The Director of Public Instruction,

ASST. SECRETARY TO GOVERNMENT

To

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- PUBLIC SERVICES -- K. Narayanaswami -- Peon Government Middle School for girls, Kumbakonam -- Fixation of pay.

8246

The Government Girls' Higher Elementary School, Kumbakonam, was handed over to the control of the Municipal Council, Kumbakonam, on 15-5-1924 and along with it the staff including a peon, K. Narayanaswami who was then in permanent employ under Government. The same school was again taken back by Government with effect from 3-6-46 vide G.O. No.Ms.694 Edn., dated 1--4--46 and was converted into a Middle School from that date. Consequent on this the peon was reabsorbed into Government Service. It is reported that the peon was drawing a pay of Rs.15/- per mensem with effect from 1--3--1943 in the scale of Rs.12-18. His pay is now proposed to be fixed as shown below on 3-6-46 and 1-1-47 respectively:

Z1

(A)/3Y

On 3-6-46 Rs.15/- P.M. under F.R. 22 (a) (ii)

On 1-1-47
Pay on 31-12-'46 - Rs.15/-
Revised scale - Rs.16-½ A - 25
Period of Service - Over 16 years.
Next Higher stage - Rs.16/-
4 Advance Increments of Rs.½ each - Rs.2/-.
Pay to be fixed - Rs.18/- p.m.

(A)/1

2. I request Government to approve this fixation of pay of the peon.

3. Owing to the loss of the service roll of the peon and the delay in opening of a duplicate the peon is reported to have been paid at the rate of Rs.12/- only p.m. from 3-6-46 to 31-12-46 and at the rate of Rs.16/- only per mensem from 1-1-47 onwards. The delay in fixing his pay is thus not due to the negligence of the peon and I therefore request Government to permit him to draw the arrears of pay from 3--6--46.

4. The favour of early orders is solicited.

Yours faithfully,

For Director of Public Instruction.

I invite your attention to the Government Memo No. 43021 A2/47 dated 23-6-47 wherein it was ordered that the whole service of the Local Board employees taken into Government Service might be taken into account for purposes of granting them advance increments and fixing their pay in the revised scales under sub-rules 'C' and 'g' of rule 9 of the Madras Revised Scale Pay Rules 1947. These orders have been followed in the case of all such transfers ordered prior to 1-1-1947. The question of granting similar concession for transfers ordered after 1-1-47 does not, of course, arise.

(S) 2

(G.O. 402 Edn 1/3/48)

X K. Narayanaswami being a pre-1933 incumbent his scale of pay was noted as Rs. 12- 18 but it is observed that he actually drew increments on the basis of the 1933 scale of Rs. 12- 17 only. On 31-12-1946 he had a service of 16 years and 10 months counted for purposes of ~~two~~ increments. His date of first appointment was 1-9-'20.

Sir,

Ref:-- Proceedings R.C.No.446 K.C.2109 dated 25--1--50 communicating a copy of G.O. No.98 dated 12--1--50.
Sub:-- Fixation of pay of K. Narayanaswami, Peon, Government Middle School for girls, Kumbakonam - Date of effect of the order - request for reconsideration - submitting the.

The Government Middle School for Girls, Kumbakonam was first under the direct management of the Government as Government Middle Elementary School upto 14--5--1924, again transferred to the Kumbakonam Municipality from 15--5--24 to 2--6--46 and again taken over by the Government from 3--6--46. I am working continuously in the same school as ~~from~~ peon from the beginning.

I was drawing Rs.15/- per mensem when the School was under the Municipal management and I was allowed the initial pay of Rs.12/- only from the date of transfer of the school to the Government, + Rs. 16/- p.m when the revised scales of pay rules 1947 came into force from 1-1-47

The Department was addressed several times for fixing my pay in the pre 1947 scale without reducing it to Rs.12/-. In the meantime revised scales of pay rules 1947 came into force from 1--1--47 and representations were made for fixing my pay by taking into account my previous services in the Municipality as well.

It was under correspondence from the date of receipt of the revised scales of pay rule 1947 and was fixed by the Government in the G.O. quoted above, i.e. Rs.15/- per mensem in the scale of Rs.12--17 from 3--6--46 and Rs.18--8--0 from 1--1--47. The same has been fixed as Rs.18--8--0 from 1--1--47 by taking into account my previous services of over 16 years.

P.T.O.

13/

--2--

In fixing my pay at Rs.18--8--0 from 1--1--47 in the revised scales of pay, it has also been ordered that no arrears of pay prior to the date of the order, i.e. 12--1--1950 should be allowed. In this connection I beg to submit that I was deprived of the benefit of my previous services for fixing the initial pay at the time of taking over the management of the school in 1946 and I was allowed to draw only Rs.12/- in the pre 1947 time scale of Rs.12--17 ~~which~~ while I was drawing Rs.15/- when the school was under the Municipality.

Secondly my fixation of pay was under correspondence even after receipt of 1947 scale of pay rules. I had to wait for the oders of higher authorities for fixing my pay and the same has been done only on 12--1--50 after prolonged correspondence for no fault of mine.

I am a peon, family man, with no means except the pay which I get.

It will be a great harship on me if I am deprived (1) of getting the arrears of pay from the date of transfer of the school to the Government on 3--6--46 and (2) the arrears of pay in the 1947 scale from 1--1--47 which will help my poor family to a great extent in these hard days.

Under the above circumstances I earnestly request that (1) I may be granted the arrears of my pay from the date of taking over the management of the school by the Government,(i.e. the difference of pay of Rs.15/- which I was drawing at the time of change of management and Rs.12/- the initial pay which I was allowed from the date of transfer of management); (2) the arrears of pay from 1--1--47 to date in the 1947 scale of pay as fixed by the Government now.

X If both the requests are not feasable, at least the difference of pay which I am drawing from 1--1--47 and the pay fixed now in the 1947 scale may kindly be sanctioned as a special case considering my pecuniary circumstances, as the delay in fixing my pay in the 1947 scale also is not due to my fault.

I beg to remain,
Sir,
Your most obedient servant,
K. Narayanaswamy

2. The petition dated 24th April, 1950 requesting for reconsidering the orders passed already and to order for claiming the arrears of my salary with effect from the date allowed in G.O. 3. Proceedings R.c.No. 840 C8/50 dated 3--8--50 revising the previous orders to be claimed from 1--1--1949.

In this connection I beg to submit my humble appeal to your kind consideration for revising your orders passed in your proceedings Rc.No. 840 C8/50 dated 3--8--50 allowing me to claim my arrears of pay from 1--1--1949 under the following considerations.

At the first outset I began my services as a permanent peon of the Government Higher Elementary school for girls in the year 1917 and continued till 1924. After 1924 the Municipal council, Kumbakonam has taken over the management of the school ~~fro~~ and run the school till the end of the school year 1945-46. From June 1946 the school was again taken by the Department. All along they have been continuing my loyal and faithful service in the same school. Thus I have put in 33 years of hard service as a permanent Government servant. I am very grateful to your orders for claiming the arrears from 1--1--1949.

In view of my long and spotless work in the same school for 33 years and as I am a poor inferious servant as peon without any means to fall upon except this scanty pay, I humbly submit that with Ref: G.O.No. 78 dated 6-2-47 allowing to Government servants to enjoy the benefits of the revised scale of pay from 1--1--1947, My case may also be considered in the same category and allow me to draw the arrears of my salary with the effect from 1--~~1~~--1947 as in the case of other Government servants. not put-up

So I humbly pray that you will be kind enough to reconsider your orders already passed and order me to claim the arrears of pay from 1--1--1947.

For such act of kindness and generosity shown towards a menial servant who has put in a long spotless service of 33 years, I would be ever grateful and pray Almighty for your prosperity for ever.

Ref: Rc.No. 201 A/50 dated 17--8--50 of Inspectress.

The request of the peon K. Narayanaswami is quite reasonable. The arrears now claimed would not have been creapt in had the peon continued in Government Service. He may also please be treated as other Government servants, who received their arrears of pay under the revised scales of pay Rules 1947.

The arrears have fallen for no fault of his own, and the matter was under correspondence in the Department and hence the sanction of the arrears as per the revised scales of pay, fixed on his behalf, is recommended with effect from 1--1--47 as this is a special peculiar case.

Finance (E.III)

(Previous Finance note on page 4 above).

The Government Girls Higher Elementary School, Kumbakonam was handed over to the control of the Municipal Council, Kumbakonam on 15-5-1924 along with the staff including a peon Sri K.Narayanasami who was then in permanent employ under Government. The same school was again taken back by the Government with effect from 3-6-46, and consequent on this, the peon was reabsorbed in Government service. The present proposal relates to the fixation of pay of this peon under this Government in the Revised scales of Pay sanctioned in G.O.78 Finance, dated 6-2-47. The Director of Public Instruction's recommendation in this respect, is at Y on page 1 C.F.

p1cF

2/. From para 1 on page 1 C.F. it is observed that Sri K.Narayanasami was in permanent employment under this Government, when the Government Higher Elementary school in which he was working was handed over to the Municipal Council, Kumbakonam in 1924. According to 804 C.S.R. teachers and other members of the pensionable establishments of Government schools, who are transferred with the school to which they belong to service under Local Bodies, continue to render service qualifying for pension from the General Revenues, and are entitled to the concession even though they may be moved from the school, with which they are transferred to another school which was formerly under Government management. On the same analogy, it seems the entire service rendered by the peon in the Municipal Elementary School in Kumbakonam, may be taken into account for purposes of fixation of pay.

3/. It is reported that the peon was drawing a pay of Rs. 15/- per mensem with effect from 1-3-1943 in the scale of Rs. 12-17, and that owing to the loss of his service roll and the delay in the opening of a duplicate he was paid at the rate of

Rs. 12/- per mensem from 3-6-46 to 31-12-46, pending orders regarding the fixation of pay, that no interim relief was granted to him and that on 31-12-46 he had a service of 16 years and 10 months, which counts for increments

In the absence of the service roll, it is not possible to verify the above particulars. If the statement of the Director of Public Instruction that the peon was drawing a pay of Rs. 15/-p.m. with effect from 1-3-1943 in the scale of Rs. 12-17 is correct, this Department need not object to the fixation of pay of the peon as indicated below.

From the Director of Public Instruction, R.C.No.840-C8/50 dated the 10th June 1950.

pp1-3 g

The Government Middle School for Girls, Kumbakonam, was previously a Higher Elementary School and it was handed over to the ~~[illegible]~~ Municipal Council, Kumbakonam, on 15-5-1924 along with the staff including a peon, namely, Sri K. Narayanaswamy, who ~~se~~ was then in permanent employ under Government. The ~~same~~ school was again taken over by the Government with effect from 3-6-46. The peon was also reabsorbed in Government service. The peon was drawing a pay of Rs.15/- per mensem with effect from 1-3-43 in the scale of Rs.12-17. Owing to the loss of his service roll and the delay in the opening of a duplicate, he was paid at the rate of Rs.12/- per mensem from (3.6.46) the date ~~on (3-6-46)~~ on which the school was taken over by Government. ~~The Government~~, in ~~their Order~~ G.O. No.98 Edn.dated ~~21~~ 12-1-50, it was directed that the pay of the peon should be fixed at Rs.15/- p.m. on 3-6-46 under F.R. 22 (a)(ii) and at Rs.20-8-0 p.m. in the ~~case~~ scale of Rs.16--½(A)--25 on 1-1-47 subject to the condition that no arrears of pay should be paid to him except from the date of the order.

2. The peon has now represented that he applied for the fixation of his pay as soon as the school was taken over by Government from the Municipal Council and that on account of the delay in fixing his pay, he has to ~~loose~~ incur monetary loss. As the delay is not due to any fault on his part, he requests that he may be allowed to draw the arrears from 3-6-46 (the date on which the school was taken over by Government) to the date of the order fixing his pay. If this is not possible, he requests that he may atleast be permitted to draw the arrears from 1-1-47, the date on which the revised scales of pay came into effect. The Director of Public

Notes on pp 1.2 above may be perused.

In G.O. 98 Education dated 12.1.50 the Govt. directed that the pay of Sri K. Narayanaswamy, peon, Govt. Middle School for Girls, Kumbakonam be fixed at Rs. 20.8.0. from 1.1.47 and that no arrears of pay should be paid except from the date of the above orders.

The peon has now represented that he may be allowed the arrears of pay from 1.1.47 on the ground that the delay in fixing the pay in the revised scale is not due to his fault.

The D.P.I. Considers that the request of the peon appears reasonable. Education have supported the proposal of the D.P.I. and have invited the remarks of this deptt.

Attention is in this Connection invited to the notes of this deptt on pp 5.6 n/f (J). ~~It would appear therefrom that the question of~~ For the fixation of pay in the revised scale of the individual in question ~~was Considered~~

there was no service roll and on the basis of the statement of the D.P.I. that the peon was drawing Rs 15 with effect from 1-3-43 in the scale of Rs 12--17, the question of what pay should be allowed was examined, and it was decided to allow pay as follows:-

p. 6 n/f (J)

On 3-6-46 (date from which the school was taken back by the Govt.)	Rs 15 under F.R. 22(a)(ii)
On 1-1-47 ..	Rs 20-8-0 taking into account his previous service of over 16 years.

para 2 on p 10 c/ f (J)

para 3 on p 1 c/ f (J)

Following the usual rule, the revised scale of pay was allowed with effect from the date of orders in G.O.98 Edn. dated 12-1-50. It may be that there was delay in the opening of a duplicate roll through the loss of service roll of the peon. In the absence of the original roll, no revision of pay should ordinarily be possible and it was only on the assumption that the pay drawn by the peon as reported by the D.P.I. was correct, ~~and~~ the Govt. fixed the pay from 1-1-47. Even The fixation of pay ~~above~~ in the revised scale should, in the circumstances, be deemed a ~~matter of~~ concession. There is no need for allowing any arrears of pay as now proposed. It is not usual to allow arrears from 1.1.47 in cases of this kind whatever the reason for the delay may be.

at Rs.15/- p.m. on 3-6-46 and at Rs.20-8-0 p.m. in the scale of Rs.16--½-(A)--25 on 1-1-47 subject to the condition that no arrears of pay should be paid to him except from the date of the order.

2. The peon has now represented to Government that he applied for the fixation of his pay as soon as the school was taken over by Govt. and that on account of the delay in fixing his pay, he has to incur monetary loss. As the delay is not due to any fault on his part, he has requested that he may be allowed to draw arrears of pay from 3-6-46, the date on which the school was taken over by Govt. or from 1-1-47, the date on which the revised scales of pay came into effect. The D.P.I. ~~has~~ considers the request of the peon ~~as~~ the reasonable ~~and~~ This Department ~~and~~ therefore recommended that the peon may be allowed the arrears from 1-1-47. The Finance Department consider that in the absence of the original of the service roll no ~~and~~ revision of pay is ordinarily possible; ~~and~~ that the pay already allowed to him should be deemed a concession, and that it is not usual to allow arrears in such cases whatever may be the reasons. They, therefore, advise that there is no necessity to allow any arrears of pay to the peon. The peon is not responsible for the loss of his service roll and for the delay in the fixation of his pay. But for the loss of his service roll, the peon would have drawn pay at Rs.20-8-0 from 1-1-47 and it does not seem proper to ~~penalise him~~ withhold the arrears due to him. In the circumstances, this Department may press that arrears may be allowed to him from 1-1-47 or atleast from 1.1.49 - one year preceding the fixation of pay under G.O. 98 on 12.1.50
