I.—Fractions of a rupee are to be omitted.

II.—If the income of any hostel maintained by the Department (or by a Local or Municipal Board) exceeds the expenditure, the return of Government (or Local or Municipal) expenditure should be reduced accordingly, the income and expenditure of the hostel being thus equalised. III.—If the income of any hostel attached to an aided school exceeds the expenditure, the excess should be proportionately deducted from the sub-heads of Endowments, Subscriptions, and other sources; or, if the receipts from those sources are insufficient, from the sub-head of Fees also. The actual and from Local and Municipal Funds should be shown in full.

CURRENT NO 415

No. 5 Education / 160

FROM

J. P. HEWETT, Esq., C.I.E.,
Offg. Secretary to the Government of India,

TO

The Chief Secretary to the Government of Madras.

Home Department.
Education.

Calcutta, the 25th March 1895.

SIR,

IN paragraph 259 of his Report on the Progress of Education in India, 1887-88 to 1891-92, Mr. Nash suggested that columns should be added in General Tables III and IV appended to the Annual Provincial Educational Reports to show the attendance and expenditure in boarding-establishments, and in paragraph 24 of the Home Department Resolution marginally noted it was stated that this suggestion would be referred to Local Governments and Administrations.

No. 2 Education 224–235, dated the 7th September 1894.

2. The Government of India are disposed to think that, though it is desirable that this information should be furnished, it would be inconvenient to include it in Tables III and IV. It is proposed, therefore, to issue instructions for the adoption in future Provincial Educational Reports of a separate table [to be numbered IV (A)] showing the attendance and expenditure in boarding-establishments attached to educational institutions of all classes. I am to forward a copy of a draft form of statement (in two parts) and to ask that, *with the permission of His Excellency the Governor in Council,* it may be reported whether the *Government of Madras* have any objections or suggestions to make with reference to it. I am specially to invite an expression of *the opinion of His Excellency in Council* upon the following two points:—

(1) whether in column I of the proposed statement the detailed classification of institutions should be retained as shown in the annexed form, or whether it would be sufficient if institutions were divided into "Arts Colleges, Secondary Schools, Primary Schools, and Schools for Special Instruction" without further details of classification. The Government of India is disposed to think that the latter plan might be found to answer all practical purposes.

(2) whether all the sources of expenditure on hostels should be shown as in the attached form (Part 2), or whether it would be sufficient if, under each of the headings "Managed by Government," etc., there were only three columns headed, respectively, "Provincial Revenues," "Local or Municipal Funds," and "Fees, Subscriptions, and Endowments." The classification of institutions adopted for Statement IV A (1) would naturally be followed in this statement also.

It has been suggested to the Government of India that, if the classification of expenditure as shewn in draft Statement IV A (2) forwarded herewith is not

adopted, expenditure being shewn under the broad heads of "Provincial Revenues," "Local or Municipal Funds" and "Fees, Subscriptions and Endowments," it might be practicable to consolidate both statements into one, sub-heads for expenditure following the head for 'Number of Boarders' in the first statement. On this suggestion the opinion of His Excellency in Council is invited.

I have the honour to be,

SIR,

Your most obedient Servant,

J. P. Hewett

Offg. Secretary to the Government of India.
