Sir,

Grant - Building - Muslim Orphanage - Balance
of grant.

M-78/W

I acknowledge with thanks the receipt of your
Memo.No.72309 Edn/49-2 G2 dated 3-1-1950 and state as
follows:-

The Management has so far spent over Rs.80,000/
towards the construction of the Muslim Orphanage Building
and has purchased Iron & Steel worth about Rs.25,000/-.
It has now to purchase teakwood which will cost about
Rs.25,000/- For this and other incidental expenses the
Management needs about Rs.80,000/-.

The Managing Committee has since collected
Rs.34,000/- from Colombo and expects to collect Rs.20000/
in the City of Madras. If, to this amount the balance of

Government Grant, viz., Rs.23,500/- (the first instalment of Rs.11,500/- having been received out of the sanctioned grant of Rs.35,000/-) is added, it will provide the Management with sufficient funds to restart the work, which is temporarily suspended for want of teakwood, and complete a major portion of the building within a year.

In the circumstances I request that the Government will be pleased to sanction payment of the balance of the Government Grant which, the Management in all fairness, is entitled to receive inasmuch as it has spent over Rs.1,00,000/- towards the building construction and purchase of iron & steel and thereby enable the Management to complete the construction of a major portion of the building and shift the boys to the new building who are now huddled up in the present building which has insufficient accommodation for them.

Yours faithfully,
Syed Mainathullah

Re.No.564 D2/48 dated 9th February 1950.

Sir,

Sub: Grant - Building - Muslim Orphanage - Construction -
additional grant.

Ref: 1. Government Memo No.72309 G2/49-2 Edn., dated 3-1-50.
2. Government Memo No.4196 G2/50-1 Edn., dated 24-1-50.

With reference to para 2 of G.O.Ms.No.2222 Edn., dated
11-7-1949, I submit that savings are not available and that
additional funds have been applied for to pay grant for certain
schemes sanctioned by Government.

2. In case the additional funds applied for are sanctioned
by Government and the schemes for which funds are reserved do not
mature for payment, the available grant can be diverted towards the above
scheme after knowing the position at the end of the current year.

3. The balance of grant for the above institution (viz.Rs.23,500)
has been proposed in the Budget Estimate for 50-51 Part I.
It may be mentioned here that the management commenced the construc-
tion before the plans and estimates were approved by the Joint
Consulting Architect, and without inviting tenders, and also that
the work, which is not in progress now, has not proceeded beyond the
basement level. I am of opinion that it is not advisable to pay
the Government share of grant in full at this stage and that it should
be possible for the management to utilise first the amounts already
collected and expected to be collected in the City and thereby show
substantial progress in the work before claiming payment of the
balance grant.

Yours faithfully,

Hon'ble Sir,

Grant - Building - Muslim Orphanage -
Balance of grant. 13/V

The Government have been pleased to sanction a grant of Rs.35,000/- in G.O.No.Ms.2223 Edn., dated the 8th September 1949, for the construction of hostel for the Muslim Orphanage of the Anjuman-e-Himayath-e-Islam, Madras. Out of this grant, an advance of Rs.11,500/- has been drawn by the Management on 3rd August 1949. There is still a balance of Rs.23,500/- due to be paid to this Institution. In this connection I beg to state that the Management has already spent over Rs.1,00,000/- towards the construction and purchase of iron & steel - over Rs.80,000/- towards construction and about Rs.25,000/- for purchase of iron and steel. It has now to provide for

The Management has since collected Rs.20,000/- from Colombo and expects to collect Rs.14,000/- more. It further expects to collect Rs.20000/- in the City. If, to this amount the balance of the Government Grant, viz., Rs.23,500/-, is added the Management will find itself provided with sufficient funds to re-start the work and to have a major portion of ^{the} building completed within a year.

From The Director of Public Instruction, Madras.
To The Secretary to Government, Education and Public Health Department.

Ref: Your Post Copy of the Telephonic Message dated 20-2-50 regarding additional grant for the Muslim Orphanage building.

The Chief Engineer, Public Works Department Buildings has stated that the Superintending Engineer has valued the foundations put up at Rs.79000/-. A copy of the Chief Engineer's letter 3983 Wks./49-4 dated 22-7-1949 is enclosed.

As already reported in my letter Rc.564 D2/48 dated 9-2-50 the construction has not proceeded beyond the basement level. It is for the consideration of the Government whether it is advisable to pay in full the Government Grant for the scheme when the building operations have not made much progress.

In continuation of my letter cited above, I have to
report that the Superintending Engineer, Madras Circle has since
reported after verification of the foundations of the above build-
ing as actually constructed up to the basement level only, that
there are certain variations in the section of foundations as
actually built from that of the section as originally ascertained
from the Engineer Contractor who did the work. Due to the above
variation, the revised valuation of the building so far construc-
ted upto basement only, has been reported by the Superintending
Engineer as Rs.79000/- against Rs.83000/- originally reported in
my above number.

The case relates to the
 payment of a further advance
 grant over and the grant of Rs 11,500
 sanctioned in G.O. No. 2222 E.M. dated
 11.7.49 for the construction of the
 Muslim Orphanage building at Madras.
 The management is eligible for a
 grant of Rs 35,000 for the building,
 and the balance normally
 payable, on completion of the

Construction is Rs 23,500. The D.P. 9
 has reported that the construction
 has come up to the basement level
 only and has raised the question
 whether at this stage it is advisable
 to sanction the balance payable
 as advance grant. There is no
 further provision in the current year's
 budget and there seems to be no
 question of making any additional
 grant within the current year
 itself. As it is stated that
 the management is in need of
 funds and as it is observed that
 work of the value of Rs 79,000 has
 been executed, the management
 may be asked to make an
 application for the grant. Some
 time after 15th April next, when
 a grant may be sanctioned for the next year's
 finance may see the case
 for remarks -

20.3.50

The D.P. 9 may be informed that
 the principles laid down in G.O. No.
 1981 E.M. dated 10-8-48 may be
 followed in regard to the disbursement
 of the balance of grant in 1950-51.
 As the principles were evolved in
 consultation with Finance, there seems to
 be no need to send this file to
 Finance.
