From

R. Vaidyanatha aiyar. D.A. of  
Thippasajapuram  
Valangaman Post.

To,

The Chief Secretary of  
Madras.

Respected Sir,

I, named R. Vaidyanatha aiyar,  
aged 23 years and 5 months, most humbly  
beg to bring the following few lines to your  
kind consideration.

I passed the Matriculation Exam<sup>n</sup>  
of 1888 and failed in the I. A. Exam<sup>n</sup> of 1890.  
The next year, I joined the Madras College  
of Agriculture as a stipendiary student for  
Gangam District. The scholarship was  
granted to me who is a native of Tanjore Dt.  
by the Principal of the College of Agriculture  
as no student came forward from the said  
District. I, after completing the course  
successfully, obtained the Diploma in  
Agriculture at the Technical Exam<sup>n</sup> of  
April and May 1894. I, during my  
College course, once appeared for Handwriting  
Test Exam<sup>n</sup> and failed in it. The next  
year, there was no such Exam<sup>n</sup>; but I  
had the hope to pass I. A. Exam<sup>n</sup> to make  
myself qualified for the superior grade  
of the public service and thereby to

overcome

overcome the obstruction of Handwriting test. By the recent public service notification, I see that even the J. A's should pass their Handwriting test.

I failed to appear for Handwriting Exam<sup>n</sup>. this year, owing to the ignorance, which, of course, is a folly of mine, of the notification in the Fort. St. George Gazette. This ignorance I have to plead, as it was caused by my stay in the rural village of mine.

I beg to say that I am now without any appointment and that, even supposing I pass the Handwriting Exam<sup>n</sup>. of 1895, I complete the age of 20 before the result will be published in the Gazette and so the age becomes another bar to my prospects.

According to the recent public service notification, the students who have obtained the Diploma in Agriculture are eligible to appear for "Revenue Higher" and Criminal Judicial Lower and Higher Grades of the Special test Exam<sup>n</sup>.

If I am only a more mature without the Agricultural Diploma, I may be glad to be content with what I may be able to get for my maintenance by an appointment of the Superior Grade of the public service. If I now take an appointment in the Superior Grade, your honor may see that little value is given to my being a Diplomas Student in Agriculture and the Concession

Shown

I now pray that your Honor will kindly consider my technical Educational qualification which shows bright prospects by the public service notification, if I am also favoured with a pass in the Handwriting test Exam<sup>n</sup> and will be kind enough to exempt me from Handwriting Examination.
