For orders

As to whether Mr Marshall may be permitted to appear for the Special Tests prescribed for the post of Dy. Collector! The tests are:—

(1) Revenue Higher
(2) Criminal Higher
(3) Account Test Higher
(4) Precis writing Test.

The general educational qualification demanded for ~~(1)~~ (1) is the B.A. degree & for (2) the First Examination in Arts. Mr Marshall is only a matriculate and entered Govt service long after matriculates were excluded from the Rev. Higher. All his immediate superiors speak very highly of him.— Mr Stokes' remarks regarding "the glorification of the Educational Dept" are rather strong.

Govt. is at its wits end to find Europeans & Country born Europeans to fill the posts of Dy. Colrs. There must be a certain number of this class to occupy ~~fill~~ certain posts. e.g. Mysore and the Madras & Nilgiries and there are others which could be named in which it would be of advantage

Sir

I respectfully beg to submit that I am desirous of completing the Tests which qualify for the post of Deputy Collector; but I am debarred from doing so, as I am not a Graduate unless I am specially exempted by Government. I have passed the Matriculation Examination and Hand-writing Test, and also the Police Inspector's Tests (Parts I & II), as well as the Third Class Tamil Test. Next August will make six years that I have served in this Department, and during this time I have always tried to do my duty and please my superiors

2

My father has also served Her Majesty in India for 34 years and has retired with the honorary rank of Major from Her service. I, therefore, humbly beg that I may be recommended to Government to be allowed to appear for the Special Tests, which qualify for the post of Deputy Collector, without passing the necessary University Examinations.

I respectfully beg to remain
Sir
Your Most Obedient Servant
W. J. Marshall
Insp. of Police

Forwarded thro' District Magte & D.I.G. Southern Range.
The concession prayed for might in my opinion be granted. Inspector Mr Marshall is an intelligent officer & hard working. His conduct is excellent.

Forwarded.
I wd strongly support this request. I have known Mr Marshall for more than 5 years in this District and I have always found him a most respectable hardworking & straightforward officer. His work has also shewn intelligence. With experience I think he wd make a valuable officer. He is of a class much wanted in the Dy Collr's grade. I have before now expressed the opinion that it is a very unsound & foolish policy to thwart the just aspirations of men doing good work in the services in order to make the higher appts into pets of the Educational Dept.
In the classification and this is a case which entirely ~~[illegible]~~ proves the truth of this view.

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,
Madras, 1st April 1895.

FROM
M. Hammick Esquire, I.C.S.,
INSPECTOR-GENERAL OF POLICE,

TO
THE Chief Secretary
to Government
Fort Saint George.

SIR,

Enclosures.
One.

I have the honor to enclose for the consideration of the Government, an application from Mr. Marshall, 3rd Class Inspector, Salem, asking that he may be allowed to appear for the Deputy Collector's Tests.

2. Colonel Porteous had a high opinion of this officer and I have found him to be a good Inspector. His request is strongly supported by the Superintendent, the District Magistrate, and the Deputy Inspector General. I am not aware what views the Government have on the matter of granting exemptions to men of approved service who desire to appear for the examinations qualifying

for

for the higher ranks of the Revenue Service, but if any exemptions are granted I consider this a very suitable case for the concession.

I have the honor to be,
Sir,
Your most obedient Servant,

Inspector General of Police

to have ~~[illegible]~~ Eurasians or Europeans.

I have lately been consulted personally by the Rev. Secretary as to whether I could mention any man whom I could recommend amongst the Eurasians and country born Europeans with whom I am acquainted. I could give him but a couple of names and those of men who would probably prefer to stay where they are on the ground of their prospects being better.

The quasi European Element is fast passing out of the [illegible] ranks of the Deputy Collrs. and unless measures are soon taken for recruiting it, it will in a very few years have practically disappeared.

To recruit only from men who have taken a degree and passed the necessary tests will be impossible – at any rate for many years to come.

The only course appears therefore to get in likely men by granting such exemptions as will allow of their appearing for the necessary tests – even.

The applicant in this case is highly spoken of by everyone with whom he has been officially brought in contact and it is submitted therefore that his request merits favourable consideration.

Mr Marshall's request to be allowed to appear
