No. 3092

From

The Honorable Mr. D. DUNCAN, M.A., D.Sc.,
Director of Public Instruction,
Madras,

To

The Honorable The CHIEF SECRETARY TO GOVERNMENT,
Fort St. George.

Sir,

Under G. O. No. 58, Educational, dated, 18 January 1892, the Government school house at Madanapalle was handed over to the new Town High school Committee for a period of three years, which expired on the 31 December 1894 subject to the same terms as those specified in G. O. No. 270, Educational of the 7 May 1888.

2. In his letter No. 96, enclosed, (with the Inspector's endorsement) the manager of the school applies for permission to keep the building in his possession so long as the school is held in

it

it and to carry out the necessary repairs and improvements.

3. In 1892, the Managing Committee wanted to extend the building, but sanction was not accorded for reasons assigned in G. O. 707. Educational, dated, 27 September 1892.

4. As the Department can ill afford funds at present to extend the building and as the school is progressing fairly I have the honour to recommend that the Government school house in question be lent for a period of twenty years subject to the conditions that the building is kept in good repairs to the satisfaction of the departmental officers, that the manager bears the cost of the extension and that

if,

if, in the meantime, the school be closed, no claim be preferred against Government for outlay incurred for improvements.

I have the honour to be,
Sir,
Your most obedient servant,

D Duncan
Director of Public Instruction

FOR ORDERS.

Order.

The Govt school house at Madanapalle was constructed in 1880-81 at a cost of about Rs 5000; the inhabitants of Madanapalle contributing Rs 400. vide G.O. $\frac{349}{10\cdot 9\cdot 79}$ Ed.

In 1884, the Govt Middle School at Madanapalle was transferred to the District Board and with it the School-house. vide G.O. d 13th Aug. 84 no 1869 Fin.

In 1888, the Board Middle School was transferred to a local Committee and the Govt made over the building to the Committee, for a period of three years, on the condition that it would keep the same in thorough repair. vide G.O. d 7th May 1888 no 270 Ed.

In 1891, another Committee

took over the management of the School and to this new Committee the Govt again transferred the building on the same condition as before. vide G.O. d 18th January 92 No 58 Ed.

In April 1892 the Committee represented to H.E. in an address presented to him at Madanapalle, that the building was not large enough to accommodate the School and requested that it might be extended. In G.O. d 27th Sept 92 No 707 Ed, the managers were informed that the consideration of the question of extending the building must be deferred until the institution had afforded satisfactory evidence of stability and progress. The Committee referred to above seems to exist no longer and the manager of the School now applies for permission to keep the building in his possession as long as the School is held in it and to carry out certain improvements which are necessary. The Director recommends the transfer for a period of twenty years subject

to the Conditions that the building is kept in repairs to the satisfaction of the departmental officers that the manager bear the cost of the extension and that if in the meantime the School be closed no claim be preferred against Govt for outlay on improvements.

There appears no objection to the proposal, if the manager himself accepts it - which is perhaps doubtful.

Perhaps some condition as to the efficient [illegible] management of the school should be inserted; but, on the other hand, the D.P.I. will be able to enforce this by refusing grants-in-aid, or withdrawing recognition from the school
