FROM

THE HONOURABLE MR. G. W. VIDAL, I. C. S.,
ACTING SECRETARY TO GOVERNMENT,
BOMBAY;

TO

The Acting Chief Secretary to the Government
of Madras.

SIR,

I am directed to acknowledge the receipt of your letter No 9 dated the 7th instant, relative to the utilization of the services of the Assistant Agricultural Chemist at the College of Science, Poona, and at the College of Agriculture, Saidapet.

2 In reply I am to state that as regards this the Governor in Council regrets very much that he is unable to comply with the request of the Government of Madras, as Mr Collins only joined at Poona on the 9th instant, and as the interests of the students of the Poona College will be prejudicially affected, if he

moved thence before the end of the term i.e. 15th April.

3 As regards future years the Governor in Council will, I am to observe, after further consideration and inquiry, inform the Madras Government whether it will be possible to spare Mr Collins' services during the months of November and December for the Saidapet College.

I have the honor to be,

Sir,

your most obedient servant.

Acting Secretary to Government.

No. 120

From

the Govt. of Bombay

Dated 29. 1. 1895,

FOR ORDERS.

The Bombay Govt. have to state that, it rests entirely with them to comply with the requisition of Madras or to refuse compliance, & that compliance cannot be forced if it affects the interests of the students of the Poona College prejudicially. So far as I can see the Govt. will have to comply with our requisition, & it is for them to determine how far the interests of the Poona & Saidapet colleges will be consulted. The interests of the Saidapet school will suffer badly if the Assis. Agric. Chemist does not come in March, inasmuch as this will cause the entire forfeiture of his teaching in the case of the senior class. We must address the Govt. accordingly.

JG

This is the reply of the Govt. of Bombay to G.O. of 7 January 1895 No. 9. The de hant en has been adopted as open to exception; it appears to be assumed that the Govt. of Madras can only ask for Mr. Collins' services as a favour & not as a right & that to convenience of the Poona College must of necessity stand before that of the Saidapet College.

2. The original letter of the Govt. under cover of G.O. No 2995 Rev. of 2. 8. 94 quoted with an expression of concurrence to the Board of Revenue's remark - "The Saidapet College has at least a strong claim on the time of Mr. Collins" as the latter institution (i.e. the College of Science Poona).

3. If Govt. adheres to this position and it is submitted that there is no reason to recede from it should not the order of the Govt. of India be solicited as to the division of Mr. Collins' time for this year. He has been at Poona since the 9th January & we have asked for his services for only one month from the 15th March. Poona will thus have his services for two months & Saidapet for only one.

It may be that the interests of the Poona students will be prejudicially affected, if Mr. Collin is moved hence before the end of the term, but the interests of the Saidapet students will be damaged much more seriously if Mr. Collin does not come to Saidapet at all this spring, for one class will never have the benefit of his lectures, under these circumstances it is submitted that Govt should not ~~unduly~~ permit the Bombay Govt to dictate to it.

11/2/95.

The Govt. of Bombay is certainly well off hand in this matter.

Letter to the Secretary to the Govt of India, Department of Revenue & Agriculture.

Sir.

With reference to Mr. Malabar's letter No. 2583 dated 25 Sept. 1894 to the Govt of Bombay communicated to the Govt by endorsement No. 2584 I am directed to solicit the final orders of the Govt of India as to the distribution of the services of Mr. Collin, the Assistant Agricultural Chemist, between the College of Science at Poona and the Saidapet College in the Presidency.
2. The Govt of Bombay originally proposed that to retain Mr. Collin at Poona "from the middle of November to the middle of April" & enquired whether the Govt could allow his services "from the middle of April to the end of June". It was in reply pointed out that this arrangement was impracticable inasmuch as the

Agricultural
 Saadapet College, at which Mr. Collins
 is to lecture, is closed for the summer
 vacation during the months of May
 and June. As an alternative it
 was proposed ^{by the Govt.} that Mr. Collins's services
 should in future years be utilized at
 Saadapet during the months of November
 & December, & that for the current year
 he should remain on at Poona till
 the beginning of March, & then deliver
 a course of lectures at the ^{Imperial} Saadapet
 College for one month from the
 15th March. - It was expressly stated
 that this request was made in order to
 enable the present third year students
 to have the benefit of Mr. Collins's
 instruction, before they left the
 College for good in April.
 3. To this request the Govt. of Bombay
 has replied with a mere expression of
 regret that it cannot be complied with
 "as the interests of the students of the
 Poona College will be prejudicially
 affected if Mr. Collins is moved hence
 before the end of the term i.e. 15th
 April". - The letter states that
 Mr. Collins joined at Poona on the
 9th inst.
 4. It will thus be observed that, ^{if} the
 request of this Govt. ^{is} complied with,
 the College of Science, Poona, will have
 the benefit of Mr. Collins's services for
 over two months, & the ^{Imperial} Saadapet
 College ^{will} have similar advantages for only
 one month. If however the arrangement
 desired by the Govt. of Bombay is allowed
 to stand the senior students in the
 Saadapet College will be altogether
 deprived of the benefits of Mr. Collins's
 instructions & their interests will be
 far more prejudicially affected than
 those of the Poona students would be.

6. In this connection I am to refer,
 when the Govt. originally asked
 for Mr. Collins's services (vide my
 letter No 2996 of 2.8.94), it was
 remarked that "the College of
 Agriculture (at Saadapet) had at
 least as strong a claim on a
 portion of his time as the Poona
 College", and to this opinion
^{the Govt. Council}
 still adheres.

6. As to the decision, I am therefore
 to solicit the orders of the Govt. of
 India as to whether Mr. Collins
 may not be deputed to deliver
 a course of lectures at Saadapet
 from the 15th March next. - I am
 to say that the question of the
 division of his time in future years
 is still under ^{the subject} consideration, &
 correspondence with the Govt. of Bombay
 thereon. I am to request the favour
 of a very early reply to the reference.
