I was the Dy. Subcollector
of Chengam between the
24th of October 1892 and
9th September 93. During
this period, V. Badai Sahib
was my superior and
gave me entire satisfaction
in the discharge of his
duties. When I joined the
office he had the charge
of records and the work
relating to the disposal
of clerk posts. A few days
after a new quinquennial
was sent to me and ever
since Badai Sahib had
to attend to the Revenue

also. With

to clear off the arrears
he used to sit and work
in the office till very
late in the night. In
fact I could not have
given satisfaction to
my Superiors had it not
been for his hard work.
Mr. Stuart at the time of
the inspection of records
in December 1892 has
formed a very high
opinion of him. He is
not hard working and
honest. He deserves every
encouragement.

Dated 1 March 1895,

READ the following letter from N.E. Castle Stuart
Stuart Esq. a/c Collector of South Arcot
to the Secretary to the Commissioners of Land
Revenue, Madras, dated 16 February 1895
Ref. No. 6277
acc.

With reference to para 3 of G.O.
dated 21 July 1894 No. 524 Education-
al, communicated with Board's Pro-
ceedings (Ref. Rev.) dated 15 August
1894 No. 312, I have the honor to
submit an application for exemption
from the examination rules from
Badai Sahib, Duffurband of the
Chengam Deputy Tahsildar's office
with its accompanying papers.

2. The applicant - then a mere boy -
was

12491
was entertained in 1891 by Mr. Sata, when ag. Sub-Collector of this District, as a copyist and was subsequently appointed to be deputy-bound in the office of the Deputy Tahsildar of Chengam. Dpto 12
September 1893, the Deputy Tahsildar's office had only one jumastah, but the work being far too great for so limited an establishment an additional jumastah was sanctioned (vide B.O. No. 2867 dated 12-5-93)

3. The brunt of the work in this office has always fallen upon the applicant who has attracted the attention of all officers who have come in contact with him. He is an exceptionally smart, hard-working and reliable Mussalman youth. Having found employment when so young, he had then passed the Middle School Examination in the 2nd class and having ever since been kept hard at work, he has not had

had leisure to study for higher examinations and thereby qualify himself for advancement in the public service. He therefore asks for exemption from the tests. I am not, however, prepared to recommend this. Having regard, however, to the fact that the applicant is a young Mussalman of great promise that the circumstances of his career which has been, in every way, meritorious are solely responsible for his not having passed the tests, and that capable and promising Mussalmans are unfortunately rare and difficult to obtain, I venture to recommend as a special case, certain relaxations in favor of the applicant, viz that he be permitted to appear for the tests qualifying for the grade of Tahsildar for a period of three

three years and that meantime he may be declared to be eligible for promotion to a post of Taluk Muastah, on Rs 15 but not exceeding Rs 20 per mensem.

4. Chengam is regarded as a sort of penal settlement in this District and hitherto only the worst type of Muastah has been located there. Though nominally only duffer-bund the applicant has been doing most of the hard work of the office and his present pay of Rs 7 is inadequate remuneration for such services. I believe the applicant will prove himself worthy of any consideration which the Board and Government may be pleased to give him.
