TO

*The Hon. the Chief Secretary
to the Government of
Fort. St. George.*

SIR,

I have the honor to inform you that eleven candidates have applied for the Government scholarship to England, and as it would be desirable that they should undergo a medical examination before arrangements are made for their examination in competition for the scholarship, in order to avoid the possible outlay on the preparation of papers for which there would be no use if a particular candidate were rejected on the ground of physical unfitness, I am directed by the Syndicate to request that His Excellency the Governor in Council will be pleased to appoint a Medical Board to examine the candidates before the close of the current month if possible.

I have the honor to be,
Your obedient servant,

W. D. Little
