OFFICE OF THE DIRECTOR OF

No. 3348.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

Adverting to G. O. No. 523, dated 19 July last and in continuation of my letter No. 11872 dated 7 th December 1894, I have the honour to state that the cost of additions and repairs to be carried out to the Police huts at Saidapet in order that they may be utilized as quarters for the students of the Teachers' college is estimated at Rs 820, as will be seen from the enclosed detailed estimate.

2.

Ed. Cor.
15 (5) 1,500—17-11-94.

2. The Principal reports that the Police huts can accommodate, when fully repaired, 20 students who will pay a monthly rent of 8 annas each. This of course includes the charge for sweeping and lighting which will come to about Rs 3 a month. The huts will be unoccupied for about 2 months in the year when the students go away for the vacations. The annual net income in the shape of rents will, therefore, be Rs 70." The huts will be chiefly used by students attending the gymnastic training class attached to the College, who are mostly grown up men. The rents collected will afford a fair interest on the above expenditure allowing also for sundry repairs in the interval. The gymnastic students find much inconvenience and difficulty in getting accommodation at Saidapet and the utilization of the huts as a boarding house for them will be a great comfort to them.

3. Mr. Hall is anxious that the students Home attached to the Teachers' college should be extended for the benefit of the students attending the College proper. His proposals will be submitted to Government separately.

I have the honour to be,
Sir,
Your most obedient servant,
J Duncan
Director of Public Instruction

No. 3699.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

In continuation of my letter C N° 362 — N°. 3348, of the 21 instant, I have the honour to submit the information called for in G. O. N°. 391, dated 4 June 1894, regarding the boarding house attached to the Teachers' College, Saidapet.

2. The Student's home consists of two blocks, the number of rooms, the sizes of the rooms

...doubtful as to the ... comforts." ... rooms ... of it

rooms, and other particulars being as noted below.

First block.

No. of rooms	Size of rooms	No. of students accommodated	Monthly rent collected	Total outlay on building
1	14ft x 16ft	5	Rs - as - Ps 3 - 2 - "	Rs 1500
1	12 x 16	4	2 - 8 - "	
1	10 x 16	4	1 - 12 - "	
4	8 x 8	8	5 - " - "	

Second block.

1	10 x 14	3	1 - 2 - "	new old building worth about Rs 1000
5	10 x 8	10	5 - " - "	
2	8 x 8	4	1 - 8 - "	

Excluding the two months' mid-summer vacation the rooms are occupied for ten months in the year and the annual rent collected amounts to about Rs 200. Considering the size of the rooms and the number of students accommodated therein, it may seem that the

the rooms are slightly overcrowded. But as these houses were built as an experimental measure by Mr. Grigg, it was not possible to make better provision.

3. The students furnish the rooms themselves, their furniture generally consisting of a bed, a table and a chair. The sweeping and lighting are done by one of the peons attached to the college.

4. Mr. Hall strongly recommends the extension of the Students' Home in order to provide accommodation for Sudra and Christian students. I support his recommendation. He estimates the additions to the existing block of building for living purposes at about

about Rs 712. This work will be
ro carried out departmentally during
a the ensuing summer vacation. —
Mr. Hall also recommends that
n a boarding house should be
erected at a cost of Rs 2350.
There is at present living
accommodation for 38 Smartha
students in the college premises
and the proposed building
is intended to provide boarding
accommodation for the same
number. He wishes to work the
hostel on the lines of the
Christian College Student's Home.
I beg to request that permission
may be given for the Public
Works Department to prepare
the

the necessary plans and estimates.
The work will be begun when
funds become available. There is
no pressing need for boarding
accommodation for the other classes
of Brahmans as they are comparatively
few in number and make their
own arrangements for boarding.
