In their order quoted above, Government sanctioned the continuance for a further period of one year from 1.6.49 or till final orders were passed on the proposals of retrenchment, whichever was earlier, of the post of typist in the Government Oriental Manuscripts Library Madras. Government have recently passed final orders dropping the proposals for retrenchment of the staff in the Library - Vide G.O. Ms. No. 329 Edn dated 7.2.50. The sanction accorded for the continuance of the typists' post will expire on 31.5.50.

The employment of a typist in the Library, was first sanctioned in G.O. Ms. No. 1513 Edn dated 22.10.42, and the post is being continued year after year. Thus it has been in existence for more ~~six~~ than six years. The circumstances which necessitated the creation and further continuance of the post still exist and there is need for the post of typist in the library. The Curator reports that ever since the creation of the post the work in the Library has increased, and that in addition to the starting of the Bulletin, the formation of the Editorial Committees, and the intensive drive for acquisition of fresh manuscripts for the Library which resulted in the enormous increase of correspondence, the new scheme launched by Government for publication of rare manuscripts bearing on Science, Philosophy, etc has further added to the work in the Library and has swelled the work of the Typist. It is expected that the work of the Typist will further increase when all the publications now in the press are released and when new publications are undertaken. In the circumstances stated above, I request that Government may kindly sanction the permanent retention of the post of Typist in the Government Oriental Manuscripts Library, Madras with effect from 1.6.50.

Yours faithfully,

The reference from the D.P. in the of and to the of Education on pp 2.3 above may be perused. The D.P. has proposed the permanent retention of the post of Typist in the Govt. Oriental Manuscripts Library from 1.6.50. Education Dept. have sanctioned the proposal and they propose to sanction the permanent retention of the post with effect from 7.2.50. The date of G.O. 329 Edn dated 7.2.50 referred to is para 1 on p. 1 of.

The post of typist was originally sanctioned in G.O. No. 15/35 Edn dated 22.10.42 and is being continued from time to time on a temporary basis and the sanction for the post expires on 31.5.50. The final orders have been passed regarding the question of retrenchment of staff in the Govt. Oriental Manuscripts Library and

The post is required for the Oriental Manuscripts Library and as it satisfies the criteria laid down in G.O. No. 19.7.49. Hence, it is necessary for its retention on a permanent basis.

The draft order on pp 1.2 above may be accepted subject to the following remarks.

D. on p. 1 of 1858/247 1873/50

The present sanction for the post expires on 31.5.50 and the D.P. has also asked for its permanent basis retention from 1.6.50. It seems sufficient if the retention of the post is sanctioned from the date of order now issued instead of from 7.2.50 as proposed by Education. (7.2.50 is the date of the G.O. 329 Edn 7.2.50 in which proposals for retrenchment of staff in the library were dropped and it is not the date on which the sanction for the post expired as noted at 2 on p. 2 above)
