. It is proposed to pay an annual remuneration of Rs. 40/-
(Forty only) commencing from the academic year 1949-50 after
obtaining the necessary sanction by a separate reference.

3. Under the circumstances I request that permission may
kindly be granted to Sri K. Kalimuthu, one of the clerks of this
college Office who is maintaining the account from the beginning
of this academic year, to accept the work and to receive the re-
muneration therefor now proposed to be paid from the academic
year 1949-50.
