8/10-11 and 14-12-49, on the above subject, I have the honour to report that Sri A.Srinivasan, the permanent Power House Superintendent, has since applied for an extension of leave on Medical Certificate for 4 months from 15-1-50 in continuation of the leave already granted to him. In view of the fact that Sri A.Srinivasan has been extending his leave piecemeal it is neither possible nor desirable to make a fresh appointment to the post of Power House Superintendent for the rest of the period of his leave. Hence the present arrangement by which Sri P.Rajagopala Menon is in full additional charge of the duties of Power House Superintendent is being continued. I therefore recommend the Government may kindly permit the continuance of the arrangement and allow him to full charge allowance also for the period beyond 3 months limit as a special case. I request the favour of early orders of Government on my letters referred to above.

Yours faithfully,

Copy of letter Roc.No.1-73A/49 dated 5th April 1950 from the Principal, College of Engineering, Saidapet P.O. to the Director of Public Instruction, Madras.

Ref:--Your T.M. dated 4-4-1950 regarding additional charge allowance--Sri P.Rajagopala Menon, Senior Workshop Instructor as Power House Superintendent from 15-9-49 to 14-5-1950.

2/5
Government have, in their order No.Ms.3881-Education dated 19-12-1949, communicated with your Proceedings Dis.No.85/50 dated 5-1-1950, permitted Sri P. Rajagopala Menon, Senior Workshop Instructor to be in full charge of the post of Power House Superintendent from 15-9-1949 in addition to his present appointment. They also directed therein that he should be paid additional pay equal to 1/5 of his pay, subject to the provisions of instruction 2 under Fundamental Rule 49. f. 35, Bx 154

2. Sri P.Rajagopala Menon, Senior Workshop Instructor has been working overtime and on holidays also to cope up with the additional work consequent on his being kept in full charge of the post of Power House Superintendent from 15-9-1949 besides attending to his regular duties as Senior Workshop Instructor. Unlike the other posts in this College the work connected with the Power House is a very heavy and responsible one, as the Power House has to work on all the holidays and all the 24 hours in the day, as it has to supply power to this College and also to some other Institutions close by. By keeping Sri P.Rajagopala Menon in additional charge of the post of Power House Superintendent instead of appointing a substitute, the Government will be benefitted to the extent of about Rs.200/- per month, as Sri Rajagopala Menon will be paid only Rs.52/- per month as against Rs.250/- ~~per~~ ~~month~~ that has to be paid for a substitute. In addition ever since Mr. Rajagopala Menon has been in charge, the machinery which has been considered unserviceable for several years has been put into commission and working very satisfactorily. Many needed changes for the preparation of charts, statistical data and other valuable data have been furnished by him. The College Power House has undertaken the supply of Power to Government departments such as the Highway workshops at Guindy which the Madras Electricity system were not able to take on owing to special restrictions for extensions of power supply. Under these circumstances

it is reasonable and just that Sri P. Rajagopala Menon should be paid charge allowance for the entire period from 15-3-1949 to 1-5-1950, during which he was required to be in additional charge of the post of Lower House Superintendent and it would be a poor recompense if he is not paid the same for his hard and untiring work.

3. In this connection, it may be mentioned that on the strength of the Government Order quoted in paragraph 1 supra the Accountant-General, Madras, has authorised Sri P. Rajagopala Menon to draw additional pay for the period from 15-3-1949 to end of the date upto which he holds full charge of the post of Lower House Superintendent, i.e., till the end of 14-5-1950. A copy of Accountant-General's letter enclosed. It is therefore, presumed that Sri P. Rajagopala Menon may be allowed to draw charge allowance for the entire period without further orders from Government.

With reference to the Government order cited above, you are hereby authorised to draw additional pay at Rs. 10/- per mensem and difference of Dearness Allowance at Rs. 8/- per mensem for the period from 15-3-49 to end of the date upto which you hold full charge of the post of Lower House Superintendent. Necessary intimation may kindly be sent to this Office as soon as the additional charge expires. It is presumed that you are only a temporary Government servant. 2. It shd. be clearly understood that the orders in para 1 above have been passed as a spl.case considering the fact that because Sri A.Srinivasan Power House Supdt., extended his leave piece-meal and therefore regular arrangements to fill the vacancy could not be made and that this case will not be treated as a precedent for other cases.

Post of Power House Supdt., Engg. College, Guindy -
Vacancy - Arrangements.

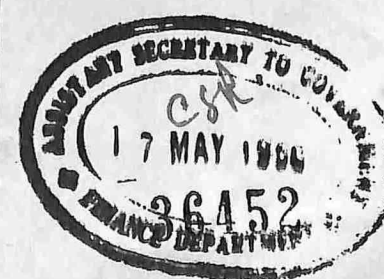

Accg. to Instrn. 2 under F.R. 49, the grant of additional pay to an officer apptd. to hold, besides his own post, another post should not be allowed for a period exceeding three months.

Sri A. Srinivasan, Power House Supdt., Engg. College, Guindy, proceeded on leave for 3 months from 15-9-49. The D.P.I. apptd. Sri P. Rajagopala Menon, Senior Workshop Instr. of the college, to hold, in addn. to his own post, the post of Power House Supdt. He also recommended to Govt. that Sri Rajagopala Menon be paid addl. pay equal to 1/5th of his pay for the period of the addl. charge. The recommendation was accepted subject to the fulfilment of the condition M above.

Sri Srinivasan subsequently extended his leave until 15-5-50. The Dir. has continued the arrangement and has sent up a proposal for the grant to Sri Rajagopala Menon of the addl. pay for the full period of Sri Srinivasan's leave, even beyond the 3 months' limit. Ordinarily, the proposal should not be sanctioned. But, considering the conditions under which Sri Rajagopala Menon has been working and the nature of the addl. duties he has been discharging - Vide the College Principal's letter at C.F. 6-7 - it seems that the case should be treated as a special one and additional pay in relaxation of the instruction sanctd. For orders whether this dept. ~~will~~ may recommend that course. The file may be sent to Fin. for remarks before circn.

Finance (CSR) Deptt.

With reference to the proposal of Education at P above, the additional charge allowance should

ordinarily be restricted to a period of 3 months and proposals for the grant of charge allowance for a period exceeding 3 months have to be examined with reference to the necessity for the post held in additional charge for the normal work of the Department. In this case, the permanent Power House Superintendent in the College of Engineering originally went on leave for 3 months from 15-9-49 and the intension was therefore to restrict the charge allowance to that period. Subsequently, the officer went on extending piecemeal upto 14-5-50, and although it is reported that Sri. Rajagopala Menon attended to the duties of the Power House Superintendent in addition to his duties as Senior Workshop Instructor all along, there is nothing to show that the post of Workshop Superintendent is a normal requirement of the College, and why it should not be abolished in the interest of economy, the duties being added on to other members of the staff in the Workshop in an equitable manner. If such arrangement is feasible, the case for the payment of additional charge allowance beyond the first 3 months will be weak. Education may be requested to obtain a detailed report in the first instance.

MD 17500
 In view of the circumstances stated at "X" on P.I.C.F.; Fin may agree, as a special case, to ~~pay~~ the grant of add. pay for the entire period of 8 months, when En. A. Srinivasan, the permanent Power House Supdt.; was on leave. It should be clearly understood that the concession is allowed, because ~~the~~ Sri A. Srinivasan applied for leave piecemeal and the extensions of leave could not be anticipated and arrangements made to fill up his place. This will not be treated as a precedent for other cases.

In this case, it is not known whether En. A. Srinivasan has reported on 15.5.50. If he has not, no action can be taken by the Dept.

(Issued as Memo. 10595-A-6, d/- 29-5-50.)
 From the DPI, No. 2354-C5/49, d/- 6-6-50.

Sri A. Srinivasan, Power-House Supdt., Engg. College, Guindy, first applied for 3 months' leave from 15-9-49. The D.P.I. put Sri P. Rajagopala Menon, Senior Workshop Instr. in the college, in addl. charge of the Supdt.'s post and recommended to Govt. the grant to him of a charge allow. equal to 1/5th of his pay. The Govt. accepted the recommendation. Under the F.Rs., 3 months is the maxm. period for which allowance can be granted to officers holding addl. charge of other posts.

Sri Srinivasan later extended the leave until 15-5-50. ^{for 5 months more.} The Dir. continued the addl.-charge arrangement; he could not make a regular appt. ^{to the Power-House Supdt's post} as Sri Srinivasan was extending his leave piecemeal and the duration of the vacancy could not be anticipated correctly. The proposal put forward by the D.P.I. and considered in this file is that, as a special case and in relaxation of the F.Rs., Sri Rajagopala Menon be granted addl. pay for the full period ^{of 8 months} (exceeding 3 months) of his charge of the ~~Power-House Supdt.~~ ^{post, even beyond the 3 months' limit.} Considering the conditions under which the officer was working and the nature of the duties he was discharging, as detailed in the Principal's letter at pp. 6-7 C.F., this dept. recommend the Dir.'s proposal. Finance agree, however on a different ground, viz., K above.
