No. 1211

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

Under the preamble to the notification promulgating the Madras Educational Rules, the exemption accorded in favour of Lower Primary schools ceased on the 31st December last, and no Lower Primary school which has not been recognized will from that date be eligible for aid from public funds under the Grant-in-aid code, nor will it be permitted to present pupils for any of the public examinations. Most of the schools registered for examination during the first, second, and third quarters of the current official year have been examined and certifying memoranda have also been issued to the Managers of those schools. But schools posted for examination during the current quarter are placed at a peculiar disadvantage compared with those which were examined during the previous three quarters, in as much as these

these schools, if unrecognized, will not be permitted to present pupils for examination. I have, therefore, the honour to request that the sanction of Government may be obtained for enforcing the conditions of recognition on Lower Primary schools with effect from 1st April next, ie, from the beginning of the next official year. This difficulty was not anticipated when the Educational Rules were submitted to Government. Results grants being intended for the official year all results schools, must, I submit, be placed on an equal footing as to eligibility for examination and aid. Very early orders of Government are requested on this letter.

I have the honour to be,
 Sir,
 your most obedient servant.

I remain
 Director of Public Instruction.
