THE SECRETARY TO GOVERNMENT,

The humble memorial of the undergraduate
candidates for the late Criminal Test
Examination (Criminal Higher and Lower
Grades.)

245
25 FEB 1895
GOVERNMENT OF MADRAS

RESPECTFULLY SHEWETH,

That the candidates for the Criminal Test Examinations most respectfully
approach His Excellency with the following prayer.

2. It has been ruled that no candidate who is not an F. A. can appear for the
Criminal Higher or Lower. But considering the backward state of education in the
Ceded Districts His Excellency has been pleased to grant a concession to the
Matriculates of the Ceded Districts to appear for the examinations till the year 1895.

3. The prospects of the Matriculates in their official career are gloomy in
as much as their claims for promotion are often overlooked in order to benefit
graduates. Matriculates are shut out from Deputy Collectorships. To qualify
themselves for Tahsildaries and Stationary Sub-Magistracies they have to pass the
Criminal Higher. With the hope of thus qualifying themselves within the short
period of two years that Government have mercifully granted to them, they worked ;
but derived no profit thereby. 62 candidates appeared in Bellary. Out of this
large number only 2 have been declared to have passed and that too in the Lower
Grade. This is a very much lower percentage than for any of the previous years.
The kindness shown by Government in granting two years' time has been practically
rendered useless as none has reaped the benefit of it in the late examinations.

4. Your Memorialists therefore pray that a concession be granted to the
undergraduate candidates of the Ceded Districts for 1894 and 1895 by lowering
the minima 10 per cent and declaring such of the candidates as have secured the
lower minima to have passed the examinations.

5. For which act of grace and mercy your memorialists will ever feel
grateful.

THE SECRETARY TO GOVERNMENT
EDUCATIONAL DEPARTMENT,
MADRAS.

The humble memorial of the undergraduate
 candidates of the Cuddapah ^{Cause} District for
 the Late Criminal Test Examinations
 (Criminal Higher and Lower Grades)

1. That the memorialists respectfully beg to bring the following prayer to His Excellency's benign consideration.

2. The Government have ruled that candidates, who are not F. As, cannot appear for Criminal Higher or Lower and have at the same time granted a concession to the Matriculates of the Ceded Districts and the Northern Circars to appear for the Examination till the year 1895.

3. The prospects of the Matriculates in Government Service have been very much cut short on account of preference given to graduates in cases of promotion for higher appointments. To aspire for Tahsildari and Stationary Sub-Magistrateship, the Matriculates have to pass at least one of the Highers (Criminal or Revenue) as directed by the Board of Revenue.

4. The laborious efforts of the memorialists to pass off at the last Examination did not prove successful, as only 2 candidates out of 40 secured a pass. Such a slaughter in the results of the Examination was unheard of in any of the previous years. The case of the humble memorialists has thus become very deplorable in that they were not benefitted by the concession kindly allowed them by Government.

5. The Memorialists therefore pray for 2 concessions viz (1) to reduce the minima by 10 per cent and (2) to extend the period of concession already allowed till 1896.

For this act of kindness and mercy your memorialists shall ever feel grateful.

C. No. 245 & 265 of 95

FOR ORDERS.

These two papers are petitions from some of the unsuccessful Candidates at the Criminal Tests held in October 1894 who appeared for the tests from Bellary and Cuddapah. They state that only 2 out of 62 candidates from Bellary and 2 out of 40 candidates from Cuddapah were successful at the examination and request that the minima for these tests may be reduced

i.e. from 40 to 30 per cent ^{10 per cent} in their case and ^{that} such of them as have secured the lower minima may be declared to have passed the examinations. The petitioners are matriculates and middle school men from the ceded districts who have been specially permitted by

(the separate minimum being 33 1/3 per cent, however)

Govt to appear for these tests until 1896 - vide para 3(8) of G.O. d 2nd Feb 94 no 67 Ed.

They already enjoy a considerable concession and any further relaxation of the rules in their case seems inexpedient.

In Cuo 265, another request is also made, viz, that the concession of appearing for the criminal tests, granted to candidates from the ceded districts who are not F. As. may be extended to the examination to be held in 1896. The concession has not expired yet and when it has expired the question of extending it may be considered, if need be.
