CERTIFICATES AND TESTIMONIALS.

OFFICE OF DEPUTY SURGEON-GENERAL,
H. M. FORCES,
CANNANORE, 19*th August* 1882.

I have much pleasure in certifying that I am well acquainted with MR. P. B. COOPER. He is a well educated and very respectable Parsee gentleman. I have known his father for upwards of 35 years.

I can with great confidence recommend him to any one who may wish to secure his services in any office of confidence and trust.

(Signed) J. M. JOSEPH, L. L. D.,
Dy. Surgn.-Genl., H. M. Forces,
Western District.

I have known MR. COOPER for several years, and I have much pleasure in testifying to his honesty and respectability.

He belongs to a very good Parsee family. His father was a well known medical practitioner in Bombay and highly respected. MR. COOPER himself was a student in the Grant Medical College for three years. He left the college, I believe, on account of some family reverses.

(Signed) M. P. KHAREGAT,
Surgeon-Major, I. M. S.

"NORTHBROOK GARDENS,"
BOMBAY, 24*th October* 1878.

This is to certify that I have known DR. BURJORJEE, father of MR. PHIROZESHA, for the last 15 years. His father, Dr. BURJORJEE DORABJEE, G. G. M. C., was the first who obtained medical qualifications among Parsees, and he subsequently became a most affluent and well known cotton-merchant in London. I know MR. PHIROZESHA to be a man of exemplary moral character, and during his stay of upwards of ten years in England he has learnt the ways of English society and home life. MR. PHIROZESHA studied in England for upwards of six years, his English is thoroughly European, and his *ex-tempore* address in public assemblies is perhaps second to no Parsee. He has found while in England and in Bombay frequent opportunities of watching the methods of instruction and the management of schools and classes.

He has a most amiable and attractive disposition, obedient and respectful to his superiors, and generous and polite to those below him.

(Signed) MOOLJEE THACKERSEY,

MADRAS, 5*th August* 1882.

I have great pleasure in testifying to the very high opinion which I have for MR. PHIROZESHA BURJORJEE COOPER. I have known him for more than six years, and he has advanced in my opinion the more he comes into my contact. His long stay of more than ten years amongst the better class of English society has amply fitted him to rank high amongst our present Parsee reformers. Though young in age, his travels in Europe, Asia and Africa, have expanded his mind to the usages of various nations.

Besides having received a liberal education, he has served in responsible and confidential posts. I consider him most adequately fitted to manage some business or institution where true integrity in conduct and zeal in action, combined with a general knowledge of the world are required.

Resolution.

The Collector's proposal to exempt 11 Officials of the Custom House from certain special Tests on the condition of their passing the Examinations to be held in October 1895, is recommended for the sanction of Government.

2. Besides the exemptions proposed by the Collector on the condition stated above, the following exemptions are also necessary.

(a)

(a) Mr. Cooper the Assistant Taster on Rs. 65, has not passed the Sea Customs Test. The Collector has telephoned that "he holds an appointment which has been held by specially trained men who have not been required to pass this test before." But as the rules do not make any such special exemption, he will have to be exempted from the Sea Customs Test as well as from the Precis writing Test. The Board recommends his exemption from the Sea Customs Test so long as he is employed in the Testing Branch of the Custom House.

has not passed the Handwriting Test

(b). Mr. Rowe, a preventive Officer on Rs. 50 rising to Rs. 75, has passed the Middle school Examination in the 3rd class. It is stated that he was in the army and that, in consequence of having lost his left arm, while on duty, he was declared unfit to remain in that service. The Collector reports that he is doing his work satisfactorily as a preventive Officer, and recommends his exemption from the Middle school Examination in the 1st class. But as that Examination has been abolished, Mr. Rowe will have to be exempted from the upper secondary Examination. This is recommended.

(c) Mr. King has passed the F.A Examination. It is reported that he was employed in the Hyderabad Residency but resigned his appointment there, and that he joined his present appointment in the Custom House on the 4th March 1895. He may be exempted from the Hand-

Hand-writing ~~writing~~ Test on conditions of his passing it at the next Examination.

The Bd recommends that the following Officers recently entertained in the Sea Customs Office may be exempted from the Special Tests specified against their names until the results of the examinations to be held in October next are known:-

(1)	C. Subbaraya Pillai.	Precis writing Test
(2)	P. B. Cooper -	Do
(3)	A. Srinivasa Aiyangar -	Sea Customs Test & Account Test - Higher
(4)	H. D. Bartley -	Sea Customs Test & Precis writing Test
(5)	Abdul Rahim	Sea Customs Test
(6)	L. G. Purushottama Mudali -	Account Higher
(7)	J. Wilkins -	Sea customs Test
(8)	Mr. King -	Do & Handwriting Test.
(9)	Mr. Rowe	Sea Customs Test Do
(10)	Mr. Marcar	Do
(11)	J. A. D'Rozario -	Do

These exemptions may be given though it has not been explained why so many

men, who are not qualified according to rules were, entertained,

P. B. Cooper, no 2, in the above list holds the post of Apte Tester on Rs 65/- and is therefore required to have passed the Sea Customs test. The Bd seems to consider that a knowledge of the Sea Customs test is not required in the case of a Tester and recommends that P. B. Cooper be exempted from the Sea Customs Test so long as he is employed in the Testing Branch of the Customs office.

Orders are solicited as to whether this concession may be granted.

The Bd has failed to note that P. B. Cooper is not qualified under the Public Service notification to hold a post on Rs 15 & upwards. He has passed only the matriculation examination of the Bombay University which has not been accepted as equivalent to the Upper Secondary Exam^n or the matriculation Exam^n of the Madras University. P. B. Cooper will have therefore to be exempted from the Upper Secondary Exam^n or at least from the Hand writing test.

Mr Rowe, no 9 in the list, is an unpassed man. The Board

recommends that he may be exempted from the Upper Secondary examination. It has not been explained whether a passed candidate was not available for the post. Mr. Rowe, it will be noted, has lost his left arm and this defect might to a certain extent interfere with the efficient discharge of his duties as a preventive officer.

It will be observed that Messrs Wilkins & Rowe who are in receipt of a pay rising from Rs 50 to Rs 75 will have to pass the Precis writing test before they draw Rs 60 per mensem.
