Sir,

In continuation of this office No. 661 St. dated 20. February 1895, I have the honor to recommend Subramania Sastri, a practical Surveyor may be exempted from the Examination Rules for one year from 1st March 1895.

2. The Surveyor is a hard working man and has gained considerable experience by working in the Department for many years and has several times been exempted by Government already. He is now employed under me and much time will be saved by continuing his services instead of getting a new man unacquainted with the District

District.

I have the
