To The Dy Tashildar of
Coimbatore.

In accordance to your honor's orders I have been discharging the following duties for the last six months :- (Bench Magistrate work) * * * * *, taking down oaths and depositions while bench cases are being tried (re-ripping Service Registers) &c. The work of the bench now-a-days is increasing day by day. The (whole) time is occupied in writing the charge sheet as soon as Cases are filed, in issuing Summons - &c, and in writing the diary, Calendar and A.B. Registers. The Despatch work & the General Register occupy $\frac{3}{4}$ of the time. There is therefore no time to attend to the work of the bench and prepare the diary. Your honor is not unaware of these facts. On many occasions I have been informing your honor of these things. A list has been sanctioned regarding the distribution of work to Dy Tashildars in the days of Mr. Tramblhere. I beg your honor to refer to the list and in accordance with it, lessen the ^{my} work relating either to Bench Records or the General Register & Despatch.

Yours most-obedient
servant.

No 1282 of 94 To,

Coimbatore
15th November 1894

His Excellency The Right Honourable
Governor and President in Council
Fort St. George
Madras.

May it please your Excellency,

In Submitting herewith the
endorsement, dated 22nd October
1894 on the petition No 1827 of the
Collector of Coimbatore and in
obedience to his order, your humble
memorialist, most humbly begs to
represent the following Circumstances
for your Excellency's kind and
favourable Consideration in accordance
with Government order dated 21st Jan
1894, No. 524 Educational Communicated
with Board's Proceedings dated 13th
August 1894. No. 342 (Land Revenue).

In 1882 He (Memorialist)
passed the Middle School Examinations
in the 3rd class, with Canarese as
his second language, that being
the prevailing language of Mysore
where he resided then and was
educated.

2. Having had to change his residence and come over to this District on account of family circumstances. he arrived here, took up Tamil as his second language the Vernacular of this District and appeared for the Matriculation Examination, but unfortunately without success.

3. He had then to give up his studies on account of pecuniary difficulties and joined as a Volunteer in the Town Dy Tahsildar's office here.

4. The then Deputy Collector of this Division, appointed him (memorialist) as Dufteband of Mettupalliem Deputy Tahsildar's office on the 6th July 1890. He continued in this appointment till 10-1-93.

5. on the recommendation of the Deputy Tahsildar of Mettupalliem he was transferred permanently to the Taluk office here and was sent to act as Dufteband in the Stationary Sub Magistrate's office Coimbatore for one year.

6. He begs to submit that it was at this time, that the new Stationary Sub Magistrate's scheme was introduced, and consequently the work of the Stationary Sub Magistrate of Coimbatore

increased to a considerable extent without any additional clerical establishment being sanctioned. The then Sub Magistrate gave him, in addition to his legitimate duties as Dufteband, the work of the Bench clerk and Record Keeper. This additional work alone had been previously entrusted to, and done by, a Clerk drawing Rs 15. The then Sub Magistrate on a consideration of the heavy work devolving on, and got through, by your memorialist without any murmur, recommended to the Divisional officer with the good opinion of the Honorary Chairman of the Bench of Magistrates in Argo no 7 dated 6th July 1893 that he should be given permanently the Bench clerk's place on an increased salary paid from Municipal funds, but this proposal was not sanctioned, the Municipal Council having resolved that they were not authorized to pay the Bench clerk's salary from their funds without the sanction of the Government.

7. When the memorialist after the expiry of one year was about to revert to his permanent appointment in the Taluk, the Chairman of the Bench of Magistrates being satisfied with his work for one year

in Connection with the heavy file
of the Town Bench Court numbering
1235 Cases, and with the preparation
and punctual Submission of periodical
returns. Monthly, Quarterly, Half yearly,
and yearly - All this in addition
to other work pertaining to the
Stationary Sub Magistrate's office -
and also after Comparing the work
performed by a clerk drawing
Rs 15 for the Bench Court until
October 1892, when the Stationary
Magistrate's Scheme came into force,
recommended to the Stationary Sub-
Magistrate on 22-12-93 to retain him
(Memorialist) in his office as Bench
clerk, (The number of the bench
cases for the year 1893 was 1235
as against 573 of the previous year
1892, showing an advance of 662)
The Stationary Sub Magistrate
submitted the Chairman's letter
to the District Magistrate with his
argi No 17 dated 5-2-94 requesting
sanction for the entertainment of
a clerk for the Town Bench on Rs 15
from municipal funds. And your
Memorialist learns that thereupon
the District Magistrate has addressed
the higher authorities on the
Subject -

8 That although your Memorialist
has not passed the Matriculation
Examination, he has been able, by
his hard and honest work, to
please his superiors throughout
his service by performing his duties
to their entire satisfaction and to
gain their good opinions so much so
that they should consider him a
useful hand and quite fit for the
place of a clerk on Rs 15 and recom-
mended of their own accord, his
retention in the office on an increased
pay and this will be evident to
your Excellency from the nine testimonials
here with submitted and from the
correspondence referred to in Paras 6 and
7.

9 He begs therefore most respectfully
that your excellency will be pleased
to take his helpless case into your
Excellency's favourable consideration
and protect him as he has to support
a large family with the low pay of
Rs 7 he is at present getting which,
it is clear to your Excellency, is hardly
enough for one man in these days
when prices of the articles of food
are so high, and it will be equally

Clear to your Excellency that he cannot hope for promotion to ameliorate his poor, miserable and wretched condition unless he successfully passes the Matriculation Examination with hand writing at least. or is exempted from passing. The Humble Memorialist regrets very much to state it is not in your memorialists power owing to his straightened circumstances to think of taking leave and to study for the said Examination. Nay, the whole family depends upon the memorialists present pay and there is none else to help them and his Cause. But it is in the gift of Government to declare that considering the circumstances attending his peculiar case, he is eligible to be promoted to superior service without being called on to pass the Examination in question.

For this act of justice and mercy your humble memorialist will, as in duty bound, ever pray for your Excellency's long life and prosperity.

He begs to remain
your Excellency's
most obedient & humble servant
C. Narasimhaengar.
