OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 18 January 1895.

No. 447.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In its order, N^o. 37, Educational, dated 23 January 1893, Government sanctioned a house rent allowance of Rs 15 per mensem for the Training School, Bellary. In his letter, enclosed, the proprietor of the building demands a higher rent viz Rs 20/ with effect from October 1894, owing to the Municipality having raised the house tax.

2. The Headmaster reports that no other suitable building is available and that no steps are being taken by the Municipal Council for

for the construction of a school house to accommodate the Municipal and Government Training schools.

3. In these circumstances I have the honour to request that you will be good enough to obtain the sanction of Government for the payment of the increased rent. The extra charge will be met from the savings under establishment of the school during the current year and from the sum of Rs 4 - being the house rent allowance surrendered by the Sub. Assistant Inspectors of schools, Madura and Bezvada Ranges. The office of the former will be removed to the new building constructed

constructed under G.O. No 1875 W of the 20th July 1893, and ^{that of} the latter to ^{the building} ~~the~~ assigned in G.O. No. 2306, Judicial, dated, 22 September 1894. The remaining sum will be met from savings in the school or under Training schools. Due provision will be made in the Budget for 1896/97.

I have the honour to be,
Sir,

Your most obedient servant,

J. J. S. S.
Director of Public Instruction

1895.

Note for orders.
The reason alleged is absurd, & the
claim exorbitant but if there is no other
building it must be paid. — The total house-
tax on a building rated at Rs 20 per annum is
only Rs 18; the claim an increase in
Rs 60 per annum, on account of an increase in
house-tax is utterly absurd. Should not the Director
of Schools be told to get another building: it is
only the headmaster who says there is no other
suitable building & perhaps he is "in the swim".
Moreover the occupier can under the
act recover the increase from the
owner.

for another building, but there is
no alternative now but to pay

Order 13 February 1895, No. 125.

The reason assigned by the landlord
for his claim for the additional rent
of Rs 5 per annum is utterly absurd.
The total house-tax on a building
the annual rental value of which
is Rs 240 (i.e. Rs 20 per annum) can-
not exceed Rs 18; a demand for an
addition of Rs 60 to the rent on account
of increase in house-tax is therefore
necessarily untenable. The headmaster
of the school must have been perfectly
aware of this & the exorbitant nature
of the demand should have made
him search the more carefully
for another suitable building.
2. No notice was given by the landlord,
the increased rent must be sanctioned
from October 1894, but the school should
be transferred to a building the rental
of which is less ~~unreasonably~~. It is difficult
to believe that a large town like
Bellary contains only one building
suitable for the school, & the Director
should see that the headmaster make
a more effective search for ac-
commodation. In the meantime the
increased rate of rent will be sanctioned
up to the 31st March.
