OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 18 March 1895.

No. 3244

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Honorable the Chief Secretary to Government.
Fort St. George.

SIR,

In its order, no. 423, dated, 11 June 1894, Educational Government was pleased to sanction a building grant of Rs 1973 (one third of the estimated cost, viz. Rs 5920) for the Native High school, Calicut. At the suggestion of the Educational officers, the Manager has since made certain improvements and additions in the construction, and has submitted revised plans and estimates, which have been approved by the Superintending Engineer. The amount of the revised estimate is Rs 7700, and a third grant on this sum is Rs 2566. (excluding the fraction). The alterations, as I noted in person when I last visited Calicut, ^{not only} improve

the

the appearance of the building, but add greatly to its lighting and ventilation, and to its appropriateness for school purposes.

This is one of the instances, which are too few, of a native gentleman devoting his time and his means to the advancement of education, and as such it deserves every encouragement and help that Government can render.

I beg, therefore, to recommend that the building grant already sanctioned for the school may be raised from Rs 1973 to Rs 2566.

2. The revised and the original plans and estimates, together with the Manager's letter, dated, 19 May 1894, are submitted for information and favour of return.

I have the honour to be,
sir,
Your most obedient servant.

J. Duncan
Director of Public Instruction
