Sir,

I have the honor to report that N. V. Natesa aiyar, student of Engineer class, 1st Division, was unable during December to go through his Examination in Drills and Exercises - while the examinations in these subjects were being carried on, Natesa aiyar had a fall from the parallel bars and injured his right arm, and wrist; the injury was sufficiently serious to make it impossible for him when his turn came to undergo examination - There were only two students in the class, and Jagadisa aiyar, the other student has easily passed Natesa aiyar, so easily that even if Natesa aiyar had obtained full marks in Drills and Exercises he would still have had only the 2nd place.

2. Natesa aiyar's injury did not admit of his being examined in Drills and Exercises before

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In submitting copy of a letter from the ag. Principal, college of engineering, Madras, stating that H. V. Natesa aiyar, one of the two students of the Engineer class, 1st Division, who appeared for the Final Examination held by the Board of Examiners in December last, was unable, owing to injuries received while practising in the Gymnasium of the College, to undergo the test in Drills and Exercises, and requesting that, in view of his having passed in all the other subjects of the Examination and obtained the required percentage of final total marks as per article V (a) of the College Rules, either he may be awarded the qualifying minimum marks in Drills and Exercises, or his failure to attend the examination in that subject may be overlooked, I beg to recommend that, as a special case, the student may be exempted from the necessity of passing in Physical Exercises and

Mr. Natesa left the station, and I now request that if a pass in this subject is absolutely necessary, Natesa aiyar be given the qualifying minimum; the Drill Instructors and Gymnastic Instructors report well of him and as he has obtained sufficient marks to pass him as an Engineer, the fact that he received no marks in Drills and Exercises should not, I consider, be allowed to stand in his way.

I have the honor to
