The humble Memorial of P. Rangachari
a passed student of the Madras Agri-
cultural College

Most Respectfully
Yours humble political

has passed out of the Madras Agricultural
College in the year 1886 and has also
obtained a first class diploma in the
College.

2. employed as 2nd grade Rev. of Puthalput Jirka, Chittor Taluk, North district

3. That in the
 Session No 57 dated 9th May last, the
 aided the Judicial (Criminal) Special
 Higher grade are declared open to "Candidates"
 who have obtained the Agricultural &
 at the Govt Technical Examination
 & the petitioners undersigned

4. From the wording of the said holograph that students of the Agricultural College

who have passed through the three years' College course and who have obtained a "College Diploma" anterior to the date of the introduction of the Govt Technical Examinations are impliedly prohibited from enjoying the benefit of the said concession.

5. That such prohibition causes great hardship to such students who have passed through a similar course for the same period under the tuition of similar English professors as those of a later date, with the exception that the former had no necessity or the means to appear for the Technical Examinations which were since introduced.

6. That the petitioners respectfully beg to submit that the Govt Technical Examinations were introduced long after the Agricultural College was established and that consequently students of the College who passed out prior to the date of the introduction of these Examinations had no means of appearing for and passing the Agricultural Diploma Examination when they left the College as the students of a later date have.

7. That such students, employed as they are, more or less in the Public Service are prevented by pressure of official work from now appearing for and passing the Technical Examination long

long after they left the College and also for want of Special encouragement either in Special Departments or in the Department in which they are employed.

8. That the petitioners has passed the Rev. and Criminal Tests in the lower grade as the first among the successful Candidates in the Presidency in the years 1886 and 1890 and did not ~~pass~~ think of passing the Higher Tests hitherto as the Lower Tests were considered sufficient and are even now declared by the Govt to be sufficient for a Tahildari or a Sub. Magistrate's appointment, though the present policy of the Revenue Board appears to be not to approve generally the nominations made by Collectors for the said posts, in the case of persons who have passed the Lower Tests.

9. That your humble petitioners most respectfully pray that the Govt will be pleased, after a kind consideration of the facts set forth above, to extend the concession referred to in para 3 supra also to students of the Agricultural College who have obtained "first class College Diplomas" in that College prior to the date of introduction of the Govt Technical Examinations if such students are otherwise qualified to appear for the Special Tests.

10. That if the Govt is not pleased to grant the General Excursion prayed for in para 9 above, the petitioner respectfully begs that his case may at least be specially considered and that he may be permitted to appear for the Higher Test (Rev: Terminal) in consideration of his having passed & secured the creditable pass of heading the list of passed candidates in the Presidency in "both" the Lower Test, a distinction which, humble as it is, is seldom obtained by a candidate.

For which act of kindness your humble petitioner shall, in duty bound, ever pray.
