GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from E. V. LEVINGE, Esq., C.S., Under Secretary to the Government of India (Department of Revenue and Agriculture—P. A. and M.), to the Secretary to the Government of Madras, Revenue Department, dated Simla, the 13th April 1895, No. 1000—10-5 :—

I am directed to acknowledge the receipt of your letter No. 1206, dated the 21st ultimo, forwarding a monograph on Madras pottery prepared by Mr. E. Holder, Acting Superintendent of the School of Arts, Madras, and to state that it has been forwarded to Messrs. Griggs and Sons for publication in the Journal of Indian Art and Industry if they think it suited to that purpose. I am to request that the negatives of the photograph prints may also be sent to the publishers of the journal.

2. I am to explain that in future such monographs should be prepared for publication in India, and should be so printed and published by the Madras Government. They are intended primarily to give a survey of the industries rather than of the arts of India. At the same time they will often contain material which Messrs. Griggs may desire to republish in the Journal of Indian Art and Industry, and I am to add that if in preparing the monograph the compiler has found occasion to collect any photographs or other illustrations which cannot conveniently be reproduced locally, such illustrations with the negatives, if any, should be carefully preserved in case they should be required by Messrs. Griggs for the purpose of their journal.

ORDER—dated 30th April 1895, No. 235, Revenue.

Miscellaneous.

Communicated to the Educational Department and to the Board of Revenue.

2. The Acting Superintendent of the School of Arts, Madras, will be requested, in the Educational Department, to transmit direct to Messrs. Griggs and Sons the negatives of the photograph prints illustrating his monograph.

3. The instructions contained in paragraph 2 of the letter read above will be noted by the Board of Revenue, who will for the future undertake the work of supervising the printing and publication of the monographs in Madras, the officer entrusted with the preparation of them submitting the same direct to the Board.
