To

His Excellency the Right Honorable

the Governor in Council,

FORT ST. GEORGE,

MADRAS.

Through the Collector of South Canara.

Humble Memorial of B. Idinabba, Dufterbund in the office of the Stationary Sub-Magistrate of Mangalore Taluk, South Canara, dated Mangalore 16th March 1895.

Most respectfully sheweth:—

That Your Excellency's Memorialist belongs to a respectable family of Moplas in South Canara.

2. That Moplas were, in the earlier days of British Administration of the District, employed freely in the Government Service, and held even high posts of trust and responsibility such as District Munsifs &c.

3. That partly owing to the general aversion of Moplas to education other than purely religious and partly to want of encouragement in the shape of free employment in the Government Service, the Mopla community is at present in a very backward condition, so much so, that the number of those who have hitherto availed themselves of the benefits of English Education is not more than two or three, the Memorialist being one of them.

4. That the Mopla community is so little represented in the Government Service of this District that out of a Mopla population of about 80,000 souls, the Memorialist is the *only person* in the District serving as a clerk in the Government Service.

5. That Memorialist has passed the Middle School Examination held in May 1890 and while he was attending the College and preparing for the Upper Secondary Examination Mr. Brodie the then Ag. Collector of the District, with view of giving some encouragement to the Moplas, was pleased to appoint Your Excellency's Memorialist as Dufterbund on Rs. 7 in the office of the Stationary Sub-Magistrate of Mangalore Taluk, which post he still holds.

page 29 (Gazette) Supplement of 15th June 1895

6. That Memorialist possesses all the qualifications required for a Government official will be clear from the enclosed testimonials given him by the officers under whom he has served or who have had opportunities to test his abilities and qualifications. The Memorialist though possessing a good knowledge of Upper Secondary and Matriculation Examinations, as certified by his teacher the present Head Master of the German Mission High School, Mangalore, is, owing to his being employed in Government Office, unable to attend to any College or High School and thereby qualify for admission to the Examination. The Stationary Sub-Magistrate Mr. B. Babu Rau also certifies as to the educational qualifications of Your Excellency's Memorialist.

Extracts from the enclosed Testimonials.

Idinabba was for two years and a half a pupil of the Upper Secondary Department in the Government College. ° ° ° His knowledge of the several subjects was far above the average but he could not appear for the Examination as he had not completed the full three years.

H. Krishna Rau, B. A.,
Head Master.

His (Memorialist's) knowledge of English is not inferior to that of an ordinary Matriculate.

B. Babu Rau,
Stationary Sub-Magistrate.

He can appear for the Upper Secondary Exam as a private Candidate.

7. That from what has been said above and from a kind reference to his enclosed testimonials, Your Excellency will be pleased to see that the Memorialist possesses all the qualifications necessary to his employment in the superior grades of public service and deserves encouragement.

Your Excellency's Memorialist in conclusion most humbly and respectfully prays that, on a consideration of the circumstances above set forth, Your Excellency may be graciously pleased to exempt him from the operation of the examination rules so as to be employed in the superior grades of service:

For which act of generosity, the Memorialist shall as in duty bound,

Ever pray.

U. Idinabba

Refce. in C. No. 653/Edn of 95.

Submitted to Government in the Educational Dept. through the Board of Revenue, for favorable consideration.

2. Petitioner belongs to the Moplah community whose aversion to ordinary secular education was at one time proverbial. However, time has awakened Moplahs to a sense of the honor of public service, and so they are beginning to send their children to School, though as yet only one in this District has passed the qualifying Examination and seeks employment. I therefore beg to recommend that Petitioner may be exempted from the operation of the examination rules so as to enable his being appointed to a post of Rs. 15.

Testimonials of the Memorialist

German Mission High School
Mangalore 8th March '95

Idinabbu was for two years and a half a pupil of the Upper Secondary Department in the Government College at Mangalore at the time that I was an assistant master in that institution. He was then under my tuition and I always found him well-behaved. His knowledge of the several subjects was far above the average, but he could not appear for the Upper Secondary Examination as he had not completed the full three years' course; and he was obliged to seek service on account of his poverty.

Head Master.

Idinabba was Dufterbund under me while I was stationary Sub-Magistrate of Mangalore Taluk. He gave me complete satisfaction in the discharge of his duties. He is a quiet and unassuming young man. His knowledge of English is not inferior to that of an ordinary Matriculate. He is a Moplah by birth and so far as I know there are few or none of that creed who has as yet taken to writing as a profession. I wish him every success.

I have much pleasure to testify to my good opinion of Dufterbund Idinabha's conduct and character. He is an intelligent man of very industrious habits. He writes a good hand and has given entire satisfaction in the discharge of the work entrusted to him. He is the only representative of the Moplah community in Government service in this District and as such deserves every encouragement. I shall be very glad to hear of his advancement in the Public Service

I have known Mr. Idinabba for some time. He is an able man of good intelligence and industrio habits. He belongs to a respectable Moplah family, though poor. This community was once holding a very high position but is now in a very backward condition. Under the Government Educational rules special consideration is shown to this community. But until some members of their own community are advanced to responsible positions wherever possible it can not be expected that they would avail themselves of the benefits of the English Education. I think that considering the circumstances of this Community it is in the interest of the Public that they should be encouraged in every way and that some of them at least should be raised to high positions.

The bearer Idinabba is the Dufterbund of my office. I know him since July last from the time I took charge of the office. He has discharged his duties to my satisfaction. He is a Mopla by birth. As far as I know no Mopla in the Public Service except in the Police Department in this District. I shall be glad to see him in the Public Servi in the superior Service where I believe he will make a useful Servant. He deserves encouragement. He bears a good conduct.
