OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 7 December 1894.

No. 11878

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to para 2 of G.O. dated, 1 February 1894, No. 58, Educational, I have the honour to state that, on receipt of the above order, Mrs. Brander was required to submit her views on the introduction of instruction in dress-making of a superior character. After consulting some of the Principals of European girls' schools in her circle, she reported that she was doubtful whether a fairly sufficient number of young women would come forward to receive instruction in the subject.

2. The Committee of the Lawrence Asylum, Ootacamund, was then requested to report whether it was willing to establish a class for the teaching of high class Dress-making in connection with that Asylum and, if willing, to employ a competent Dress-maker from England or locally, on the Government undertaking to pay a half grant from Provincial funds towards the salary of the dress-maker.

3. The Lawrence Asylum Committee having expressed its unwillingness to give a trial to the proposal, the Secretary, Military Female Orphan Asylum was addressed on the subject. The Committee of this Asylum has undertaken to try the experiment on the condition mentioned above, and

and the services of one Miss Heard, Ootacamund, who was recommended by Mr. Morris, have been secured on a monthly salary of Rs 150. Miss Heard will enter upon her duties in the Military Female Orphan Asylum in January next.

4. The progress of this class may be carefully watched for two years, at the expiration of which period a special report will be submitted to Government and the question of procuring a qualified woman from England may be taken up.

I have the honour to be,
Sir,

Your most obedient servant,

J. S. S. S.
Director of Public Instruction.
