With reference to your letter No P/459 dated 21st May /94, I have the honor to state that the last donation made by the Civil Department to the Military Male Orphanage was paid in May 1871 and amounted to only 19060/-. The sum of Rs 19260/- mentioned by you must have been first paid after the transfer and the Military Department should therefore be in a position to account for the increase. The authority quoted in my books for the payment is a letter of the Honorable the Court of Directors dated 23rd July '28 which is not forthcoming in my office.

The interest payable and paid yearly on the Securities of the

Controller of Military Accounts,

To

Colonel D. J. S. McLeod, D.S.O.,
Offg. Secretary to Government,
Military Department.

Madras, the 14th of December 1894.

Sir,

I have the honor to bring to notice that, since the transfer of the charges for Military Asylums in the Madras Presidency from the Civil to the Military department in 1872, an annual donation of Rs 19,260-"-" has been paid to the Lawrence Asylum, Ootacamund, by this Department.

2. The first two bills on account of donation on interest realized in the years 1871-72 and 1872-73 for Rs 38,607-"-4, were submitted by the authorities of the Lawrence Asylum and paid on the 10th March 1874. and on 11th July 1874, a sum of Rs 19,260-"-" was paid as donation for the year 1873-74

the authority quoted in support of the charge being P.G. (Educational) No. 103 dated 6th April 1872. This sum was annually paid to the Principal and Secretary, Lawrence Asylum, Ootacamund, on account of the above donation up to 1892-93.

3. The usual bill was submitted for payment in April last for 1893-94 but as the authority quoted above could not be traced in the records of this department, references[a] were made to the Accountant General, Madras, and the Principal and Secretary, Lawrence Asylum, from whose replies[b] the only information that could be gathered is that the last payment made by the former officer in May 1871 for 1870-71 was for Rs 19,060-0-0 as donation to the Military Male Orphan Asylum.

4. After a further search among the records, a reference to P.G. (Financial) No. 780 dated 12th June 1872, showed that a sum of Rs 19,060 was originally authorized as payable to the Military Male Orphan Asylum and the payment of this amount only should have, apparently, been continued to the Lawrence Asylum after the amalgamation[c] of the two asylums in 1871 and the transfer of the funds of the former to the latter.

(c) P.G. (Mily Dept.) No. 1327 d/ ~~21~~ 19·4·1871.

5. No order or authority is traceable sanctioning a further grant of Rs 200 from 1874. P.G. (Educational) No. 103 of 6th April 1872, which is quoted in the first bills paid by the Presidency Paymaster, Madras, do not authorize the payment of Rs 19,260 to the Lawrence Asylum, but only sanction the transfer of the funds.

6. On the authority of P.G. (Financial) No. 780 dated 12th June 1872, payment on account of donation due for last year has been made only to the extent of Rs 19,060-0-0 and the difference Rs 200/- withheld subject to the approval of Government, unless there is some order of Government unknown to this office sanctioning the payment of the sum of Rs 200.

Before 1832, the East India Company aided the several Charitable funds in this Presidency by allowing an enhanced rate of interest at 8 per cent on their balances. In 1832, the Court of Directors considered that this mode of aiding the Funds should be altered and that the aid afforded by the Company should as far as possible be shown as direct contribution and accordingly ordered in their despatch of the 4th July 1832, No 37, that the interest allowed to these funds should be reduced to 5 per cent per annum from the 1st May 1833 and that on the 30th April in each following year the several Funds should be

granted a donation from the company of a sum equivalent to the difference between the amount of interest at 8 per cent and the amount of interest at 5 per cent. Subsequently in 1855 the Court of Directors ordered X. that the interest should be further reduced from 5 per cent to 4 and that the difference should be paid as a donation from the company as formerly.

The amount of Rs 19260 which is referred to in the Controller's letter under reference is the donation paid by Govt at 4 per cent on the funds of the Military Male Orphan Asylum (amalgamated with the Lawrence Asylum in September 1871).

These donations were not of a fixed nature; they varied from year to year, presumably according, ~~[illegible]~~ to the amounts of balances lodged with Govt. vide A G's letter printed in G.O. d 29th July 1861 no 1096 Public.

Before 1872, these donations were paid from the provision made in the Madras Civil Budget Estimates

FOR ORDERS.

X. vide para 25 of Despatch, no 46, d 3rd Oct 1855 - in the extract, put up, from the minutes of consultations, no 1577, d 18th Dec 1855. not forthcoming in the bundles

X. G.O. d 12th June 1872, no 780, Fin

but the Govt of India, in its Pro. X. d 22nd May 1872, no 3608, (accounts) transferred so much of the provision as related to Military Institutions to the Military Estimates with effect from the beginning of the official year 1872-73. In that year the donation payable to the Military Male Orphan Asylum for the year 1870-71 was Rs 19060 - vide G.O. d 12th June 1872, no 780 Fin. The donations for ~~the~~ 1871-72 and subsequent years were accordingly paid by the Controller of Military accounts from the provision made in the Military Budget. In March 1874, the Controller paid Rs 38607-0-4 as donations for the years 1871-72 & 1872-73 and in July 1874, Rs 19260 as donation for the year 1873-74 and continued to pay Rs 19260 annually until last year when he required that the ~~[illegible]~~ G.O sanctioning the grant of Rs 19260 should be quoted and on the Secretary to the Lawrence Asylum expressing his inability to quote the authority required, the Controller paid only Rs 19060 in accordance with G.O. D 12th June 1872, no 780, Fin, and holds the remaining Rs 200 under objection. He now enquires whether there is any authority for the payment of Rs 19260 to the Lawrence Asylum.

The records have been searched over and over again but no G.O. sanctioning the increase of the donation from Rs 19060 to Rs 19260 is forthcoming. From the following, however, it will be seen that the correct amount of the donation payable to the Lawrence Asylum is Rs 19260.

In para 3 of his despatch D 25th May 1860, no 80, printed in Fin. G.O. D 9th Aug. 1860, no 391, the S of S observed that the Military Male Orphan Asylum and other charitable funds in Madras had, by means of the investment of a portion of their balances in Govt Pro-notes purchased at a discount, obtained donations on larger nominal amounts than their actual balances

In file bristling with tape

and ordered that all donations, paid to the several funds, in excess of the amount sanctioned by the Court of Directors should be recovered. In para 5 of the despatch it was further stated that the amounts of the balances of the Funds on which additional donations were to be paid, to make up the interest to 8 per cent should thereafter be invariably invested in non-transferable Treasury Notes. In G.O. D 6th Oct 62, no 701, Finl, the above despatch was interpreted to mean that the special rate of interest which had been received on the additional capital obtained by investment at a discount should be refunded with compound interest that that portion of the capital on which special interest was due should thereafter be kept separate from the rest of the capital and that no more than the ordinary rate of interest at 4 per cent should be paid on the additional capital

ob

obtained by the purchase of Govt. Pro-notes at a discount. In his despatch dated 25th July 1863, no 55, printed in G.O. d. 4th Sept. 1863, no 570 Finl, the S of S. confirmed the above interpretation and approved the suggestion of the A-G. that the additional capital gained by each Fund upon which no Govt donation would be payable, should be invested and set apart in a Govt Pro-note, words to that effect being written across the note by way of security.

The Military Male Orphan Asylum, it was found, had gained Rs 3567-4-1 by way of excess donation (vide A-G's circular printed in G.O. d. 9th January 1861, no 15 Finl,) and had increased its capital by Rs 7782-6-10 by purchasing Govt. Pro-notes at a discount (vide A G's circular printed in G.O. d. 11th Nov. 1861, no 550 Finl) In G.O. d. 13th Nov. 1861, no 554, Finl the asylum was allowed to refund in three instalments, the excess donation

of

of Rs 3567-4-1 which it had received. The additional capital of Rs 7782 which the Asylum had gained, it must be presumed was invested in a Govt Pro note for Rs 7,700 words to the effect that no additional donation was payable on the amount being written across the note. As for the reason why the pro-note was for Rs 7,700, please see para 3* of A-G's letter printed in G.O. d. 4th April '63, no 239, Finl. The presumption made above is in accord with Mr. Atkinson's statement in c.no 321 of '95 that the value of the pronote on which no donation is paid is Rs 7,700. The amount of the capital of the Asylum which is invested in Govt. Securities is Rs 489 200; deducting from this, Rs 7,700, on which no donation is payable, we get Rs 481 500 as the amount on which the additional donation is paid. The donation on this sum, calculated at 4 per cent, is Rs 19260.

* in the impossibility of getting a note for Rs. 7782; the lower hundred (7700) was taken
D
6/3.

This however does not solve the difficulty. We want to know how the amount of the donation which was Rs 19060 for 1870-71, according to G.O. d 12th June 1872, no 780, Fuml, increased to Rs 19260 in the subsequent year!

The statement of the Govt. Securities belonging to the Military Male Orphan Asylum given in G.O. d 4th April 1872, no 95, Ed, furnishes the necessary information. The capital of the Asylum invested in Govt. Securities in 1870 was Rs 484200; this was increased to Rs 489200 in 1871, by the investment of Rs 5000 in non-Transferable Treasury notes, presumably in accordance with para 19 of the S of S's despatch printed in G.O. d 7th Sept. 1860, no 452, Fuml. The amount of donation payable at 4 per cent on Rs 5000 is Rs 200. ~~Thus we arrive at how~~ This is the explanation why the donation which was Rs 19060 for the year 1870-71 rose to be Rs 19260 for the year 1871-72.

Submitted that the Controller may be informed that the cause for the increase of the donation of Rs 19060 to Rs 19260 in 1871-72 was the increase of the capital of the Asylum, on which a donation of 4 per cent is payable, by Rs 5000.

NOTE FOR THE UNDER SECRETARY.

The Controller's letter gave a wrong clue and led the office to search in vain the records of 1872 and previous years for the authority for the annual donation of Rs 19260 to the Lawrence Asylum.

But from para 13 of Mr Maccartie's letter recorded in G.O. D 30th July 90 no 548 Ed. it appears that the sum of Rs 19260 (not 19620 — the amount is quoted correctly in the Budget for 1889-90; please see the original of G.O. D 3rd June 89 no 321 Ed.) is the additional four per cent interest allowed by Govt on all but one of the promissory notes amounting to Rs 489200 held by the Asylum — This additional interest is granted under G.O. D 18th Dec. 1855 no 1577 as explained below.

Before 1832, interest at 8 per cent was paid on the balances of all the Civil, military and medical Funds; but in their circular despatch D the 4th July 1832 the Court of Directors directed that the interest should be reduced to 5 per cent per annum and that on the 30th April in each year, the several Funds should be granted as a donation a sum equivalent to the difference between the

NOTE FOR THE UNDER SECRETARY.

The Secretary, Lawrence Asylum, does not quote the authority for the statement that the amount of the promissory notes on which Govt allows a donation of Rs 19260 is Rs 4 81500. The question to be determined is whether the amount of the donation is Rs 19060 or 19260. It was thought that by ascertaining the amount of the promissory notes the amount of the donation could be determined. The Secretary seems to have arrived at the amount of the promissory notes by calculating from the amount of the donation viz: Rs 19260. This won't do. A second reference seems to be necessary & a draft is accordingly submitted.
